The peti. states as follows:-

The peti. was an attender in the Collie office Trichinopoly drawing Rs 10 per mensem. He is now in receipt of a pension of Rs 5 per mensem. This he submits is unjust seeing that men who were drawing Rs 5 or less per mensem are paid a pension of a moiety of their salary. With Rs 5 the peti. finds it difficult to procure even the necessaries of life under the present ~~state~~ of scarcity when prices are high. He applied to the local authorities who referred him to the Govt of India which issued ~~the~~ the encloses order on his petition. He prays that a pension of Rs 5 may be ~~continued~~ ordered to be paid to him from the date of his retirement.
