An efficient & trust worthy servant & has qualified for the post of Tahsildar. — S. R. Locke Dy Collr

Mr. Bamburg the late Dy Collector of Tinnevelly having desired me to appoint a candidate in the English Department, I selected with his approbation Canthimathy Pillai for a 15 Rupees post after making much enquiry & receiving favorable accounts of his character. From what I have seen of him I consider him an industrious & willing worker servant.

No 714. Proceedings of the Board of Revenue, dated 6th September 1880, Miscellaneous No 9741:

Read the following letter from J. B. Pennington Esqr Collector of Tinnevelly, to C. A. Galton, Esqr., Secretary to the Board of Revenue, dated Tinnevelly, 25th August 1880, No 542:—

Miscellaneous

The Head Assistant Collector reports that the services of Shanmugam Pillai, Taluk Sheristadar of Ambasamudram, may be placed at his disposal for special duty in connection with the settlement of the Attumalai boundary dispute on the ground that the records connected with the dispute are voluminous and could not possibly be gone through by the limited and already overworked establishment of his office.

2. As Shanmugam Pillai is thoroughly familiar with the details and intricacies of the case I think his assistance will be of great value to the settling officer, but as his services will probably be required for four months, and he cannot be conveniently spared from the Taluk for so long a time, I request that the Board will be pleased

to obtain the sanction of Government for the entertainment of a temporary Talak Sheristadar during the employment of Shanmugam Pillai on this special duty.

Submitted for the sanction of Government with reference to G.O. dated 21st August 1879 No 1,737.

1. Explanation of the following discrepancies:—

(a) In the Audit Registers for 1867 and 1868 the date of the applicants appointment is shewn as 26th June 1866 which date does not appear on the 2nd page of the application.

(b) In the Audit Register for 1874 and in the Annual Return for 1878 the applicants age is shewn as 1832 and 1836 respectively. According to this Entry the year of the applicants birth should be 1842 which does not agree with that given in the Service book.

(c) The date of the applicants birth is shewn as January 1842 in the Annual Returns from 1879 to 1881 but in the Service book and on the 1st page of the application it is shewn as 24th Decr: 1841.

SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of P. Kanthimathy Pillai late Dy: Tahsildar Vilatikulam Otapidaram Taluq, Tinnevelly District. is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

Statement taken from M.R.Ry. Kantimathi Pillai late Dy Tahsildar of Vilakkulam

I was born in the month of Margali of 1017 Andu corresponding to Dec 1841 — January 1842. January 1842 was given by me as the approximate date of my birth. Since the horoscope was not then in my possession. I ~~got~~ saw the horoscope subsequently and entered the exact date of birth as 24th December 1841.

SIR,

In reply to your letter No. $\frac{A.D.K.}{545}$ dated 20th March 1897, I have the honor to state that in the audit register of permanent establishment as it stood on 1st April 1866 (for the official year 1865-66), the date of appointment of the applicant, M. Kanthimathy Pillai, is shown as "26-6-65" which agrees with the entry in the service book. The entry "26.6.66" in the registers of 1866-67 and 1867-68 is evidently wrong. If the latter be supposed to be the correct date of ~~birth~~ first appointment, the entry "26.6.65" could not have been made in the register for 1865-66.

2. As regards points (b) and (c), I beg to state that in the registers from the year 1874 to 78 age alone appears as the date of birth was not then required. In the register for the year 1879, however, both the age and the date of birth have been given as "37" and "January 1842

respectively: and these two entries tally. In the register for 1880 and 1881, the date of birth has been repeated as "January 1842" without date. In the register for 1882 and for the subsequent 14 years, it has been entered as "24th December 1841". This entry does not seem to have been objected to by your office at the time. The difference is only a few days and it is explained by the applicant that he was born in the month of "Margali of 1017 Aundu" corresponding to "December 1841 and January 1842" and that "January 1842" was originally given by him as the approximate date since his horoscope was not then in his possession and that "24th December 1841" was subsequently entered as the exact date of birth with reference to the horoscope.

3. There are no records available in this office to show the circumstances under which the applicant's service was verified previously in your office.

4. Your letter under reply and other papers are returned herewith.

I have the honor to be
Sir
Your most obedt Servant
