Chief Office memo. No. 4526 d/ 14.7.92 on Roll suspending Inspr. Gurusami Mudr.

I The charges
i. of gross delay in submitting & returning his diaries,
ii. of gross delay in returning papers referred to him by the Supt. for report,
iii. his neglect to visit his stations and enquire into crime,
iv. and his disobedience of and inattention to the Supt's orders

are *fully* *proved*. The Inspector's defence is feeble in the extreme.

* Twice fined }
once reduced } II Three (3) times* before has this Inspector been punished for gross carelessness in *allowing* his office work to fall into arrears - and here now after *repeated* warnings from his Superintendent he commits himself most grossly in the *same* way *again*. This too after he had been treated with leniency and consideration and granted a step of promotion in October 1891.

III. This Inspector has a certain amount of ability - but his gross apathy and carelessness have been his curse through his service - and may probably necessitate his removal from it.

IV. Reduction of class is *the* *only* adequate punishment for *such* gross neglect and disobedience - but in the hopes that he will yet endeavour to turn over a new leaf, I will merely order his name to be put down 20 places lower in the list of 3rd class Inspectors - and reprimand and warn him - that a repetition of such neglect and carelessness must terminate in permanent reduction, if not, summary dismissal.

To be entered in Service Register.

1. The audit and verification in this office of the applicants' Service Extending over ~~thirty~~ twenty nine years and the absence of the Inspector General of Police on circuit which necessitated the papers being forwarded to the circuit office & back account for the delay.

2. The correct name of the applicant is "Pondicherry Subbu Gurusawmi Mudr" and that Entered in the annual Returns & audit Registers ~~are~~ is incorrect.

3. The applicant was reduced from 3 class to 4 class on a salary of Rupees 75 p.m. from 13 January 189 & the Entry of "3 class Inspr" in the annual returns is wrong.
