To

THE Secretary Surgeon-General,

Sir,

1 I have the honor to state that in my letter No 1018/S dated 17 May 1894, I reporte that I had been unable to send a case and certificate of 2nd Class Hospital Assistant, I. L. Narsiah No 382, as requested in your Mem No 2217 dated 18 April 1894, as the Hospital Assistant, though ordred, had not appeared before me.

2 Since that date I have sent several letters to him but he had either taken no notice of them, or reported that he was under native treatment and was not allowed to travel.

3 On one occassion he came to Vizagapatam but I was on tour.

4 He was reported by the Medical Officer, Chicacole in November 1894 to have greatly improved mentally and physically.

5 I have this day examined him and dont think he can ever again be fit for Service but, in his present condition, he cannot be sent alone to Madras. I

I therefore request your orders regarding him.

6. He has a very dull stupid expression a peculiar gait, and his speech is affected but his replies are rational, though he is very slow in answering questions. I send a specimen of his hand writing. This was written in my presence and he says he always wrote in the same style.

Current No. 1773/3

7. His leave (18 months in 3 periods of 6 months) expired on 22 March 1894 and he has drawn no pay since.

Civil Medical Form No 59.

Nominal Roll of a Non-Gazetted Officer considered unfit for further Service.

(1) Rank 2nd Class Hospital Assistant
No: 382.

(2) Name. Ijjapureddi Lakshmi Narasayya.

(3) Department or Office. Medical Department.

(4) Marks of identification:- A small circular scar seen in centre of fore-head (lower Part) and similar ones one on each temple, dorsum of hand and back of neck.

(5) Age. 31 years.

(6) Service:- 11 years, 1 month, and 18 days.

7) Sick leave enjoyed during the Service. } one year and ten months.

(8) Disease:- Mania.

(9) Abstract statement of case stating how the disease or disability was contracted a d the treatment.

In the year 1892 this man was suffering from mental disorder Sd ~~and~~ (chronic mania) and he was granted leave on medical Certificate from 22nd September 1892 up to 21st March 1894, or for a period of 18 months. On the expiration of this leave he did not rejoin his duties nor was his whereabouts known to any one and he was therefore reported for being absent without leave. During this long period of nearly 3 years the man has been under treatment, principally native treatment, and has also done no work; but neither the treatment nor the absolute rest has benefitted him, and he is now more or less in the same state as he was when his troubles first began.

His present state is as follows:- He is a thin and badly nourished man, has a very dull and stupid expression and a tottering gait.

Answers questions rationally but slow in answering them. A sample of his handwriting in blue pencil given to me about a week ago is enclosed with his medical case.

He is said to be filthy in his habits and the first day he came up before me I perceived an offensive smell about him. Of late he has been very troublesome in his house and his relatives have complained of his conduct.

I am of opinion that the man is suffering from Chronic Mania and is not likely to make a complete recovery — especially as he has now been absent from duty for nearly three years.

I consider him to be unfit for any further Service.

N. B. From the records of this man's case I gather that Surgeon Lieut: Colonel A. H. Leapingwell, now on 3 months' privilege leave, is also of opinion that the man is undoubtedly of unsound mind and unfit for Service.

SIR,

With reference to your No. A.D.K./151 dated 23rd June 1896,* I have the honor to furnish hereunder the information therein required as far as available:-

* herewith returned with its accompaniments.

2. (1) The entries in the application in regard to the period of service from 1st July 1884 to 16th June 1888 were taken from the applicant's service book. They may be accepted as each of them is attested by the officers under whom he served at the time. It is quite impossible to obtain an affidavit from the applicant under 11(a) of the Instructions as the man is a maniac.

(2) 1st July 1884 as shown in the 2nd page of the application is the correct date of the applicant's appointment.

(3) 24th June 1864 as shown in the 1st page of the application and service book is the correct date of the applicant's birth.

14/6
15
1362

(4) The applicant was on 2 months' privilege leave from 5" April to 4th June 1889 both days inclusive and not to 4" July as stated in your objection statement. The date 5th June in the service book and application is apparently a clerical error

(5.a.) The required information has been called for from the District Medical and Sanitary Officers, Ganjam and Vizagapatam, where the applicant was serving during those periods and

and will be furnished when received.

(5.b & c). The District Medical and Sanitary Officer who drew up the application for pension replies as follows:-

"The average emolument is calculated according to article "531 of the Civil Service Regulations. The memo is herein en"-closed.

"He had on the whole 35 months and 27 days (leave) 3 "periods of 6 months were first given and then 17 months and 27 "days.

"It was presumed that the Hospital Assistants could be "granted medical leave to the maximum of three years -

"Sanction for the leave was given by the Surgeon-General "with the Government of Madras.

"The allowance drawn was half pay throughout.

"I overlooked section 373.

"I suppose the amount overpaid can be deducted from his "gratuity".

(6) The Medical Certificate is now countersigned by the Surgeon-General.

(7) There was no termination of the applicant's service on 24th June 1887. The entry "sick list" in the service book is wrong.

(8) The required information has been called for and will be furnished when received.
