Extract from the list of Officers in the Vizagapatam circle on the 1st of July 1893, with the opinion of the Dy. Inspector Mr. G. Vedantachari regarding their qualifications and general behaviour — Kolachina Sitaramayya — Head master Taluq School of Gunpore — After several changes of Head masters, this teacher has been selected as the most suited to the climate of Gunpur to the disposition of the people and to the character of education requisite there. He at present holds ~~the~~ only the V Grade of the teachers certificates but is equal in attainments to one who has passed for the IV Grade. He is a very successful teacher and his pupils while he was Head master at Gajapatinagaram for more than 6 years invariably gave satisfactory proofs of his having taken

To
The Treasury Officer.
Vizagapatam

Sir,

With reference to your reference $\frac{4828}{au}$ of 1896, dated the 17th ultimo, I have the honor to state that Act Schools were the first kind of Departmental Schools started by Government and their Cost was met partly from General Revenues and partly from funds raised by Government by levying a tax under a Special Act then in force. Under Article 393 of the Civil Service Regulations, the Service of an officer qualifies for pension if it conforms to the following three Conditions. First. The Service must be under Government. Second. The employment must be substantive, and permanent. Third. The Service must be paid by Government. As required by Article 421, the establishments in these Schools were appointed, controlled and paid by Government. K Subramanayya's Service in the Act School Vizianagram, must therefore count for pension. The Service in the Samasthanam Branch School, (Vizianagram) was of course not pensionable

7
3
382

as the Establishment was paid from the funds of the Vizianagram Samasthanam but the School was entirely under Government control, the appointment of teachers &c having rested with the Inspector, it cannot be treated as an "Interruption" under article 463, but it falls under exception (e) noted underneath the same article. In the case of two pension applications hitherto submitted from this office the service in the schools maintained by the Vizianagram Samasthanam but controlled by the Educational Department appears either to have been allowed or to have not been considered as an "interruption"

I have the &c

Most Honored Sir,

In obedience to your honor's R.C. No. 4878 Acc: dated 22-2-97 directing me to explain certain descre-pancies as regards the birth date of K. Sitaramiah, I most humbly beg to submit that the annual returns of the years from 1879 to 1883 are not forthcoming in the records of this School; but the only returns available are of the years 1884, 1886, 1887 and of the years from 1889 to 1896, in all of which invariably "20th November 1844" has been shown as the birth date of the incumbent. Moreover I beg to particularize the return for 1887 which, it is said, was prepared by the incumbents' own hand and signed by himself as the Head master of the School. It does also contain the date 20th November 1844.

2. I further beg to state that the office copies of the annual returns for 1886 and 1887 show the dates of appointment on salaries Rs 30 and Rs 17-8-0 as 29th April 1873 and 6th February 1886 respectively, and not 27th April 1873 and 6th Feb: 1886 as given in your honor's order under reference.

Sir,

In reply to your letter dated 22nd February 1897, herewith returned as requested, I have the honor to state that the establishment of the Act school, Gajapatinagaram could not have found a place in the Audit registers of the Accountant General, as the salaries of teachers employed in Act schools were not, as I already stated in my letter No. 29/13.1.1897 to the Treasury Officer, Vizagapatam, 0. wholly paid from General Revenues. For the same reason, no Government Order sanctioning the establishment can be expected to exist. Act schools were not Government 6 schools, though they were under the control of the officers of the Department. The salaries of the teachers were paid, as has been stated, partly from General Revenues and partly from a fund raised for the 11. purpose and deposited in the Government Treasuries. In fact, the service in those schools is not pensionable 10 as a matter of course, but as the conditions of Article 393 6 of the Civil Service Regulations are satisfied, it must, I think, count for pension. The application for pension may be submitted to Government with 9. a recommendation that the service in the Act school be allowed.
