If the officer applying for pension is sixty years old or upwards, no certificate by a medical officer is necessary; it suffices for the head of the office to certify to the incapacity of the applicant, otherwise incapacity for service must be established by a medical certificate attested as follows:—

9. If he is serving at or near the capital town of a province, by the surgeon-general or deputy surgeon-general of the province, or by a medical committee over which the surgeon-general or deputy surgeon-general should, when practicable, preside.

10 If he is a superior officer and is serving in the interior of the country under such circumstances that, in the opinion of the government, he can be conveniently required to appear before a medical invaliding committee—by such committee.

11. In other cases, the government may either accept a certificate given by a single commissioned medical officer or medical officer in charge of a civil station, or assemble a special invaliding committee at a convenient civil station. If the pension applied for exceeds Rs. 100 a month, a certificate by a single medical officer should not be accepted as sufficient, if it is possible without undue inconvenience, to assemble an invaliding committee or to cause the applicant to appear before the surgeon-general, Indian medical department, or the standing medical committee at the presidency.

12. In no case shall a medical certificate of incapacity for service be granted, unless the applicant produce a letter from the head of his office or his department, to show that the latter is aware of his intention to appear before the medical officer.

No. 25 S.

dated 15th April 1875

From

D. Marshall Esqr.
Executive Engineer -
Godavery Western Division

To

The Superintending Engineer

Sir,

I have the honor to forward herewith the gratuity application of Abdul Karim Delta lascar together with the Certificate produced by him in support of his incapacity for further service.

2 - - The man was transferred from permanent Divisional lascar's post on Rs7/. to temporary lascars post on the same pay on 1st February 1878 and held the latter appointment for four months when he was appointed to act as lock lascar on Rs6/. for a month. He was appointed as permanent Weir lascar on Rs6/. on 1st July 1878 and his service previous to this date does not, in my opinion, qualify for gratuity as there is nothing on record to shew that he was allowed a lien on his previous substantive appointment viz. Divisional lascar.

3 - - No entry was made in Column 3 of the Service Book "Substantive appointment if the new appointment be acting only" and on the other hand it was shewn that the transfer from permanent to temporary Establishment had been effected at the own request of the lascar, but this is now denied by him (please see his No. 9 of 9th April 1897 herewith) apparently to strengthen his claim for gratuity of 6 months instead of 5 months.

4 - - I regret I cannot accept his statement in the absence of documentary evidence which he is unable to produce. He states that he submitted the papers to the Divisional Office in answer to No. 274 of 27th September 1888. but there are no receipt registers on record previous to 22nd October 1888. Even granting that they were received, they must have been unfavourable to him as the words "at own request" were.

were written in red ink in Column 11 when the service to end of November 1888 was verified under the signature of W. C. DeMorgan Esquire. Executive Engineer.

5 - - Under the Circumstances, the service from 1st March 1870 to 30th June 1878 has been treated by me as non-qualifying and entered in the application accordingly in the Column "period not reckoned as Service"

6 - - In this connection, I would bring to notice that under the terms of G. O. No. 840 W dated 28th March 93, the lascar should have been brought on the Work Establishment from 16th April 1893 as he had then a service of less than 20 years excluding the period which he had forfeited under the rules.

7 - - It is, however, too late to rectify the error made in 1893 and subject to the requisite sanction of Government, he has been allowed the benefit of permanent service from the date on which the G. O quoted supra came into operation viz 16th April 1893.

8 - - The delay in submission of the application for gratuity is partly due to the reference made to the Delta lascar & partly due to the records of the previous years having been searched for finding out the cause of transfer from permanent to temporary Establishment on 1st February 1878 and subsequently for giving him a post of Rs 6/- whilst he previously held a post of Rs 7/-.

9 - - No orders have however been found on the subject and I send the application to you for transmission to the Examiner Public Works Accounts with your views.

I have the honor to be, &ca
