CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant was granted Privilege Leave from 18 March to 10 May 1896 on the expiry of which he retired from the service without joining his appointment. He drew no allowances during his absence on that leave. In the case of Muhammad Jabbar Sahib, who retired under similar circumstances, the Government, in its order No 195 dated 22 February 1887, decided to treat his absence from the date on which he availed himself of the Privilege leave up to the date of the Medical certificate declaring him to be incapacitated for further service, as leave on Medical certificate, and granted him a pension with effect from the date of the Medical certificate. But in the case of Shunmugam Mudali, disposed of in Government Order No 1006 dated 26 August 1895, the Government held that the pension should be made payable with effect from the date on which he proceeded on Privilege leave. It is for Government to determine which of the two courses should be adopted in the present case. In either case the applicant should forfeit his claim to reckon towards pension the period of his absence on Privilege leave. In this view, the applicant's qualifying service in superior grades will amount to 11 years 10 months and 17 days, and will render him eligible for an Invalid pension not exceeding Rs 5-4-9 per mensem equal to 11/60 of his average Emoluments under Articles 485 and 518 (b) of the civil Service Regulations. The above remarks account for the difference between the amount of pension certified to be admissible to him and the amount proposed by the Registrar on the 1 page of the application.

With reference to Article 1013 of the Regulations, the Inspector General of Registration at first recommended in paragraph 6 of his letter No 2092 dated 12 September 1896, Enclosed, that any pension that may be sanctioned to the applicant should be made payable to him with effect from the 31 July 1896, the date on which he (applicant) intimated his intention to retire. But he now recommends that effect should be given to the grant from 11 May 1896, the date of the Medical certificate. Vide his Proceedings No 2517 dated 19 November 1896.

The delay in the submission of this application is explained by the Inspector General in his letter quoted above.

In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

To
The Accountant-General,

Dated Madras, 12th September 1896.

Sir,

I have the honor to forward, for transmission to Government, an application for a pension of Rs 6-8-9, from Aripirala Rama Rao, the late Head Clerk of the District Registrar's office, Vizagapatam, who was invalided by the District Medical Officer, on the 11th May 1896.

2. The delay in the submission of the application is due to the following causes:—

(1). The clerk, who appeared before the District Surgeon, in order to obtain a medical certificate, in support of his application for sick leave, was, unexpectedly, invalided by that officer. There was, in consequence, no opportunity for making the preliminary verification, referred to in Article 988 the Civil Service Regulations, in time

PENSION DEPARTMENT.

2

(2). The retired clerk applied on the 6th June 1896, for permission to appeal, to the Medical Board, against the certificate of the District Medical officer. This was granted, but, instead of making the appeal, the clerk expressed, on the 31st July 1896, his desire to retire.

(3). The formal application, which was received from the Registrar on the 13th August 1896, was returned for correction, and the revised application was received in this office only on the 7th instant.

3. The District Registrar also states, in explanation of the delay, that the preliminary statement of his services was sent by the clerk only on the 6th August. The Registrar should himself have prepared the application and the statements of services, and thus obviated the delay to a great extent.

4. I have the honor to bring to your notice the irregular grant of privilege leave to the clerk on the 6th June 1887, and to state that the officer, who granted the leave is M.R.Ry. G. Vasudeva Sastri, the present Registrar of Nellore, who has been called upon for explanation. The leave allowances, drawn by the clerk, during the period, was Rs 5-8-0.

5. The pension application, the applicant's the medical certificate invaliding him, his last pay certificate and a memorandum showing the method adopted for the calculation of his average emoluments are enclosed.

6. I beg to recommend that, under article 1013 of the Civil Service Regulations, the pension may take effect from the 31st July, the date on which the clerk finally intimated his intention to retire.

I have the honor to be,
Sir,
your most obedient servant

Proceedings of the Inspector-General.

Read the following letter from the Registrar of Vizagapatam, dated 14th November 1896, No. 1949:—

With reference to your endorsement, M. No. 923, dated 10th instant, I have the honor to submit that the applicant A. Rama Rao was granted privilege leave from 18th March 1896, and as he did not return from that leave, he did not draw any pay or allowance for the period of his leave. As he drew pay up to the 17th March, that date is entered in the last pay certificate.

2. With regard to para 3 of the Accountant-General's letter, I beg to state that the applicant was not permitted to retire by me or by any one else. He was first granted privilege leave for 25 days and at the expiry of that period, he appears to have fallen ill, sent a medical certificate not countersigned by the District Surgeon, and when I refused to accept it, he appeared before the District Surgeon of his own accord to get a medical certificate to enable him to apply for additional leave. The District Surgeon declared him to be permanently unfit for public service. Thereupon, he applied to me to grant him extension of privilege leave up to the date on which he was declared unfit for public service, and as he was eligible for the same, I granted it. If he is granted leave on medical certificate, instead of privilege leave, his service will fall short of 12 years by a few months. Such leave cannot be granted, as he has not produced

a certificate of ill health for the period of his absence (Vide article 903, Civil Service Regulations).

3. I enclose herewith copy of the memo referred to by the District Surgeon in his medical certificate.

4. From that it will appear that I only refused to accept a medical certificate of ill-health, not countersigned by him under the above article. I did not write any letters to the District Surgeon to examine him. The enclosures are herewith resubmitted.

Madras.

Forwarded with all the papers to the Accountant-General, with reference to his letter, No. A.D.K. 394 dated 5th November 1896.

2. As the applicant for pension was compelled to retire, the date of his retirement should be taken to be the same as the date of the medical certificate invaliding him, viz, 11th May 1896.
