362 Pension 8/14-5-96. The Acett. Genl. reported that the Insp. Genl. of Police might be empowered to grant pensions to Police Officers on pay not exceeding Rs. 20 per mensem in cases falling within the strict letter of the ruling in Art. 1001 of the C.S.R., but that in a case where any apparent objection to the grant of a retiring allowance existed or in a case where the full amount of pension admissible under the rules could not be granted to an officer owing to his unsatisfactory conduct & character, the pension or gratuity application should continue to be submitted to Government through him. The Acett. Genl. letter was communicated to the Inspector General of Police & he was empowered to sanction pensions only in list cases under art 1001, C.S.R.

SUBJECT.

Forwarding a copy of a letter from the Govt. of India regarding the delegation of powers to the Inspector General of Police & suggesting a similar course by the local Govt.

In G.O. 217 Pension, 8/16-3-97, the

C 26/5/97

power to grant pensions admissible under the strict letter of the Regulations to Revenue & Forest Subordinates drawing Rs. 20 a month and less was extended to the Board of Revenue in the three Departments.

Reference is respectfully solicited to the concluding portion of para 2 of letter to the Govt. of India No 1017 Pension of 26 Oct. 1896 which runs thus:-

"It will be necessary that pension or gratuity applications should continue to be submitted to Govt. in cases where any apparent objection to the grant of a retiring allowance exists or where the full amount of pension admissible under the rules cannot be granted to an officer owing to his unsatisfactory character and conduct."

The Acctt. General now points out that the Insp. Genl. of Police, Hyderabad, has been given the power to grant reduced pensions, and requests that the same power may be extended to both the Insp. Genl. of Police Madras, and the Board of Revenue.

Orders solicited.

It is submitted that these classes had better continue to come up to Govt. (1) They take little time & less trouble (2) If the power is to be delegated to the Bd & Lg. India will

presumably have to be addressed with reference to their words "our word" (3) If the power is delegated, Govt. will be pestered with appeals from the decisions of the Lg. & the Bd.
