To

His Excellency the Governor in Council
through the Secretary to Government

THE HUMBLE PETITION OF A. SATAGOPA CHARIAR,
LATE STORE KEEPER OF THE MADRAS SURVEY
DEPARTMENT

MOST RESPECTFULLY SHOWETH,

- I. That he joined the Government service in the Madras Survey Department in 1879.
- II. That he was discharged on reduction of establishment in April 1895.
- III. That at the time of his discharge his pay was Rs. 100 per mensem and the average for 5 years preceding the date of discharge was Rs. 100 per mensem and that he was recommended to a compensation pension of Rs. 25 per mensem, for his qualifying superior service of 15 years and odd.
- IV. That this pension is $\frac{1}{3}$ of his average emoluments and has been calculated under Article 518 (b) C. S. R.
- V. That the said rules of pension were introduced in 1888 i. e. 9 years after he had entered the Government service.
- VI. That the rules in force at the time when he entered the Government service are contained in Civil Pension Code 4th "edition" according to which he would have been eligible for a pension of Rs. 33-5-4 being $\frac{1}{3}$ of his average emoluments for his qualifying superior service of 15 years and odd.
- VII. Your Excellency's humble petitioner most respectfully prays that your Excellency in Council will be graciously pleased to grant him the enhanced rate of pension viz. Rs. 33-5-4 under old rules for the following among other reasons.
 1. That the pension of Rs. 33-5-4 per mensem is the pension your petitioner would have been eligible for according to the rules in force at the time he entered the Government service.
 2. In the report of Civil Service Committee held in London in 1890 the Chairman Sir John Gorst, Under Secretary of State of India said that the rules would not have retrospective effect where they acted prejudicially upon the interest of Government servants.

3. In the notification of the Government of India based upon the deliberations and report of the said Uncovenanted Civil Service Committee published at page 1236 of Fort St. George Gazette dated 15th December 1891 it is provided that if any case of apparent hardship arises the Local Government should understand that when the officer applies to retire they are not precluded from examining into its merits and ascertaining whether, in their opinion, he has substantially suffered by the introduction of a rule not in force at the time he entered the service. If after comparing the advantages secured to the officer by the altered rules with any disadvantages incidentally involved they find that he has on the whole suffered, the point may be taken into consideration in determining whether some compensation ought not to be granted in the particular instance.

VIII. Your Excellency's petitioner begs to add that neither did he select to retire voluntarily nor was he discharged on account of physical incapacity, but he was thrown out of employment on reduction of establishment and was thus debarred from earning an enhanced rate of pension.

IX. A reduction of Rs. 8-5-4 in his pension is a great hardship to your petitioner which he humbly prays that Your Excellency will redress under the un-mistakable pledge given by the Secretary of State in the notification quoted above.

For which act of kindness Your Excellency's petitioner shall ever feel grateful.

He begs to remain

Your Excellency's most obedient servant,

A. Saragopathamir
