The irregular leave was granted so late as Sept 96 & the amt irregularly drawn is Rs 29-2-8. In the cases quoted the chief reason for foregoing the recovery seems to have been that a long time had elapsed without the irregularity being discovered. This consideration does not apply here. On the other hand it may be said that the ~~leave was~~ irregularity was the fault of the man's superiors who apparently knew when they granted him such leave that he was over 55. It seems hard that he should lose (for he could have had his pension) for no fault of his. The recovery is within the discretion of Govt to enforce or forego

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Should Govt. be pleased to commute under Article 464 of the Civil Service Regulations the period of applicant's absence without leave for 4 days in June '80 into leave without allowances.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in ~~inferior or~~ superior grades ~~has~~ will been duly proved for 22 — years 4 months & 21 days; and that an Invalid (pension ~~or gratuity~~) not exceeding Rs. 5-8-0 per mensem equal to 22/60 average emoluments, is admissible under Articles 485 & 518(b) of the Civil Service Regulations, 2nd Edition. The calculations have been duly verified. ~~The (pension or gratuity) is chargeable to (here specify whether to General Revenues, or to what Fund).~~

2. It is observed from the remark opposite to No. 2 in the 3rd page of the application that the character and past conduct of the applicant have not been thoroughly satisfactory. It rests, therefore, with Government to make such reduction in the amount of Pension that may be sanctioned to him as it may deem proper with reference to Article 514(b) of the Regulations.

3. The applicant was not entitled to the sick leave granted to him in September 1896, as he was more than 55 years old at the time (Vide Article 377 of the Civil Service Regulations). The grant of the leave was therefore irregular and it rests with Government to decide whether or not the leave allowances irregularly drawn by him and amounting to Rs 29-2-8 should be recovered from the arrears of pension that may be sanctioned to him.

4. In this case the applicant was above 55 years of age. Although the Head of Office was competent to retire him on the ground of Superannuation, he did not do so, but sent the applicant for examination to the Civil Surgeon at Tellicherry, who declared the applicant to be unfit for further service in consequence of "Paralysis". In its letter No. 3466 P dated 12th August '96, the Government of India ruled that an Invalid or a Retiring pension can be granted to an Officer in Superior service, who retires after the age of 55 years, if he has ~~forfeited~~ fulfilled the conditions necessary to render him eligible for such a pension. The pension admissible to the applicant has not been reduced under Article 521 (a) of the Civil Service Regulations, as his incapacity has not been certified to be due to old age or natural decay from advancing years.

5. The delay in the submission of this application is explained by the District Munsif of Payoli in his letter No: 83 dated 5th March 1897 to the District Judge of North Malabar accompanying.

Order

The Decree-holder does not ask for the nada or a part of the Paramba east of it. The resistance offered by Kelappa adiyoti was only in regard to to the latter. He denies that he offered resistance in regard to any part of the land; and if only the Amin had endeavoured to discharge his duty properly, the present enquiry and the consequent trouble and expense to the parties could have been avoided. He does not even say in his report under whom the other obstructor stated he held the land. The latter has not even appeared, and both the Decree-holder and Adiyoti agree in saying that he is not in possession and that he is the 1st Defendant's son. The 1st Defendant is a Marumakkatayam man.

Sir,

With reference to your letters Nos 32 and 37 dated 19th and 26th Instants respectively, I have the honor to inform you that the Proceedings of the suspension of Amin Manjan Raman nambiyar is not now forthcoming. It would appear from the acquittance Roll that he was under suspension from 18th September till 22nd October 1880 and that he joined his duty on the 23rd October. No other record is available for reference on the point.

As regards his leave, it would appear from the acquittance Roll that the savings on account of the amin's absence on leave in June 1880 were Rupees 1-9-7, but the acquittance Roll does not show from what to what date the savings belong. The amin does not seem to have taken any leave in November 1879 as he drew his full pay for that month, but it appears that he has taken 2 days leave on loss of pay, i.e 4th & 5th October 1879.

The reason for my suspension by the Court of the District Munsiff of Badagara from the 18th September to 22nd October 1880 was that in the case of an attachment of moveable properties directed to be made by me in the house of a blacksmith, the claimant presented a petition to the Court stating that there were other properties in the house that could be attached other than those that were actually — attached by me.

5 The application was returned by the District Court with the memo No 94 above mentioned for want of the particulars therein mentioned which was received here on the 13th Ultimo.

6. On the receipt of the memo the applicant Raman nambyar was at once directed by an order of this Court to produce a medical certificate in proper form under article 491 C. S. R. and he in reply submitted a report on the 14th idem stating that he could not appear before the civil Surgeon owing to serious illness and I consequently requested the Civil Surgeon Tellicherry by my letter No 60 dated the 15th idem to furnish me with a certificate in proper form in the place of the one originally granted by him. That Officer in reply required the appearance before him of the amin Raman nambyar to give him the necessary informations to complete the certificate.

7. I then reported the facts to the District Court by letter No 66 dated 17th Ultimo requesting instructions as to how to proceed in the matter. The District Court then directed this Court by memo No 113 dated 19th idem to return the original certificate which was sent to this Court with the memo No 94 aforesaid and the certificate was accordingly submitted to the District Court with letter No 70 dated 20th February. No order was afterwards received from the District court regarding what should be done

8. I therefore waited till today when I received the Memo No 126 dated 4th Instant, to resubmit the application. The circumstances above stated are I submit the cause of the delay in resubmitting the application and for not submitting the medical certificate in proper form.

9. The last pay certificate is also herewith submitted.

10 The other particulars required by the memo have been made good in the application and the Service register.

3. The applicant was not entitled to sick leave granted to him in Septr 1896, when he was over 55 years. (Vide article 377 of the Civil Service Regulations.

The

he grant of the leave was therefore irregular and attention is drawn to No. 6(e) of the printed memo of instructions from this office.

In resubmitting the application for pension received from the District Court with memo No 163 dated 26th ultimo, with the enclosures noted in the margin, of A. M. Raman Nambyar a retired Amin of this Court for want of the information noted in the margin of the Accountant-General's letter No $\frac{A.DK}{546}$ dated 20th ultimo, I have the honor to state as follows:

1. As regards the first point the records from which the applicant's services were verified are now shown in the column "How verified" in the 2nd page of the application.

2. As regards the 2nd point the revised medical certificate is herein enclosed. No reduction has been made in the applicant's pension under article 521 of the C. S. R. as the certificate does not show that the incapacity is due to old age or natural decay from advancing years.

3. As regards the 3rd point I beg to submit that the leave in question was recommended by me and that I regret that the fact that sick leave could not be granted, the applicant being over 55 years of age escaped my notice. The leave allowance paid is Rs 29-2-8 and I beg leave to submit that it shall be refunded on being permitted to do so.

4. As regards the points 4, 5 and 6, the enclosed letter No 17 dated 8th Instant of the District Munsiff of Panoor shows that the date of first appointment shown in the annual return for 1884 viz 1st August 1873 is wrong and that the correct date is 16th August 1873 as shown in the Service Register, letter No 134 dated 31st March 1897 of the District Munsiff of Badagara shows that there is no objection in commuting the applicant's absence without leave for 4 days in June 1880, into leave without allowance, and letter No 16 dated 2nd Instant of the District Munsiff of Panoor shows that the annual Return for 1889 is not correct as that return was made before sanction was received for the new scale of the Process Establishment giving retrospective effect from 1st April 1889

5. And as regards the 7th point the amin was continuously on sick leave from 14th September 1896 to 10th January 1897 inclusive. He did not render service for any day during this period. The entries in the Service register were made as they stand, as in letter No 33 dated 19th January 1897, sent from this court to the District Court for sanction for extension of sick leave to 10th January 1897, the period from 14th September till 14th December 1896 was treated as three months.
