His service since was continuous till his retirement on the 30th Sept 1896
The Examiner certifies that the applict's qualifying superior service in all amounts to 22 years, 11 months & 12 days entitling him to a pension of Rs 10-4-2. p.m.
He also certifies that should Govt be pleased to treat as qualifying the applicant's service from 1-6-67 to 4-5-69 under art: 463 (c) C.S.R & to condone the deficiency of 1 month & 14 days, the applicant's qualifying service will amount to 25 years, entitling him to a pension of Rs $\frac{14.\ 5.\ 7}{\cancel{10}\ 4\ 2}$ p.m.
D

The Examiner also states that there is no record to show that the applicant's transfer to a tempy post on 5-5-69 was made by competent authority, & further he subsequently held tempy appointments not in one range but in diff t ranges.
So he does not seem entitled to the benefit of art: 463 (c) C.S.R.

If the deficiency of 18 days required to complete 23 years service be condoned under art: 465 A C.S.R the applicant will be entitled to a pension of Rs 10-11-8 p.m., against

Submitted that this may be done in view of the fact that the applicant's conduct is recorded as good & that his total service, qualifying & non qualifying amounts to some 34 years.

The rate of pay viz 25 per mensem has been shown in column 3 of the application for the period from February 1873 to May 1877 as entered in the Service book but from the copies of salary bills it is apparent that the applicant drew salary at the rate of Rs. 19-8-0 only per mensem during the period in question. The rate of salary entered in the Service book for the period seems to be incorrect. This inaccuracy may also be verified from the audit registers and the necessary corrections made in the Examiner's Office.

General Remarks.

The cause of the applicant's inefficiency is given in Chief Engineer's P.W.D. memo quoted above.

2 – – – – The reason of the applicant's reduction from Rs 40/- to 20/- from 12th October 88 is noted against item 2 on page 3 of pension application, Vide also Superintending Engineer's No 1650 G.D. dated 13th September 88 and extract of para 6 of Godavery Western Division Officer's No 2976 dated 1st August 88 (copies attached.)

3 – – – – The privilege leave granted to the applicant from 18th November 74 to 18th February 75 forenoon was inadmissible, a period of 33 months not having elapsed since return from leave on Medical Certificate on 26th July 1874. It is for Government to decide whether or not the leave allowances irregularly drawn amounting to Rs 59-4-7 should be recovered from the applicant from any retiring allowance that may be sanctioned to him.

4 – – – – As the applicant's qualifying service began from 1st October 1872 (i.e. after the 20th January 71 and after he attained the age of 30 years) the amount of pension viz. Rs 10-8-4 admissible to him for a qualifying superior service of 22 years 11 months and 12 days has been reduced with reference to Civil Service Regulation Article 521 (a) by

Dated 20th November 1896.

Sir,

With reference to your Endorsement No 1667 G. D dated 12th inst; I have the honour to furnish the following information regarding the three points observed by the Examiner P. W. Accounts in the pension application and Service Book of G. H. Venkataramayya Clerk IV Class 3rd grade.

1 - - In the Service of the Clerk as overseer's Writer from 15th May 69 to 30th September 7[illegible]. a portion, viz: 15th May 69 to 30th September 69 only was verified from the records of the Godavery Eastern Division vide enclosure No 12, and the remaining period not having been verified from the existing records, Contemporary Statements enclosures 3, 4 & 5 were produced in which it was stated that the clerk was in continuous permanent employment during the period in question and he (the clerk) also declared to the same effect in his affidavit vide enclosure 2.

Besides these, there are no other records from wh the question, whether the period of Service under referen is permanent or temporary, can be decided by this

offi

The order of appointment to the post enclosure No 7 does not mention that the post is temporary. As the audit registers of the Examiners Office, however, show that the service is temporary the question may be left to the Examiners disposal. Pending the settlement of this point, the totals have only been corrected in pencil.
