NOTES.

1. Throughout this form, when not otherwise, stated all references are to the Civil Service Regulations.

2. This form is to be used only for applications for pensions or gratuities of the following classes namely, Compensation, Invalid, Superannuation and Retiring, see Notes on page 2.

3. Applications for extraordinary pension or gratuity to the families of men killed in the execution of their duty (781) and also in the case of servants who, being temporarily or casually employed or for any other reason, are not qualified for ordinary pensions, applications for pension or gratuity to men injured in the execution of their duty, should be submitted in the form prescribed in article 798.

4. Except in the case of *inferior servants* retiring on an invalid pension or gratuity, the final application for pension or gratuity may not be submitted until the applicant is finally relieved, and when final relief precedes submission of application it should always be accompanied by a last pay certificate [990].

5. Instructions regarding the preparation of the application in the case of an officer for whom a service book is kept will be found in note 2 on page———. An officer for whom at the time of retirement, a Leave and Service Register is kept by the Examiner should apply to the latter who will fill up the form for him as far as possible or otherwise furnish him with the required information.

6. The service of an inferior servant appointed after the 1st April 1880 and after he attained the age of 40 years does not qualify for pension or gratuity of any kind [392]. It is therefore useless to submit any application for such an officer.

7. Any information whatever required in connection with the application, if not specifically provided for elsewhere, should be given on page 3 under "any other remarks." No covering letter is required and none should be sent; a mere covering letter is useless and if it contains any information, the information is in the wrong place.

8. On page 3 against "any other remarks" the head of office should notice or explain such of the following points as may be applicable to the case, namely:—

(*a*) Cause of inefficiency, if retirement is compulsory under 503 (*a*).

(*b*) Whether retirement is voluntary or not [508].

(*c*) Explanation of any neglect which may necessitate grant of gratuity in lieu of notice [478].

(*d*) Special explanation (by head of office) when an officer is invalided for general debility without specific disease [487 (*b*) and (*c*)].

(*e*) Retention in active service after medical certificate of incapacity [499] but see exception in 500.

(*f*) Reason for invaliding an officer who has nearly completed 30 years' service [527].

(*g*) Explanation of officer's retirement before date of medical certificate of incapacity [991 (*c*)].
