From
THE ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To
THE Collector of
South Canara.

Attention is drawn to Nos 1 and 2 of the revised printed Memo. of Instructions from this office. with reference to the applicants Service for August 1867 which, it is stated in the service book, cannot be verified from office records.

2. The applicants total Inferior and Superior services should be distinctly shewn on the 2d page of the application. It is observed that the period marked (a) cannot be treated as Superior as it appears that the appointment in which he acted was not fully vacant. Attention is also invited to No 39 of the revised printed memo of Instructions from this office with reference to the applicants acting service marked (b).

3. In the audit Register for 1868 the applicants name is not traceable.

SIR,

I have the honour to inform you that the application for $\frac{\text{pension}}{\text{gratuity}}$ of Joseph Miguel D'Souza, late Dy: Ranger 1 class in the Forest Department of your Dt is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Chief Superintendent.

The omission should be explained.

4. In some of the Audit Registers the applicant's name is shewn as Jon Manuel D'Souza. Information is requested as to whether this name refers to one and the same person.

5. In the Annual Return for 83 the date of the applicant's appointment is shewn as 1-4-83 while this date does not appear on the 2 page of the application. The discrepancy should be explained.

1. Affidavit was not submitted as the service has since been verified by a reference to the Accountant General's Office (vide your No. I.A.E/348 dated 24th October 1895 in reply to this office Current No. 997/Fr of 1895-96 dated 9th October 1895.

2. Periods of inferior service have been marked (d). The total under each is given on the 1st page.

Period marked (a) As Article 406 of the Civil Service Regulations says "an officer officiating in an appointment, the permanent incumbent of which does not count service, may count his officiating service" the applicant was supposed to count service in that appointment. If this is not correct, the period may be deducted from the total superior service and added to inferior.

Acting Service marked (b) The appointment was fully vacant and none other counted service during the period.

3. It is not possible to Explain this.

4. Presumably so, as there does not appear to have been another Gumasta under the initials "J. M".

5. The date shown in the Return for 1883 was a mistake which was subsequently rectified (vide Return for 1887).
