III.—*Retirement on Invalid Pension or Gratuity.*

8. If the officer applying for pension is sixty years old or upwards, no certificate by a medical officer is necessary; it suffices for the head of the office to certify to the incapacity of the applicant, otherwise incapacity for service must be established by a medical certificate attested as follows:—

9. If he is serving at or near the capital town of a province, by the surgeon-general or deputy surgeon-general of the province, or by a medical committee over which the surgeon-general or deputy surgeon-general should, when practicable, preside.

10 If he is a superior officer and is serving in the interior of the country under such circumstances that, in the opinion of the government, he can be conveniently required to appear before a medical invaliding committee—by such committee.

11. In other cases, the government may either accept a certificate given by a single commissioned medical officer or medical officer in charge of a civil station, or assemble a special invaliding committee at a convenient civil station. If the pension applied for exceeds Rs. 100 a month, a certificate by a single medical officer should not be accepted as sufficient, if it is possible without undue inconvenience, to assemble an invaliding committee or to cause the applicant to ppear before the surgeon-general, Indian medical rtment, or the standing medical committee at presidency.

12. In no case shall a medical certificate of incacity for service be granted, unless the applicant roduce a letter from the head of his office or his department, to show that the latter is aware of his intention to appear before the medical officer.

REVENUE DEPT.

To

HIS EXCELLENCY SIR ARTHUR ELIBANK HAVELOCK,
G.C.M.G., G.C.I.E.,
Governor of Madras in Council,
OOTACAMUND.

THE HUMBLE PETITION OF ALEXANDER McDONALD, ASSISTANT OVERSEER, IN THE GOVERNMENT CHINCHONA DEPARTMENT, NILGIRIS.

Humbly sheweth :—

That your Petitioner deeming the present time of Her Most Gracious Majesty, the Queen Empress' Diamond Jubille a most propitious moment, begs to lay his case before Your Excellency in Council, in the hope that it will receive favourable consideration.

That your Petitioner first entered the service of Government in the Chinchona Department at Neduvatam in the year 1866, under the late Messrs. W. G. McIvor and Charles Dawson, and remained in serivce without a break or black mark against him until the year 1882 having thus continuously served for a period of sixteen years.

That in May 1882, your Petitioner, to his misfortune, fell into bad company at Neduvatam, consequent on the influx there of many employees in the Jail and Public Works Departments, who were sent out with the Subsidiary Jail then established there. Your Petitioner fell into intemperate habits, which ended with his dismissal in June 1882.

That your Petitioner thus lost sixteen years sevice for the sole reason of his imprudence which he now regrets. He committed no crime and during the above period, had on many occasions been in full charge as Head Overseer of the Pykara and Wood Estates.

That at the end of 1884, the late Mr. M. A. Lawson temporarily engaged your Petitioner to supervise the opening out of Government house grounds for a period of some nine months and your Petitioner gave such satisfaction, that in May 1885, the Director *re-instated him in his old appointment* as Assistant Overseer Chinchona Department. Mr. Lawson thus wrote of your Petitioner :—“ Mr. McDonald was formerly engaged in the Government Chinchona Plantations as an “ Assistant Overseer, but was dismissed the service for intemperance on the 9th “ June 1882. Since then, however, he has retrieved his character, for, during the “ last eight months in which he has worked under me in the Gardens, he has certainly behaved extremely well and carried out the duties entrusted to him to my “ entire satisfaction. I request that you will be good enough to obtain the sanction “ of Government to his *re-establishment.*” (G. O. No. 2427 dated 12th May 1885, R. D.)

That your Petitioner has now put in a further service to date of 12 years making in all 28 years with a break of 2½ years. That your Petitioner is now nearly 51 years of age and will 4 years hence come under the 55 years ruling, when his second service will only amount to 16 years against 32 years actually served.

That your petitioner has a very large family of ten children. He is a member of the Local Volunteer Corps which he joined at the time the corps was first formed in 1878 and thus has 19 years of Volunteer Service, as can be vouched for by the corps books.

Your petitioner therefore prays that your honorable Government in consideration of his long and faithful service to the Government and having re-established him in his present employment will be pleased to take his case into consideration (in this distinguished year of grace) and sanction the adding on to his second service of the sixteen years put in by him in the same department as detailed above, or at least to permit the adjunct to his second serevice of a sufficient number of years, to enable him to retire on full pension at the age of 55 or sooner, should it become compulsory through any accident or other circumstance.

That your petitioner begs to submit this petition through his superior officers with their remarks—which he presumes will be favourable and meet with your Honorable Government's kindest consideration.

That your petitioner is aware of Article 995 of the Civil Service Regulations, but respectfully submits this, his petition, under Section 1004 and with the sure hope that it will be specially dealt with, with that noble and generous spirit, with which the Government are striving to mark this unprecedented reign of Her Majesty Queen Victoria.

[illegible]
in the case

For which act of kindess your petitioner will, as in duty bound, ever pray.

A McDonald

To

The Secretary to Government,

Revenue Department,

Ootacamund.

Sir,

With reference to para 11 of the Petition Rules, published under Government Notification, No. 95 of 16th February 1894, I have the honor to forward a petition submitted by Mr. A. MacDonald, Sub-overseer, Government Cinchona Plantations, Dodabetta, and would point out that its subject matter, viz the question of his retrospective claim to pension, is one which it appears can only be decided when he actually retires from the public Service, under Article 995 Chapter 43 of the Civil Service Regulations;

and

and further that the condonation of the interruption of three years, from 1882 to 1885, which the petitioner craves, is vested in the local Government, under Article 465 Chapter XVII of the Civil Service Regulations, as his pension would be a charge on Provincial Revenues, and would be less than Rs 50.

2. From a letter dated the 10th June 1897, addressed by Mr. MacDonald to his official Superior at Dodabetta, it is understood that he has already submitted a copy of his Memorial direct to Government, under para 10 of the Petition Rules.

Sir,
Your Most Obedient Servant,
