CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant commenced service in an acting appointment as 4th clerk in the office of the Head Assistant Collector, Kistna and held that appointment for 7 months and 9 days, viz from 4th January to 12th August 1866 and was confirmed in it on the 13th August 1866. His acting period of service has been treated as qualifying for pension under Article 406 of the Civil Service Regulations. The applicant's whole service in Superior grades has therefore been proved for 30 years 6 months and 2 days for which a retiring pension not exceeding Rs 35. 15. 11 per mensem equal to 30/60 of his average Emoluments is admissible under Article 509 and 518 (b) of the Civil Service Regulations, 2nd Edition.

2. In the Service History detailed on the 2nd page of the application, the applicant is shown to have enjoyed Privilege leave on two occasions viz from 24th June to 8 July 78 and from 4th April to 3rd June 1879. He was not qualified for Privilege leave on the first occasion because he was not in service uninterruptedly for 11 months from the date of his return to duty from absence on leave on Private affairs, which he enjoyed from 21st June to 16th August 1877. When this is admitted to be irregular, the 2nd privilege leave also would be inadmissible in as much as the period intervening between the two is less than 11 months. In these circumstances it is for Government to determine whether the absentee allowances drawn by the applicant on those two occasions should or should not be recovered from the arrears of pension that may be sanctioned to him.

3. Further the applicant enjoyed three months privilege leave from 18 January to 17 April 1897 and retired from the service at its expiration without returning to duty. The payment to him of the absentee allowance for that period is opposed to Article 296 of the Civil Service Regulations and the irregular payment of the whole amount of absentee allowance should be recovered from the applicant and his retirement should be regarded as having taken effect from 18 January 1897, the date on which he proceeded on Privilege leave.

4. In accordance with rule 3 under Article 994(b) the attention of Government is respectfully solicited to Article 514 of the Regulations.

To

Arzi from Kotamraju Venkata Subbarao
Manager, Munagala Estate (on leave)

Most Honoured Sir.

In obedience to your orders dated 11·2·97 regarding my privilege leave and changing my mind subsequently in applying for pension, I most respectfully beg to explain my reasons as follows.

(1) In my leave application for privilege leave I stated that my health is so much affected that I was unable to do active work at that time. The subsequent state of my health after handing over charge of the Munagala Estate viz 18·1·97 is not better I have changed my mind to retire with a view to take rest as my health does not permit for active work as no medical certificate is necessary as I have completed more than 30 years service.

(2) From the wording of the declaration certificate appended to my leave application under article 819 CSR you will be pleased to observe that the conditions therein referred to will affect me only after my return to duty but not within the period of leave.

(3) Further as I have no intention of returning to duty, I applied for pension though I was on leave under article 987 C.S.R.

Fort St. George,
Accountant-General's Office,

FROM THE ACCOUNTANT-GENERAL
TO THE GOVERNMENT OF MADRAS,

TO ALL HEADS OF OFFICES IN THE

SIR,

In supersession of my office Circular No. XIII, dated the 18th October 1883, I have the honor to issue the following instructions regarding the manner in which contributions should be levied on account of pension and leave allowances due from officers transferred to Foreign Service, and to request that they may be strictly attended to.

2. Foreign Service is of three kinds as defined in Article 802 of the Civil Service Regulations. In the case of an officer transferred to service of the first kind, if the salary of his new appointment is not payable from the British Government Treasury upon a bill subject to the audit of the Civil Accountant-General, he should, with reference to Article 826 of the Regulations, remit the contribution due to the nearest British Government Treasury with a chalan or a letter in Form A or to the like effect, and should forward the Treasury Receipt to my office as soon as he receives it with an endorsement in Form B.

3. In the case of officers or members of clerical establishments, transferred to Foreign Service of the second kind, the responsibility for levying and remitting the contributions to the British Government Treasury rests with the officer or other agent entrusted by Government with the control of the funds or administration of the trust. *Vide* Article 833 of the Civil Service Regulations.

Resolution - dated 30th January 1888 Mis No 570.

Submitted to Government with the request that the transfer, for service in the Devarakota estate, of the six individuals named in the statement be sanctioned.

2. The Board observe that though in the case of the three superior Officers, the amount of pensionary contribution given in the statement is correct, the rate is not so. It should be $14\frac{2}{7}$ percent and not $16\frac{2}{3}$ percent as entered in the heading of Column 9 of the statement. As regards the three inferior Officers, the amount of contribution should have been calculated at the rate of one anna in the rupee of their pay. The gross pay of the two duffadars will be fixed at Rs 8-6-6 each and of the Samutdar at Rs 10-10-8.

Order - dated 23rd February 1888 Mis No 1295 Rev.

The Accountant General will be requested to state whether, with reference to the letter from the Government of India, dated 7th June 1887, No 3012, their sanction should be obtained to the transfers proposed in the present case. The remarks of the Government of India would seem to apply only to service under Zemindars who retain the management of their own estates and not to service under Receiver appointed by a Court. It is observed also that, prior to the receipt of the communication from the Government of India above referred to, the Accountant General had expressed his opinion that service under the Receiver of the Tanjore Palace estate came under the definition of "foreign service"

The Government of India, No 3012, dated 7th June 1887, the sanction of that Government should be obtained to the transfer of certain individuals to service in the Devarakota Estate, I have the honor to state that the remarks contained in the Order quoted above, as observed by Government, apply only to service under Zemindars, who retain the management of their own estates, and not to service under a Receiver appointed by a Court.

* No 6854 dated 26-12-1887

The Government of India* in sanctioning the deputation of Venkatachellum Pantulu Garu, Tahsildar of Guntur, as manager of the Devarakota Zemindari, have shown their willingness to treat his service as foreign service, and there would, therefore, seem to be no objection to the services of the six employes, whom it is now proposed to depute for service in the same estate, being also treated as foreign service, falling under the rules contained in Chapter VII of the Civil Pension Code. Under these circumstances, the sanction [illegible] Government of India to the transfer of these individuals does not seem to me necessary.

applicant's claim to that service.

If the applicant's service from the 4th January to 12th August '66 and from 18th January to 17th April 1897, be, with reference to the above two points, disallowed, his net service will amount to less than 30 years, disqualifying him for a retiring pension for which he has been recommended. Item no. 1 - Under article 842 of the C.S.R. the officer in foreign service is allowed a lien on his Government appointment only for the purposes of reversion.

To

For all other purposes, his locum tenens is a Substantive officer. Further the applicant can count his acting service from 4.11.66 to 12.8.66 under art. 406 of the C.S.R. the permanent incumbent not having drawn any part of the pay of the 4th clerk's post in question.

Item No. 2.- Under art. 891 of the C.S.R. the applicant may be permitted to retire while he is on privilege leave provided he explains the change of his mind to the Satisfaction of his Superior. I am afraid however that this does not render him entitled to pay during privilege leave forfeited under art. 296. In this case I request that the applicant's leave under dispute may be converted retrospectively into leave on private affairs under art. 264 of the C.S.R. The leave

allowances overdrawn from the Estate Funds will be recovered on receipt of orders, Rs 301-13-3 being Privilege leave allowances from 18.1.97 to 17.4.97 less Contribution of Rs 43-1-10 were paid to him.

3. Under the Circumstances stated against item (1) the applicant's qualifying Service comes up to more than 30 years and thus does not necessitate the production of medical certificate of incapability.
