## NOTE FOR THE SECRETARY.

Govt. notices some delay in the  
sending up of a pension  
application by the Municipal  
Chairman of Karnar. He was  
asked to explain & explain  
that the delay was due to  
the service book not being  
written up. The question

then arose as to who was  
responsible for writing up  
the service book in question.  
The L & M Dept. was  
asked & it referred  
to two L & M G.O.s which  
merely communicated  
to Presidents of D.C.B.D. &  
Chairmen of M. Councils  
two pension G.O.s which  
dealt with the necessity  
for keeping service books  
written up. It was pointed  
out in this Dept. that  
these G.O.s did not impose  
the duty of verification  
& writing up a date on  
the Presidents & Chairmen  
& suggested that a G.O.  
should issue accordingly. The

The two go. quoted respectively communicate to the Presidents, Dt. There is nothing in either of them to show on whom the duty of writing up the service books and of verification in the case of L. F. & Municipal Servants devolves.

devolve on the Presidents of the Local Boards and the Chairmen of the Municipal Councils concerned to whom the above quoted go. were communicated for information and guidance.

The establishments in the offices of Local Boards and Municipal Councils not being on any uniform scale, as in Collectors' offices for instance, the question as to the particular Clerk who should be entrusted with this work appears to be one which should be left to the Presidents and Chairmen concerned. There is however no objection to entrust the Treasury Deputy Collector, and the Inspectors of Local Fund Accounts or his Assistants who audit the Municipal accounts, respectively, with the work of annual verification of the service registers of Government servants in Local Fund and Municipal employ.

This is beside the question. The Dept is distinctly asked to devolve on the Presidents of Local Bd & Chairmen of the Councils then if comes they may be left to do it with the assistance at their command.

Sir,

In reply to G.O. No 32 dated 14<sup>th</sup>  
January 1897, asking for explanation as to the  
delay in the submission of the pension application  
of T. Gopalakrishna Aidi, Vaccinator from  
January to August 1896, I have the honor to  
submit, that owing to his service register having  
been very incomplete, the services could not  
be verified easily and after correspondence  
with the District Medical Officer, the Inspector  
of Vaccination, the District Board President  
and the Erode Municipal Chairman, I had

write up a number of entries and had to get  
them verified by the officers concerned. There  
were doubts as to whether portions of his  
service could be calculated towards  
pension and the Inspector of Vaccination  
had to be addressed on the point. The  
application was prepared as early as it  
could possibly be done under these circum-  
stances.
