ORDER THEREON, 2nd *Augt* 1897 No. 587.

Please see para 3 of the A.G.'s report. The applicant's service falls short of 22 years only by 4 months and 22 days. He has also rendered a nonqualifying service of 1 year 4 months & 13 days, being the service rendered before the completion of his 20th year of age. The A.G. certifies that if this deficiency be condoned under art. 465 (A) (2) (a) of the C.S.R., the applicant will be eligible for a pension of Rs 300-11-9 p.m. against Rs 287-1-0 p.m. otherwise admissible. Reference is respectfully solicited to the notes under S.O. $\frac{681}{6-2-97}$ Rev. wherein it was decided that the deficiency should be condoned.

2. The applicant requests that, in consideration of his having been compelled to retire from the service much earlier owing to the abolition of his appointment, he may be granted the maximum amount of pension of Rs 500/- a year. The *Supt. Madras Survey*, in forwarding the application recommends that, if possible, the applicant may be granted a pension of Rs 492-2-6 p.m. being 30% of his average emoluments. The *Acctt. Genl.* however, says that the request cannot be complied with without the previous sanction of the Sec^y of State. vide art. 1005 (a) of the C.S.R.

- Any other remarks. He service claimed is established and should be admitted.
- Specific opinion of Head of Department, whether the service claimed is established and should be admitted or not [See Article 991 (b).] He service claimed is established and should be admitted.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

certified that qualifying service in superior grades has been duly proved for 21 years 7 months and 8 days and that a Compensation Pension not exceeding Rs 207-1-1 per annum equal to 20% average emoluments is admissible under Articles 468 and 506 (a) of the Civil Service Regulations 2nd Edition. The calculations have been duly verified.

2. In consideration of the fact that he was compelled to retire from the service much earlier owing to the abolition of his appointment as Dy. Superintendent of Madras Survey, Mr. Mallick in his letter dated 12 March 1897 addressed to the Superintendent of Madras Survey, requests that he may be granted the maximum amount of pension of Rs 5000 -- a year. The latter officer in submitting that letter along with the Pension application, recommends that if possible Mr. Mallick may be granted a pension of Rs 4921-2-6 per annum being 30% of his average emoluments. The request however cannot be complied with, without the previous sanction of the Secretary of State - vide Article 1005 (a) of the Civil Service Regulations.

3. Mr. Mallick is a reasonable man. Service amount to 21 years 7 months and 8 days. He has also rendered service for a period of 1 year 4 months 13 days prior to 2 May 1872, which is only 4 months and 22 days non-qualifying, being rendered before completing his 20 year of age. Should Government, however, under Article 468 (2) (a), be pleased to consider the decision of the non-qualifying service referred to in the Civil Service Regulations and grant a pension of Rs 3000 per annum to Nos. 4 and 5 in the 3rd page of the application.

5. In accordance with Rule 3 under Article 994 (a), the attention of Government is respectfully solicited to Article 514 of the Regulations.

To the Superintendent,
Madras Survey

Sir - I have the honour to acknowledge receipt of your letter

N^o 442 dated the 12th Feb^y 197 forwarding copy of S. B. N^o 681 Miss. dated the 6th Feb^y 197 & begs to point out that, I think, Govt. have made a mistake as regards the amount of compensation pension I shall be entitled to on the 31st March 197 -

I think my service for pension counts from the 2nd May 1741 (my twentieth birthday) - From that date to the 31st March 197 is a period of 23 years all but about a month. From this has to be deducted 1 year's furlough, so I have not served quite 25 years, which leaves a balance of nearly 22 years service -

Again my rate of pay for the last 5 years of my service has been as follows:

1892	} at Rs 750 a month or Rs 9000 a year = Rs 27,000 for 3 years	7
1893		
1894		
1895	} at Rs 1100 a month or Rs 13,200 a year = Rs 26,400 for 2 years	6
1896		
Total 53,400 for 5 years		57%

an average rate of pay of Rs 10,680 a year -

2.

Govt. state that-I shall have put in 21 years service for pension by the 31st March/97, so

$$\frac{21}{50} \text{ of } 10,680 = R_2 = 3,738$$

* Not Rs 3,427 per annum as mentioned in the B.O., assuming my figures to be correct - I have not included in this total the extra pay I drew for 2 months in /94 when I was acting 1st grade, Rs 4 Supt. -

But as I mentioned in my previous letter I trust that Govt: will be pleased to allow me to draw a compensation pension of \$5000 per annum, as I have lost my appointment through no fault of my own, but owing to its abolition - Had it not been for this I should have continued serving Govt: until I was entitled to my full pension - I would also remind Govt: that my total service from date of entering the Survey Dept: (19th Dec^r /72) will be 24 years.

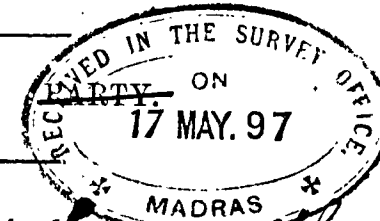

Another point that I should like to mention is that owing to the Supt. Madras Survey, having been granted 3 or 4 years extension of service after he was 55 years of age, I was deprived of my promotion to 1st grade, & the Supt. This was a loss to me in pay of Rs 350 a month or Rs 4,200 a year, & of course, this loss affects my pension very seriously.

From

Through the Accountant General.

REFERENCE.

I have the honour
to forward application for
a compensation pension
to Mr Arthur Maltby
Deputy Superintendent, Madras
Survey, whose appointment
was abolished in G. O. Revenue
No 1584, Miscellaneous, dated
24 March 1897.

2. In addition to the usual

papers, list enclosed, I submit a letter from Mr. Maltby dated 12 March 1897, asking that he may be granted a pension of Rs 5000 per annum.

This request was made apparently under the erroneous impression that his average emoluments during the last 5 years of service were not less than

Rs 10,000 per annum. The correct figures are Rs 9842-5- and the highest possible pension would therefore appear to be only Rs 4921-2-6 per annum.

This is the pension for 25 years of qualifying service. It

should be noted that out of the 3 years 8 months and 4 days deducted from his total length of service, 1 year, 4 months and

13 days was actual service performed before he was 20 years of age. If this actual service be allowed to count for pension, his total qualifying service would be 22 years 11 months and 18 days or very nearly 23 years.

3. Mr. Maltby lost more than 3 months' service in 1877-78 through his being obliged to take sick leave while on famine relief duty. I believe that in similar cases other officers have been granted some increase to their pensionable service.

Mr. Maltby's name is not included in the list of officers to whom certain famine concessions were granted - vide No. 724 of 11.6.83 flagged H.

4. In addition to this short leave in India, Mr. Maltby only took furlough to Europe

twice during the whole of his
service of more than 24 years;
once in January 1883 for one year
and again 12 years later for
11 months and 27 days. But
of these two periods only one
for 11 months and 27 days is
allowed to count for pension.

I beg to recommend that the
Government may be pleased
to grant if possible a pension
of Rs 4921-2-6 per annum being
30 ^{thos} of his average emoluments
during the last 5 years of his
service.

5. I would also request
the reference to Mr. Maltby's letter
of asking for permission to retire
on reduction of establishment.
