His reduction to inferior service in 1887 entails forfeiture of his superior service unless the Local Govt give him the benefit of Art 486 C.S.R. Thus he is only entitled to a six months gratuity unless Govt now gives him the benefit of that Art. Submitted that probably so heavy a punishment was not intended and that he may be given the benefit & allowed to count his superior service, but that some reduction in his pension shd be made.
