Re submitting herewith the application for gratuity of Kotta Silar Saib with the necessary explanation asked for.

Explanation regarding different points asked for in the Accountant General's letter No $\frac{\text{A.D.K}}{145}$, dated the 12th July 1897.

1. Service from 1-1-1880 to 31-3-89. Silar Saib is one of those whose services for certain periods were verified in the Accountant General's office. In the Accountant General's letter No $\frac{\text{I.A.E}}{323}$ dated the 24th January 89 it has been stated that the service of this applicant was verified from the year 1879. Further 2 certificates concerning verification of service of the applicant from January 1880 to 31st March 1890 have been recorded in the Service Register by the District Munsifs who presided over this Court in 1888 and 1890. The 1st of these which refers to the period from January 1880 to 31st July 1888 is at the bottom of page 3 and the other which refers to the period from 1st August 1888

7
7
638

to 31st March 1890 is at the top of page 5. The Services for the period under reference have been verified by referring to Acquittance Rolls and other Records preserved in this Court. Therefore no affidavit and contemporaries' evidence seem to be necessary under No. 1 and 2 of the printed Memo of Instructions.

2. The omission has been supplied.

3(a) The Government in their order No. 1178, dated the 9th August 89 sanctioned the proposition statement regarding the reorganization of the Process Service Estt. According to the scale therein prescribed the salary of the 3rd Class Process Servers was raised from Rs 6 to Rs 6-8-0 per mensem. The High Court, in forwarding a copy of this G. O., directed in their Circular ~~letter~~ No. 2334 dated the 13th September 89 that

the new scale should be brought into force from 1st April of that year. So far as existing officials were concerned in pursuance of this order the arrears of extra pay for April, May, June, July and August 89 were drawn by a supplemental bill. Hence the entry of the date (1st April 89) in Col: 6 of the Service Register as date of appointment to the post of Process Server carrying a salary of Rs 6-8-0 per mensem.

(b) From the 1st page of the Service Register it appears that entries therein were made for the first time on 1st April 1879 and that on that date his age was put down as about 30 years. Accordingly the date of his birth must be either the first part of 1850 or the latter part of 1849. So in the detailed statements from 1880 to 1883 the year of birth was shown as 1849. It further appears that, when the entries made on 1-4-79 were reattested on 1st August 1884, the age of the applicant was shown to be about 35 years and 4 months. According to this, the year of birth must be 1850 and not 1849. Consequently in the detailed statements for 1885 and the following years, the year of birth was shown to be 1850. The entry "1850" in red ink in Col: 6 headed "date of birth" in the first page of the Service Register seems to have been made on 1st August 84 on which date the month of birth was determined.
