should Government be pleased to grant the pension claimed in the application of the applicant on the withdrawal of the pensionary employee (which from the period of service in the office of the applicant in the Revenue branch for 30 years 4 months 26 days, and an interval of 26 days, not exceeding Rs. 52-6-1 per annum - Rs. 518.6) of the Civil Service Regulations. The calculations have been duly verified. The (pension or gratuity) is chargeable to (here specify whether to General Revenues, or to what Fund).

It is also shown from the remark of Article 51 in the 3rd part of the application that the applicant's character and past conduct have not been entirely satisfactory. It rests, therefore with Government to make such reduction in the amount of pension that may be sanctioned to him as it may seem proper with reference to Article 51 (b) of the Regulations.

The delay in the submission of this application is explained by the Collector of Vizagapatnam in para 4 of his letter to Govt. dated 25.4.1977 herein enclosed.

GANDHAM.

On 12 December 1896 this Officer had a severe attack of Cholera at Narasampett from the effects of which he is only now recovering. He is an old man. I would say over 60 years of age and is very shaky. I do not consider that he will ever recover the strength & energy he had previous to his sickness and would recommend him for pension -

I have the honor to submit
herewith for the sanction of Government,
an application for pension on behalf of
Gave. Pattabhiram Pantulu, late Deputy
Tahsildar of Charasamapet. together with the
marginally noted documents.

The Applicant appears to have
entered the Public Service on the 30th March
1862 as a clerk under the Inspector of Schools,
1st Division - Vide extract of his Service
enclosed. From that date to 17.9.67 his
service was verified. But his subsequent

Service from 18.9.67 to 16.3.68 is not borne by any testament though he seems to have served in the Principal Sadar Amin's Court, Vizagapatnam. His services from 17.3.68 only are duly recorded in his service book. Considering the period of his service from 18.9.67 to 16.3.68 an interruption to his prior service, I have classed the whole as non-qualifying. The remaining service does, however, entitle him to the full pension under ordinary rules.

3. From the Service book it appears that the applicant was suspended by the Collector of Vizagapatnam on two occasions, once from 12.1.74 to 11.2.74 and another time from 8.11.81 to 7.2.82. On my requisition he furnished me with a copy of the orders relating to the first occasion but with regard to those on the second occasion he could send me only an extract from the Endorsement Register maintained in his office. He says that the latter orders are not forthcoming in his

his office.

4. The delay in the submission of this application is mainly due to the necessary correspondence with the Board regarding sanction of the applicant's leave from 18.12.96 to the date of retirement. It is to some extent attributable to pressure of work on account of famine.

Sir,

In returning herewith your ADK
dated 17th ultimo with enclosures with the
exception of the Applicant's Medical
Certificate (which was forwarded to the
District Surgeon Ganjam for reference
and for furnishing the information
required in objection not contained in the
ADK above referred to but not received
from that officer as yet) I have the honor
to reply to your objections therein made
seriatim.

1. The information will be furnished together with the Medical Certificate on receipt from the District Surgeon Ganjam who has been reminded on the subject vide this Office letter No 1100 / 97 dated 21st June 1897.
2. The Board's Proceedings dated 12th June 1894 No 248, Land Revenue, accepting the verification Certificates appended at the end of the Service Register by a Treasury Dy Collector was already quoted in Cols 9 and 12 of the 5th page of the Service Register to cover the omission pointed out. It is not understood why the signature

of

of the head of the Office is again called for.

3(a). The correct date of the applicant's appointment as Vernacular clerk on Rs 30 is 26 November 1869 which is duly shown in the 2nd page of the application.

(b). The date of the applicant's appointment as sub Magistrate of Narasamapet on Rs 70 is 22nd September 1892 but the pay of the post was raised to Rs 100 from 1st October 1892 under G. O. No 969 Revenue dated 13th September 1892. Consequently the date 22nd September 1892 in the Annual Return for 1893 only refers to the applicant's appointment to Narasamapet sub magistracy but it does not represent the date from which the applicant was allowed the increased pay of Rs 100 per mensem. Hence there is no necessity for revising the Memo of Calculation of average emoluments.

4. The applicant was not degraded from the Ramagiri sub magistracy on Rs 200 to that at Ganjam on Rs 70 for any fault. He was transferred to the plains on account of his bad

bad health at Ramagiri in the Hills. Collector's Memo RC no 640 dated 18 May 1892 is enclosed. Sug

5. The Applicant's Services from 30th March 1862 to 16th March 1868 have been given in detail in his Service Register and a verified extract of his services from 18th September 1867 to 16th March 1868 received from the Collector of Vizagapatnam is enclosed.

6. The Collector of Vizagapatnam states that the applicant's name is G. Pattabhiramiah alias Pattabhiram and this name is identical with that of the applicant.

Copy of the Vizagapatnam Collector's letter No 1625 of 1897 dated 18th June 1897 is enclosed. acc
