No. 1305 Mis.

For Orders.

In this current the Court of Wards requests the sanction of Govt. for the reemployment of the 8 pensioners noted in the statement appended. The statement shows the names of pensioners, pay drawn before retirement, Pension (class & amount), pay on reemployment and ^{for} ~~total~~ pay and pension present age.

In regard to these pensioners, the Manager, Pittapur Estate, writes as follows:-

All the pensioners employed in the Estate are capable of doing the work required of them in the Estate, and that they have been specially selected on account of their experience and the indirect guarantee which the fact of their being Govt. pensioners would give of their keeping honest. The ordinary run of men who enter Zimindari service do so in hopes of feathering their nests, and if detected have nothing to lose. A Govt. pensioner on the other hand runs the risk of losing his pension, if

Submitted that Govt. has laid down no rules forbidding its retired servants to engage in any private employment. The Court of wards service is Govt. service in no sense and the question whether these particular men are fit ^{for} ~~work~~ of their proposed employment under the Court is, it is submitted a matter for the Court of wards to settle. Govt. in the Pension Dept. has ^{submitted} nothing to say in the matter.

In G.O. No 879 d 21 Sept a revenue inspector was superannuated with a view to his employment under the Court of wards. Govt. merely not only paid him his pension while he was presumably still fit to serve but also lost the pensionary contribution. It wd have got from the Court of wards.

he misconducts himself. The policy of employing pensioners who are still able to work in Estate service is therefor desirable".

The Court of Wards agrees with the Manager that in the interests of the Pittapur Estate the reemployment of the pensioners in question is advisable. The Acctt. Genl. submits the case to Govt. with reference to G.O. 879 Pension, 21-9-96 and says that from an account point of view there is no objection to the sanction being given. In a similar case disposed of in the G.O. quoted above, sanction was given to the reemployment of a Superannuated Revenue Inspector as guardian to the Minor Zemindar of Mannu-

pari. Art. 575 CSR. lays down that a superannuated pensioner is excluded from reemployment in the general service, but he may with the sanction of the Local Govt., which should be given only on strong public grounds, be re-employed under a Local Fund. No reference is made in this article to the reemployment under the Court of wards.

In the precedent quoted, the Acctt. Genl. says that the Court of wards fund is administered by Govt. in the same way as an incorporated Local Fund. In its letter embodied in D.O. 196 Political. d/16-3-96, the Govt. of India objects to reemploying Govt. servants with a view to reemployment in the service of Native States. Orders are solicited to whether in the circumstances stated the reemployment of the pensioners in question should be sanctioned.

The 8 pensioners are Superannuation pensioners, 2 invalid pensioners + 1 compensation pensioner. Rules 574 to 574 CSR relate to reemployment of

In the present case the men
have all retired some time ago
and it is not proposed to re-employ
them in order that they
may serve the Court of
