From the Board of Revenue d/ 22-9-97. No. 3652 misc

ORDER THEREON, 12th October 1897 No. 776.

Character - good

In his petition - flagged B - the applicant prayed that his pension papers might be left in abeyance until the Board of Rev. passed orders on his appeal for retention in the service up to the 26 Sepr. 1898. The Board of Rev. have now passed orders "A declining to interfere with the Collector's discretion in the matter and dismissing the applicant's appeal accordingly. So the pension may, it is submitted, be now passed.

JES
6.10.97

His character is given as good. But from the B.P. (C. No 804) it appears that he was retired because he overestimated the land offered as security under the Loan Rules & because his explanation for his over-estimate was very unsatisfactory.

Perhaps however it may be presumed that the over-estimate was due to the carelessness induced by old age & inefficiency & the full pension passed.

Under articles 502 & 518 (b) of the Civil Service Regulations (2nd Edition), His Excellency the Governor in Council is pleased to grant to Polur Narayana Rau, late 2d. class Revenue Inspr., Gudiyatum Taluk, a superannuation pension of Rupees (12-~~8~~ 7-0) Twel & annas ~~eight~~ Seven only p.m. payable at Gudiyatum from 1st. April 1897 in consideration of his qualifying Supr service of 33 years, & 3 months ~~and~~ ~~days~~.

SIR,

With reference to your letter No. A.D.K./73 dated the 22nd Instant, I have the honor to state as follows:—

1. The pension application was ready by the 30th April and the slight delay of a week in its despatch was due to the fact that the service register of the applicant had to be recast in English as it was written originally for the most part in vernacular, which could not be attended to earlier on account of the pressure of work at the beginning of the month

No.3552 Misc.,dated 22nd September 1897.

Read Endorsement of the Collector of North Arcot, Dis.No.3036/ver of '97,dated 5th September 1897,forwarding with remarks application dated 9th June 1897 received ~~here~~ with a covering letter on 28th August 1897 from P.Narain Rao, late Revenue Inspector,Gudiyatum taluk,North Arcot District for a further retention in service up to ~~upto~~ the 26th September 1898.

Resolution

The petitioner attained his fifty fifth year on 26th September 1893,but the Collector retained him until 1st April 1897 when he was made to retire.The petitioner requests that he may be retained until 26th September 1898,viz.,until he attains his sixtieth year,on the ground that he is fit for further service.The Collector reports that the petitioner far ~~for~~ overestimated the value of a certain land which was offered by an individual as security for a loan under the Land Improvement Loans Act and that his explanation for having framed such an estimate was very unsatisfactory, and he considers that the further retention of the petitioner is ~~inadmissible~~ in the interests of the Public Service.In these circumstances the Board declines to interfere with the Collector's discretion in the matter and accordingly dismisses the appeal.

Most respectfully shows that

I On the 26th September 1893, I the petitioner a Completed 55 years of my age. I was Examined by the District surgeon and reported favorably in his letter No 2789 dated 27th November 1893.

II My retention in Service was sanctioned off & on up to april 1897.

III All my task-masters, the Tahsildars have invariably been finding me quite fit, physically & mentally for further service. In these days of hard famine prices; I myself felt very hard to manage my large family with the small sum of pension I may get. I therefore applied to the Collector in the January 189 for the favor of getting my further retention sanctioned

IV On the 24th March 1897 however I was ordered to make over the charge of my work and to retire from 1st april 1897. I therefore most respectfully beg the favor of the most Honorable members to be gracious enough to to Sanction my retention up to 26th September 1898 when I complete my 60th year of age

V A reference to my actual task-masters viz the Tahsildar & the Sub Collector and if deemed fit and necessary to the District Medical officer will not, I most humbly beg to assure the most Honorable members, fail to elicit the truth that I am perfectly fit for service at least for two years more.

VI I need not point out that this favor now asked for will if kindly granted not only result in saving a large family of an old faithful government servant from sinking into poverty suddenly, but will also be a sure saving to Government both pecuniarily and in the way of the active services of an old experienced servant and thus meet the requirements of
