Note to be attached to Service register
of B Venkamaiah Aiyer-Casuar

On examining B. Venkamaiah in order
to reattest his Service register, I found his
height to be 5' 4 3/4" against 5' 2" entered
in the Service register - There must be a
mistake in the height originally entered
as there is no doubt he is now 5' 4 3/4" high,
and there is also no doubt he is the person
to whom the Service register appertains -

The undermentioned have known him
for the period entered against each and
testify to his identity
