Note for orders.

The present petition is only a copy of the petition received from the pensioners in this department, and disposed of by S.O. 52 Pension 31-1-96. For orders as to whether the current may be lodged with reference to that S.O. or whether that order should be reconsidered with reference to the Hon. Mr. Bliss' remarks in the note for orders marked with tape which runs as follows:-

"I can't see any reason why the request should not be granted - art. 569 does not stand in the way of these pensioners drawing pay in inferior grades on Rs. 5, 6 and so on plus so much of their pensions as will cause the total not to exceed the full pay formerly drawn - This should be pointed out - also the provision in art. 577(i)."

I can't see any reason
why the request should not

There was, I recollect, a case
in L. & M. the other day in which
the dismissal of some pensioners

FROM ORDERS.

AM The prohibition of reemployment (Art 569 C.S. 2)
with retention of pension applies
only to govt. service & service under
incorporated funds. Municipal
service is open to such men, the
municipal funds not being an
incorporated fund.

So far as the port service is
concerned no relaxation of the rule
is admissible. But in respect
of service under incorporated local
boards, there is certainly some
hardship, as there are many
inferior ports of 24 & 25 which
a pensioner might well take up
& live decently on the pay, if eked
out by a small pension.

The ports in respect of which such
relaxation was allowed might be
limited to inferior ports carrying
not more than say #7 pay, & the holders
pensioners being similarly limited.

But unless there is any disposition
to view the petitioners' claims favourably,
it is not necessary ^{here} to work out the
question farther, or examine its financial
effect.

S. J. 22. 2. 6

The rules as to reemployment don't apply to police
but police doubtless know this & are not
concerned (Art 571)

To

His Excellency
the Right Honourable the Governor
in Council Fort St George
Madras

Madras petitioners of the under-
signed civil pensioners of Police
department. E. H. H.

Most humbly sheweth

With due respect we the humble
petitioners beg to bring the following few
lines into your favourable consideration
with a sanguine hope of being crowned
with success.

That while your petitioners
were serving the Police department heartily
and obediently some of them were pensioned
before they had completed the period
for pension for $\frac{1}{2}$ or $\frac{1}{3}$ under the new rules
(limiting 10 years service to deserve pension)
and on certificates of the medical officers
and some of them had received their
pensions under the old rules (to have
about 15 years service) And the pension
payments which are now being drawn
by the petitioners as well as their former
payments while at service are herein
shown below in a form for your kind
perusal and consideration

That each of the petitioners
having 5, 7 or 8 members to support feels
very hard to protect them without any
employment

Transferred to this Dept. 11. 3. 96.

For Orders

That for their protection only (but not to secure a second pension) without employing themselves in public services such as peons, duffadars etc in any department of Local and Municipal, Railway and D.O. They feel very hard for their support and your petitioners are unable to get any footing under the shawkars as they (shawkars) have already engaged their own men or those whom they are well acquainted with.

That under the rules your petitioners are not allowed to serve in the public service if they do so they are entitled only to draw the latter pay but not the Government Pension.

Consequently your petitioners humbly pray your honor will be graciously pleased to sympathize with them on their poor condition & give them the same right as the military pensioners have.

For which act of benevolence & charity your petitioners as in duty bound shall ever pray for your honors long life & prosperity.

We beg to remain

Your most obedient & humble petitioners

Shidul, nam Kham. P. 2. 9. H. C.

The Petrs. describe themselves as Police Pensioners who were pensioned (i) before they had completed the period for pension for $\frac{1}{2}$ or $\frac{1}{3}$ under the new rules, (ii) or an certificate from Medical Officers (iii) or who are drawing Pension under the Old Rules. Their request is in general terms is to the effect that they may be treated in the same way as Military Pensioners & be allowed to draw full pay + pension in event of re-employment.

This request has already been once rejected as inadmissible in P.O. no 82. Pen. of 31. 1. 96, and it is submitted that there are no grounds for altering that decision, which is in accordance with the C.S. Regs.

At the same time the C.S. Regs. do allow in certain circumstances to draw the whole or part of their pensions on re-employment (§§ 569, 574, 575).
