CERTIFIED that I have carefully examined Ghulam Hyder

son of Mahomed Ali

a 2nd Grade Head Warder

in the District Jail Nellore

His age is by his own statement 56 years and by appearance about 60 years.

I consider Ghulam Heyder to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of General incapacity from old age, defective eyesight and longstanding Varicose Veins of lower Extremities.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Copy of the order of the Inspector-General of Prisons, Ootacamund, dated 24th July 1884, No.3502:-

Read petition from Gulam Hydir, Warder in the District Jail, Nellore dated 20th June 1884.

Read letter from the Superintendent, District _____ Jail, at Nellore, dated 23rd June 1884 No.139.

Read extract from Jailor's order Book dated 22nd April 1884.

The petitioner Ghulam Hydir late Head Warder having been 20 years in the service and having no previous entries recorded against him, has in my opinion, been hardly treated. I consider one month's suspension sufficient punishment and direct him to be reinstated as Head Warder immediately.

SIR,

I have the honour to forward herewith, countersigned, an application for Invalid Pension with the marginally noted papers on behalf of Ishulam Hyder, late 2nd Grade Head Warder, District Jail Nellore, and to request that you will be so good as to have it verified and submitted for the orders of Government.

2. The Head Warder was suspended for one month and reduced to 2nd class warder on the 22nd April 1884, but was subsequently reinstated by the order of the Inspector General. Copies of the Superintendents' and Inspector General's orders are enclosed.

3. The entries in the Service Book and

3. Last Pay — do —
4. Memo: re leave
5. Copies of correspondence re suspension.

and Pension application are stated by the Superintendent to have been compared with those contained in the Annual Returns of Establishment forwarded to your office for the years 1891 to 1897. The Returns of the years previous to 1891 are stated to be not available for comparison as they cannot be found amongst the Jail Records.

4. The certificate of verification at the end of the Service Book was not brought up to the date of retirement as a similar certificate has been made in the Column "How verified" in the 2nd page of the application to the effect that the applicant's service including the period for which a verification certificate has not been recorded in the Service Book was duly verified with the acquittance Rolls and Pay abstracts.

5. The date of birth which was originally entered as unknown in the Service Book has been entered in the Pension application as 1st July 1841. It appears that this was deduced from the "age" as noted in the Service Book and that the entry "unknown" referred to the date and not the year of birth.

I have the honour to be,
Sir,
Your most obedient Servant

A. G. Cardew.
Inspector General of Prisons.
