9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

Suffers from defective vision and impaired and unreliable memory in consequence of general nervous exhaustion from continued strain such as the nature of his work demands. Has tried rest and change of air without any permanent benefit, neither do I think he will derive sufficient benefit from further rest or treatment to enable him to cope with the duties required of a draftsman.

Sir

I beg to state that I have been suffering from Dyspepsia for the last 10 years. In July last I was promoted as Special Draftsman on Rs 100 to 130 and transferred to IIIrd Circle Bellary. My complaint grew worse there being attacked with Rhematism My memoray began to fail as well as my eye sight. I felt disinclined to work and was therefore compelled to revert to my original grade in Nellore Division. I thought I would recoup my health here. But to my misfortune I find I am growing weaker and unhappy daily. I find I cannot do justice to my work. A little drawing greatly affects my ~~sight~~ eyes and I feel myself tired and weak if I exert a little. As I cannot — continue in this state I therefore
