PENSION DEPARTMENT.
No. 6
G. No. 910

Sir,

I have the honor to forward for the favorable consideration of Government an application for pension on behalf of Hussen Khan, late Duffadar of my Court, who was retired with effect from 1st October 1897, as being unfit for further service on account of advanced age (62 years).

2. The applicant received a gratuity of Rs 15-12-.. for a service of 6 years, 8 months and 10 days from 21st August 1855 to 30th April 1862, when his services were dispensed with owing to reduction of Establishment. He was then out of employ for some time and afterwards employed as a Lascar in the Executive Engineer's Office, South

South Canara for a period of one year eleven months and six days. This period of his service is not found entered in his Service Register. The acquittance rolls of the Engineer's Office for a few months so far as they are available show that he was employed there: particulars are not available whether the appointment held by him there was of a permanent or temporary character. The applicant says that it was of a permanent character. Further information on this point has been called for. But it seems to me unnecessary to put off submission of his pension application on this account, inasmuch as, even excluding this period, and the period he was out of employ and the period for which he received a gratuity &c. he has still a net service of 31 years, 8 months and 17 days - which entitles him to the pension recommended. I beg to request that, as the gratuity received has not been refunded, orders may be issued under Article 588(a), whether it should now be recovered, and if so, in what instalments or whether his pension itself should be proportionately curtailed.

3. Letters Nos $\frac{536D}{12.8.93}$ and $\frac{2330}{7.7.93}$ from the Executive Engineer West Coast on the subject of the Applicant's appointment in that Department, his affidavit with a translation, his last pay Certificate and the Service Register are enclosed.
