ORDER THEREON, 19th Novr. 1897 No. 877.

Please see the Accountant General's report. The applicant entered the Govt. service on the 23" May 1862 as a clerk on Rs.30 in the Grand Arsenal, Madras, & on the 4" December 1867 he obtained the post of Head Clerk on Rs.50 in the Office of the Committee for Examination of Assistants and in which he had to work only till 10 A.M. every day. While holding this pensionable post, he secured in July 1870 another pensionable post, viz. that of a clerk on Rs.37½ in the Office of the Inspector General of Police, and was subsequently promoted to Rs.70 in the same office. In 1879 he was transferred to the Accountant General's Office as a clerk on Rs.60. He continued to hold the two appointments till the 30th May 1881, when he was obligated to give up the post of Head Clerk in the

18/11/97

Under articles 509 & 518(b) — of the Civil Service Regulations (~~2nd~~ 3rd Edition), His Excellency the Governor in Council is pleased to grant to Triplicane Sitapati Pillai, late 1st class Clerk, Accountant General's Office, Madras, a retiring pension of Rupees (57-8-0) Fifty seven and annas eight only per mensem, payable at Madras, from 29th June 1897 in consideration of his qualifying Superior service of 35 years, 1 month and 6 days.

2. As pointed out by the Acct Genl no pension was admissible to the applicant at the time of his relief from the post of Head Clerk in the office of the Committee for the Examination of assistants ~~[illegible]~~ for his service in that appointment. Hence there was no pension ~~[illegible]~~ on account of that service to be deferred under art 511 C.S.R. & no pension on account of that service is admissible now

Committee's Office "owing to some change introduced by the President of the Committee"-probably, in the hours of attendance. He, however, remained in the Accountant General's Office and finally retired from the service on the 28th June 1897, after completing a qualifying superior service of 35 years and odd. The applicant now claims a pension for his service as a head clerk in the Committee's office from 11th July 1870 to 31st May 1881 under article 511 of the C.S.R.

The reason of termination of his appointment in the Committee's office is stated as "Relieved from duty under section 112 of the C.P.C., 4th Edition", and this section corresponds to article 511 of the C.S.R, which runs as follows:- "An officer holding 2 appointments may not, save with the sanction of the Local Govt., resign one appointment on a pension, without retiring from the public service altogether. There is no objection to his being relieved from one appointment at any time, without being compelled to leave the service altogether; but in such case, any pension admissible to him for his service in the office from which he is relieved will be deferred until he finally retires".

The first portion, as the Accountant-General point out, prevents an officer from resigning one appointment on a pension without retiring from the public service altogether; and the second portion refers to the case where the officer is relieved of one appointment and continues in the other and finally when he retires he is given the pension admissible at the time of his relief to him for the office from which he was relieved.

In the present case, the Accountant-General says, that when the applicant was relieved of his appointment of Head clerk in 1881, no pension was admissible to him, as none of the conditions prescribed ~~fx~~ for the grant of a pension was fulfilled, and that therefore he cannot get the concession referred to in the latter part of article 511 of the C.S.R. If the conditions had been fulfilled, the Accountant-General certifies that the applicant would have been eligible for a gratuity of Rs.500 for his service of 10 years and odd as Head clerk in the Committee's office. For orders.

W.S
13.x.97.

As at the time of his relief from the post of Head Clerk in the Committee's office he was entitled to no pension for his services in that post, I submit there was no pension to defer until the date of his final retirement & therefore that applicant is now only entitled to his pension as clerk in the A.G's office. Hence para 2 for approval.

(A) (B)

Please see O.M. No. 56 d/21-10-97 and the reply to it.+ The Secy. to the Board of Examiners says that Sitapati Pillai was relieved of his appointment on the 31st May 1881 as it was found necessary to employ a full time Manager in consequence of the increase of work of the Committee and that it was the intention of the then President that, when he was retired, his service in the Board's Office should be taken into consideration.

+at end of file.

It is submitted that there was no abolition of the applicant's appointment & that therefore, as already pointed by the Acctt. Genl, no pension was admissible to him at the time of his relief from the post of Head Clerk in 1881.

As stated at the foot of the previous page I submit that the applicant at the time when he was relieved of his post under the Committee was entitled to no ~~service~~ pension for his service in that post. Had the post been abolished he might have been entitled to a compensation pension but even this is doubtful for it would appear that his service in the post was not full time

17.11.97

Yes, under the rules he has no claim; & I do not think a case can be made out for the Sec. of State.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

1. Certified that qualifying service in superior grades has been duly proved for 35 years 1 month and 6 days and that a Retiring Pension not exceeding Rs 57-8-- per mensem equal to 30/60 average Emoluments is admissible under articles 509 and 678(6) of the Civil Service Regulations 3rd Edn. The Calculations have been duly verified.

2. It will be seen from the Service History detailed on the 2nd page of the application that the applicant entered the service of Government on the 23 May 1862 and that he held two permanent appointments (Head clerk in the office of the Committee for examination of assistants on a Salary of Rs 50/- and clerk in the office of the Inspector General of Police on salaries varying from 37½ to Rs 70 and subsequently in the Accountant General's office) from 11 July 1870 to 31 May 1881 and one appointment only from 1 June 1881 to 25 June 1897. The applicant claims pension for the double service under Article 511 of the Civil Service Regulations.

3. The first portion of the Article 511 of the Civil Service Regulations prevents an officer from resigning one appointment on a pension without retiring from the public service altogether. The second portion refers to the case where the officer is relieved of one of the appointments and continues in the other appointment and finally where he retires he is given the pension admissible to him for the office from which he was relieved.

4. In the present case the reason of termination of the applicant's appointment as Head clerk in the Committee's office is given in the service book as follows.

"Relieved from duty under Section 112 of the Civil Pension Code 4th Edition" which corresponds to article 511 of the Civil Service Regulations. When the applicant was relieved of that appointment in 1881, no pension was admissible to him as none of the conditions prescribed for the grant of a pension was fulfilled. He cannot therefore get the concession referred to in the latter part of Article 511 of the Civil Service Regulations. Had the conditions been fulfilled a gratuity not exceeding Rs 500/- equal to 10 months emoluments would have been admissible for his double service of 10 years 10 months and 20 days under the rules then in force. In the circumstances it is for Government to determine whether the merits of the case call for any recommendation to be made to the Secretary of State through the Government of India for that Gratuity. Vide Articles 1004 and 1005 of the Regulations.

5. The delay in the submission of this application is explained at foot of the 2nd page of the application.

6. In accordance with Rule 3 under Article 994(b), the attention of Government is respectfully solicited to article 514 of the Regulations.

Madras
8th September 1897

To
The Accountant General
Madras.

Sir,

In continuation of my letter of July last I beg to submit that my service under Government commenced on the 23rd May 1862 and terminated on the 28th June 1897. During this period I held the appointments of Manager of the Office of the Committee for the Examination of Assistants and Clerk in the Chief Office of the Inspector General of Police for a period of 11 years from 1870 to 1881 and on the latter date owing to some change introduced by the President of the Committee Office I was relieved of the appointment of Manager under Article 112 of the C. P. C now Article 511 of the C. S. R. on the understanding that

PENSION BR. 7

that the pension due for the entire service from 1862 to 1881 would become payable on my final retirement from public service.

My relief from the appointment was not due to resignation on my part or removal on account of misconduct or inefficiency but to the change introduced in the interest of the public service.

Should it be decided that 19 years should not be reckoned as my pensionable service I would respectfully request that a gratuity which I have already earned may be granted to me for the actual double service of 11 years or my case represented to Government for any Special

Concession

Concession, with a view to mitigate the hardship.

It would be a sad disappointment if at this old age I am deprived of any concession for the service rendered in the appointment.

I beg to remain

Sir

Your most obedient Servant

T. Sitápati

Late Head Clerk. Deposit Branch

Madras.
23rd July 1897.

To

The Accountant General,
and
The Deputy Accountant General,
through
The Senior Superintendent.

Sir,

With reference to my application for the verification of my service, I beg to submit that I was holding plural appointments as will be seen from the following facts.

I first entered the Government Service on the 23rd May 1862 as an Indexer in the Grand Arsenal Office and continued in that appointment till the 19th April 1866 when, I was transferred to the Office of the Examiner of Pay Department as an Accountant. This appointment I held till 4th December 1867, when I was appointed under the orders of the Hon'ble Mr J. Grose, as Manager in the Office of the Committee for the Examination of Assistants which appointment I held till the 31st May 1881.

908d

While employed in the Committee's Office Mr W. Donald the Secretary and the Deputy Accountant General secured for me an additional appointment in the Chief Office of the Inspector General of Police on the 4th July, 1870 (as the Committee's work was done at the Secretary's quarters till 10 A.M. every day, during his tenure of Office), which I continued to hold

11th

till

till 3rd October 1878 when I was transferred to the Accountant-General's Office.

It will be thus seen that I held a single appointment from the 23rd May 1862 to the 1st July 1870, and double appointments from the latter date up to the 31st May 1881 and a single appointment thereafter.

On the 31st May 1881, owing to the introduction of certain changes in the Committee's office the President Hon'ble Mr. C. T. Longley after consultation with the Accountant-General and Mr. Donald the Deputy Accountant General "relieved" me from the duty in the Committee's office" under the provisions of Section 112 of the Civil Pension Code 4th Edition" (as can be seen from the Secretary's entry in my Service Register, and from the Official Memo No. 2364 dated 31st May 1881, herewith enclosed communicated to me by the Secretary), so as to entitle me to an additional Pension for that Service when I eventually retire from my second appointment in the Accountant General's Office.

Under these circumstances, as it would be a great hardship to deprive me of a pension for the hard service of 19 years, I beg you will be pleased to view my case favourably and recommend the grant of a separate pension for the above service extending from 1862 to 1881.

For this act of Kindness, I shall ever feel grateful.

I beg to remain,
Sir,
Your most obedient Servant.
