CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

Forwarded. From the Service history recorded on the 2nd page of the application, it would appear that on the 8th May 1894, the applicant was degraded from an appointment pensionable on the superior scale to one pensionable on the Inferior scale for unsatisfactory work. She continued to serve in the latter appointment up to 1st August 1895, when she was restored to her former post which she held up to the date of her retirement. Should Government be pleased to hold that the above degradation was not due to circumstances amounting to the applicants misconduct under article 436 of the Civil Service Regulation

and 2 days rendering her Eligible for a superannuation pension not exceeding Rs 2-9-10 per mensem, equal to 19/60 of average Emoluments ~~rendered~~ reduced by 7/40 under article 502, 518 (b) and 521(a) of the Regulations.

2. Although the whole of the applicants service was paid from the Revenues of the Madras Municipality, the pension admissible to her should be made payable from Provincial Revenues, as the Sanitary Commissioner of Madras in his Endorsement No $\frac{152}{V}$ dated the 21st October 1897, enclosed, recommends that she be considered an enrolled servant of Government, Vide article 817 (K) of the Civil

3. The delay in the submission of this application is explained by the President Municipal Commission in his reply to this office reference No $\frac{A.D.K.}{283}$ dated 29th October 1897 enclosed.

4. In accordance with Rule 3 under article 994 (b), the attention of Government is respectfully solicited to article 514 of the Regulations.

Attention is drawn to No. 11 of the revised printed Memo. of Instructions from this office.
Due to verification of services from several

2. The signature of the applicant should be obtained in column 7 of the service book. It is since obtained

3. The different kinds of leave enjoyed by the applicant should be entered in detail on the 2d page of the application.
It is now entered accordingly

4. The memo of average Emoluments should be revised with reference to article 531 (2) of the civil service Regulations and the necessary alteration should be made in the amount of pension proposed on the 1 page of the application.
It is now revised so-

5. Information should be furnished as to ~~how~~ how the period intervening between the date on which the applicant was first declared unfit by the Surgeon 4 District on 28 March 1894 and that on which she was pronounced fit for duty by the Medical Board on 7 April 1894 was treated.
because the applicant continued to work during the time- the period referred to was counted pensionable

6. A note to the effect that the whole of the applicants service has been verified

Sir,

I have the honour to inform you that the application for pension ~~gratuity~~ of Vellala Denampet Cunneammal late a 2 class Vaccinatrise Madras Municipality is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

should be appended to her service book.
The declaration suggested is now inserted. St/1312

7. The reduction prescribed in article 521 (a) of the civil Service Regulations should be applied in the applicant's case.
It is now done so.

8. Information should be furnished as to whether the post of temporary Vaccinator which the applicant held from 14 March to 31 August 1877, eventually became permanent and if so why the period cannot be counted as pensionable service under article 405 of the civil Service Regulations.

The temporary appointment held by the applicant from 14th March to 31st August 1877 was eventually made permanent & she is ~~therefore~~ now allowed to count service of that period under article 405 of the Civil S. Regulations as pointed out.
