CURRENT No. 949

From The Examiner P.W. Accounts,

No. 949 A/E.

For Orders.

In No. 259 Pension, R. Bayyigadu was granted an Invalid gratuity of Rs. 36/- for his qualifying inferior service of 27 years, 5 months and 29 days. In his petition of 9th Augt. 97 he prays that his service from 1864 to 1869 may be counted towards pension and that he may be granted a pension instead of the gratuity already sanctioned. The petition was referred to the Examr.

P.W. Accts. for remarks, and in reply he says that the Executive Engineer is unable to obtain any other

information excepting that Bayyigadu was a tappal lascar from 1864. The Examr. also says that he cannot trace any appointment of tappal lascar from the Audit Registers of 1864 to 1869, that there are several appointments of lascars on salaries of Rs. 64 Rs. 7 with no names given, and that from the man's service book, his first appointment as amicut lascar on Rs. 5/- began on the 1st April 1869 and apparently his pay prior to that date was charged to "works". If, however,

the man's service from 1864 to 31-3 by be treated as
 qualifying on the evidence of his two contemporary servants, ^{by Govt}
 the Examr. certifies ^{that} he will be eligible for a pension of
 Rs 3/- p.m. in lieu of the gratuity of Rs 36/- already
 sanctioned - If the applicant's pay for the period was,
^{submitted} as stated by the Examr., charged to "works", he
 cannot, it is submitted, count it for pension.

It seems doubtful whether
 the man was a Tappal
 Lascar for the evidence
 tendered is not being
 convincing. Again if he
 was a Tappal Lascar
 it seems probable from
 the Examr's report that
 his pay was debited to works.
 If this was so, it would not
 count for pension, as being on a permanent
 establishment.

For order as to
 whether the pension should
 be admitted & passed &
 the patent already granted
 recovered therefrom

It is a very
 doubtful case

FROM E. A. DENNYS, Esq.,

EXAMINER OF P. W. ACCOUNTS, MADRAS,

To

The Under Secretary to Government

Pension Department.

No. 949 A/E. Madras, 20th November 1897.

SIR,

In returning herewith the original petition and pension papers of R. Bayyiagadu, late lascar Godavery Eastern Division, forwarded with your endorsement No. 49 dated 4th September 1897, I have the honor to forward herewith copy of letter No. 65 E dated 12th Instant from the Executive Engineer Godavery Eastern Division together with another petition from the late lascar, dated 27th October 1897 and two statements of contemporary servants dated respectively 22nd and 24th October 1897.

2. The Executive Engineer reports that he is unable to obtain any other information regarding the late lascars' service prior to 1st April 1869, but the statements of the two contemporary servants go to shew that he was a tappal lascar from 1864.

3. On examination ^{of} the audit registers from 1864-5 to 1868-9, I cannot trace any appointment of a tappal lascar. There are several appointments of lascars on salaries of Rs 6/- and Rs 7/- but no names are given. From his service book his first appointment as anicut lascar on Rs 5/- began on 1st April 1869, and, apparently his pay prior to that date was charged to "works".

4. In case, however, Government is disposed to treat as qualifying his service from 1864 to 31st March 1869 on the evidence of the two contemporary servants, he would then have rendered a service of over 30 years, and would be entitled to an in-

pension of Rs. 3/- per mensem with effect from 30th September 1896 under Article 524 (b) Civil Service Regulations in lieu of the gratuity of Rs 36/- sanctioned in G.O. Pension Department No. 259 dated 29th March 1897.
