Copy of a communication from the Treasury Deputy Collector Tanjore to the President District Board Tanjore Dis No. 71/audit d/ 10-10-95

I beg to state that, as pointed out by me to the Assistant Inspector of Schools in my Endorsement No. 120/28.3.95 the bills previous to April 1881, appear to have been submitted to the Accountant General and there are no records in this office to verify service during this period. The audit of Local Fund accounts during this period was in the Accountant General's and not in the Treasury Deputy Collector's office.

2. The Accountant General in his verification statement No. III contained in the records received

with the above reference, says that the pay for January 1879 does not appear to have been drawn, while, the Sub assistant Inspector reports that it was drawn on the 3rd March 1879. I refrained from making any remarks on this point simply because I had no means of verifying either statement.

Sir,

With reference to your Memo No 2624/26.9.95 I have the honor to submit the following explanation called for.

2. I have actually drawn my pay for January 1879 on the 3rd March 79 as is known from my private accounts.

3. As marked in the History of Service and my Service Register I took leave on loss of ~~my~~ pay for 6 days in August 71 and consequently a deduction has been made from my pay for the month, but I am now unable to account for the deduction of a day's salary in September 71 remarked in the Audit officer's report. I might have taken leave on loss of pay for the day, though not entered in the Service book, which was opened about two years afterwards. I solemnly affirm that the above-mentioned statements are nothing but truth.

4. My transfer from Negapatam Range to Mayavaram and from

Mayavaram Range to Tanjore East Range have been made on equal [illegible] as ~~a~~ general transfers along with other Inspecting School Masters' throughout the District, as I was serving about 10 years in each Range.

SIR,

In returning herewith your letter No. ADK/254 dated 16th September 1895 with its enclosures and in continuation of my letter no. 816/11.10.95. I have the honor to report as follows:-

Item 1. In his no. 71/audit dated 10th October 1895 (copy enclosed) the Treasury Deputy Collector Tanjore reports that bills previous to 1881 having been submitted to your office, there are no records in his office to verify the Inspecting School Master's statement that the pay for the month was drawn on the 3rd March 1879.

2. The affidavit is contained in the letter of the applicant dated 1-10-95 enclosed.

3. The necessary entry has been now made.

4. The delay is ascribed by the assistant Inspector of Schools 6th Dn Tanjore to the fact that the pension application forms for which he submitted an indent to your office were received by him only on the 15th July 1895. The application had therefore to be prepared subsequently and it was submitted by the Treasury Deputy Collector to this office on 15.8.95 and the same forwarded to you with my letter No. $\frac{816}{18.8.95}$.

Sir,

In obedience to your Memo No 2881/2-11-95 which reached me on the 4th inst, I beg to bring to your favorable consideration the following few lines.

2 In August 1876 I had applied for 3 days' casual leave to appear for a special test examination, of which I availed myself only for a day on the 15th idem. It was unjustly converted into leave on loss of pay as well as that applied for in 1873 for the very purpose, since it was connected with other than Educational Department. To shew that the conversion of the leave was unjust, and that it must be treated as casual, I have marked in the Service book also the purpose of the leave. Previous to the said date I had been entitled to a month's privilege leave. When my parents were dangerously ill, I was under the

necessity of applying for a month's privilege leave in April 1877 about 8 months after the examination-leave, and the higher-authorities were good enough to sanction it, in consideration of the circumstances, treating the said single day's leave for the examination as casual, as I think, since I had not taken any kind of leave except the same from 21st August 76 to 5th May 77. Of the one month's privilege leave sanctioned I availed myself only for 16 days from the 6th May 77 for the performance of funeral ceremonies of my father and I have drawn full salary for the period. I, therefore, request you will be kind enough to recommend the examination leave to be treated as casual without affecting the privilege leave already granted; tho' I do not claim the amount yet deducted.

3. I retired on the 1st June last, and though more than 5 months have since passed, the pension due to me has not yet been sanctioned. As I am obliged entirely to depend upon my pension for the support of my family, I have been suffering much from the said date. I, therefore, humbly solicit, you will be kind enough to get the pension sanctioned as early as possible.

I have the honor to be,
Sir, Your obedient Servt.

Sir,

With reference to your No. ADK/306 dated 28th October 1895, calling for explanation on certain points in connection with the pension application of K Ramasami Aiyar, late Inspecting school master Tanjore East Range, I have the honor to state that I agree with the Educational officers in considering that the leave granted on loss of pay for one day in August 1876 may be treated as casual leave inasmuch as the leave was taken by the Inspecting schoolmaster for appearing for special Test Examination; further it is not known by whom the privilege leave wa

was subsequently granted to the Inspecting schoolmaster. I have asked the Assistant Inspector of schools to ascertain and report the name of the officer who granted him the leave and on hearing from him I will address you again.

2. As regards the 2nd point, it is observed that under Article 860 of the Civil Service Regulations the charge has to be borne by Local Funds; a memo of calculations is herewith submitted as desired.

3. The Inspecting schoolmaster's letter and the papers received with your letter under reference are herewith returned.

1. The applicant's service for the period from 27-1-72 to 30-4-80 does not appear to have been verified from any other records than the Audit Registers maintained in this office. As this alone is not sufficient to entitle him to count towards pension the period in question, an affidavit from him should in the absence of any records be obtained together with the evidence of his contemporary employes in support of the period (Vide No. 11 (c) of the printed memo of instructions from this office.)

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

27 January '72 to 30 April 80.

1. Certified that should Government be pleased to admit the period of service noted in the margin, claimed in the affidavit of the applicant on the evidence of one of his contemporary employés (which is, up to 1878, also verified from the records of this office) qualifying service in superior grades will be duly proved for 25 years 9 months and 22 days: and a Superannuation Pension not exceeding Rs 17-14-8 per mensem equal to 30/60 average emoluments will be admissible under Articles 508 and 518 (b) of the Civil Service Regulations, 2nd Edition.

The calculations have been duly verified.

2. The applicant enjoyed privilege leave for 16 days from 5 May '77 to which he was not entitled not having been on duty for 11 months from 15 August '76, the date on which he was absent on leave on loss of pay. It rests now with Government to decide whether or not the leave allowance irregularly drawn by him should be recovered from the arrears of pension due to him. If, however, the one day's absence in August 1876 be treated as casual leave as proposed by the President in his letter No: 816 dated 29 November 1895 accompanying; the recovery may be avoided.

3. A part of the applicant's pensionable service was paid from Provincial Revenues and a part from Local Funds: but as the amount of proportionate share of pension debitable to the former is less than one-fourth of the pension admissible to him, the whole amount should be made payable from Local Funds under Article 860 of the Civil Service Regulations.

4. The delay in the submission of this application is explained by the President, District Board, Tanjore in his reply to this Office Memo: No: A.D.K/254 d/ 16 September '95.

5. In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

Honored Sir,

With due respect and submission I (the late Inspecting School-Master of Tanjore (East Range)) humbly beg to bring to your honor's kind notice that I retired from service on the 1st June 1895 and six months have since passed, but sanction for the pension due to me has not yet been received. As I am in such circumstances as to depend entirely upon my pension for the maintenance of my family I have been exposed to great many difficulties from that date. I, therefore, humbly request, your honor will be kind enough to have the pension sanctioned at your earliest convenience & have the same communicated to me. I am now acting as Head Master of the Govt. Girls' School, Sreerangam

I beg to remain, Honored Sir
Your honor's most obedt. Servt.
