3. The Certificate of the applicants incapacity for further service recorded on the 3 page of the application, does not show the cause thereof. The omission should be supplied.

REPLY.

The period from 15th to 20th April 1897, both days inclusive, is the 3 days noted in the service book during which he was continuously absent without leave and for which period he was suspended.

2. This has now been attended to.

The affidavit of the applicant is submitted; but evidence of the contemporary employees is not available.

The interruption was not due to abolition of the applicant's appointment.

3. The cause of the applicant's incapacity for further service is old age and the fact is also now added in the application.
