To,

The Accountant General,

Sir,

In returning herewith your letter No. $\frac{\text{A.D.K}}{279}$ of the 21st October 1897, together with its inclosures, I have the honor to furnish the following information with reference to the points raised therein.

As to objection 1. The applicant for gratuity (Bala Subba Rowh) not having been entitled to leave with allowances on or about the several periods of absence enumerated in the application appears to have been granted from time to time leave without allowances, the total period of which leave amounts to 11 months and 20 days, and also appears

to

to have been fully availed of by the applicant. Even if a deduction be made of this period from his qualifying service, the applicant can, I think, be still recommended for the proposed gratuity, inasmuch as his remaining period of 22 years' Service is over 20 years, the period required under Article 524(a)V Civil Service Regulations to entitle him to the gratuity proposed.

2. The medical certificate granted to the applicant is dated the 11th September 1897. He was retired on the date of its receipt in this office (14th). This accounts for his retention in service after the date of the certificate.

3. It is not possible in the case of the applicant to obtain a second medical opinion, as it appears he is too ill to move about owing to a stroke of paralysis

in

in addition to general debility.

4. My explanation required with reference to No 27 of your revised printed memo of Instructions is given in the appropriate place under head 5 on the 3rd page of the application.

5. As to objection 2. The applicant's personal marks of identification entered on the 1st page of the application have been copied in his service book as requested.

6. As to objection 3(a). A reference to the office copy of the Detailed Statement of new names, leave &c sent to you from this office with the Annual Return for 1886 shows that the applicant was transferred to the Central Nazarat of this Court from the Process Establishment of the District Munsiff's Court Krishnagiri in September 1885. This corresponds with the date of appointment 1-9-85 entered in the applicant's Service Register. It therefore follows that the entry 1-4-84 as the date of appointment in the Annual Return for 1886 is a mistake.

this wrong date seems to have been repeated in the succeeding Annual Returns up to 1889.

7. Under G. O. dated 9th July 1889, No. 1178, the Process Service Establishment was reorganized and increase to pay allowed with retrospective effect from 1st April 1889. The applicant was also given an increase to his pay under the said G. O. The date of applicant's appointment 1st April 1889 entered in the Annual Returns from 1889 to 1896 appears therefore to be correct. The acquittance roll maintained in this office also shows that the applicant drew in June 1890 his back pay from 1st April 1889 at Rs-7 a month. It seems therefore that the date of appointment 1-4-90 to Rs-7 instead of 1-4-89, given in the Service Register is a mistake.

8. As to 3(b). It cannot now be said with reference to what papers the year of the applicant's birth is shown as 1850 in the Annual Returns from 1886 to 1892. The Annual Return for 1893 has pronounced the entry 1850 in the previous returns a mistake with reference to the age of the applicant as given in his Service book (1845) and has accordingly rectified the error.

I have the honor to be,

Sir,

Your most obedient Servant.
