History Book shows the of birth of the applicant to be 1st December 1850 ~~[illegible]~~, which however, on a reference made to the Superintendent of Central Jail, Trichinopoly, differs from the age furnished by that Officer.

No information is forthcoming as to why the applicant's date of birth was shown to be 1851 in the annual Return for 1879.

Item. 4c. No information is available as to whether privilege leave or sick leave was granted to the applicant from 19th October to 18th November 1885.

No. C. 294.

Retransmitted to the Accountan General with a letter No. 103 dated 20th January 1898 in original from the Superintendent District Jail, Bellary with its enclosures furnishing informatio on the points raised.

2. The gratuity of Rs 27/- for which the applicant was recommended in addition to pension has been struck out as he did not complete 5 years inferior service.

3. The Superintendent, District Jail, Bellary seems to have misunderstood the discrepancy pointed out in item No. 4(c) of the letter under reply. The real discrepancy lies in the exact dates on wh the leave therein referred to commenced and ended, and not, as supposed by the Superintendent, in the description of the leave granted. As, however, the Annual Returns of Establishment of the years in question are not available, it is not possible to explain the discrepan In the absence of other records it is requested that the entry in the Service Book may be adopted.
