From The ACCOUNTANT-GENERAL
to the GOVERNMENT OF MADRAS,

To All HEADS OF OFFICES IN THE
CIVIL DEPARTMENT.

Sir,

In supersession of my office Circular No. XIII, dated the 18th October 1883, I have the honor to issue the following instructions regarding the manner in which contributions should be levied on account of pension and leave allowances due from officers transferred to Foreign Service, and to request that they may be strictly attended to.

2. Foreign Service is of three kinds as defined in Article 802 of the Civil Service Regulations. In the case of an officer transferred to service of the first kind, if the salary of his new appointment is not payable from the British Government Treasury upon a bill subject to the audit of the Civil Accountant-General, he should, with reference to Article 826 of the Regulations, remit the contribution due to the nearest British Government Treasury with a chalan or a letter in Form A or to the like effect, and should forward the Treasury Receipt to my office as soon as he receives it with an endorsement in Form B.

3. In the case of officers or members of clerical establishments, transferred to Foreign Service of the second kind, the responsibility for levying and remitting the contributions to the British Government Treasury rests with the officer or other agent entrusted by Government with the control of the funds or administration of the trust. *Vide* Article 833 of the Civil Service Regulations.

The Collector of Vizagapatam

SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of Palepu Gumpuswami late 2nd clerk Senior Assistant Collector's office Vizagapatam District is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Chief Superintendent.

Attention is drawn to No. 25 of the revised printed Memo. of Instructions from this office.

2. The date of termination of the applicant's appointment is not given in some cases and in others incorrectly given in the service book in places marked in pencil. The discrepancies should be reconciled.

3. The amount of pension entered on the 1st page of the application does not seem to be correct. The calculations should be examined again and the correct amount entered.

4. Explanation of the following discrepancies is requested:-

(a) In the annual Returns for 1882, '83 and '86, the age of the applicant is shewn as 22, 23 and 26 years respectively meaning thereby, that he was born in the year 1860. Which

which also agrees with the years given in the Annual Returns for 1884 and 1885, but on the 1st page of the application, it is shown differently.

(b) In the service book the applicant is shown to have drawn pay at Rs 45 and ag: allowance of Rs 9 from 1st November 1888 while in the 2nd page of the application his pay & acting allowance from that date is shown as Rs 35 and 9 respectively.

(1) The applicant was on sick leave from 11 November 1896 to 10 January 1898 and even though the date of the medical certificate is 9 ~~January~~ Novr 1897, he was considered to have actually retired from the date of the expiry of the leave. Vide Article 501 of the Civil Service Regulations.

(2) The omissions pointed out have been supplied and the necessary corrections made at the places indicated as directed.

(3) The correct amount is now entered.

4 (a) The correct date of the applicant's birth is 1.11.59 which was noted in his Service Register at the time of his entertainment in Public Service. But in the annual returns referred to, what is noted appears to be the age of the applicant in completed years i.e his age on 1-4-82 is actually 22 years and 5 months, and the fraction being discarded, his age was noted as 22.

(b) The entry in the Service book is corrected & attested.
