CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that qualifying service in Superior grades has been duly proved for 27 years 9 months and 9 days. and that an Invalid Pension not exceeding Rs 24-8-0 per mensem equal to 30/60ths average emoluments is admissible under Articles 485 and 518(b) of the Civil Service Regulations 3d Edition.

The calculations have been duly verified.

It is observed from the remark opposite to No. 1 and 2 in the 3d page of the application, that the character and past conduct of the applicant have not been entirely satisfactory. It rests therefore, with Government to make such reductions in the amount of Pension that may be sanctioned to him as it may deem proper with reference to Article 514(b) of the Regulations.

2. The difference between the amount of pension proposed by the Collector on the 1st page of the application and that certified to be admissible to the applicant in the preceding para is due to an erroneous method of calculation of the average emoluments adopted in the Collector's Office.

CIVIL MEDICAL FORM No. 32.

(Certificate for retirement on invalid pension or gratuity.)

CERTIFIED that I have carefully examined Sagaram Hanumanthā Rao

son of Sagaram Venkoba Rao

~~a~~ Taluk Head accountant

in the Revenue Department.

His age is by his own statement 48 years and by appearance about 48 years.

I consider Sagaram Hanumanthā Rao to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of a large Inguinal Hernia of the left side with considerable thickening and enlargement of the scrotum.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

STATEMENT OF CASE.

1. Rank. Taluk head Accountant & Treasurer
2. Name. Sagaram Hammunthia Rao
3. Department or Office. Adoni Taluk Office
4. Marks of identification. (1) a scar on the left knee cap (2) a mole below the pit of the stomach.
5. Age. 48 years
6. Service. 28 years.
7. Sick leave granted during the service. 4 months.
8. Disease or cause of disability. Inguinal Hernia - left side - Complete
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

He is suffering from a large Inguinal Hernia reducible at present though with difficulty. The Hernia is of nearly fifteen years standing but it has lately been growing steadily in size and now causes him pain and inconvenience. As the duties of this Clerk are such that he has to get up and move about frequently, I am of opinion that at any time, it may become strangulated with risk to his life. It is so large that the application of a truss is not sufficient to keep it reduced.

From the Acting District Magistrate, Bellary

No. A dated 13th September 1890, dated 15th Sept

1890, No C dated 17th September 1890 dated 19th Sept 1890

Order dated 23rd October 1890 No 1634.

In view of the extremely suspicious circumstances attending the death of Setuleyamma, the neglect on the part of both the Taluk Magistrate, Kondi Vencatu Rau and the Sheristedar Magistrate, S. Hanumantha Rau to hold any enquiry into the cause of her decease, was most culpable. His Excellency the Governor in Council is of opinion that both these Officers have shown themselves unfitted to exercise magisterial powers and these will be withdrawn under Section 41 of the Criminal Procedure Code, the usual notification being published in the Fort St George Gazette. In consequence of this cancellation of powers it will be necessary to provide K. Vencata Rao and S. Hanumantha Rau with ministerial appointments; for this the Collector will arrange and he will also deal as he sees fit with the Clerk R. Bheema Rau. 5

2. The Government is also of opinion that steps should be taken to

secure Venkamma the native doctor who has disappeared, and that every effort should be made to procure further evidence with a view to the ultimate prosecution of those concerned should it appear upon subsequent enquiry that abortion was actually caused or attempted.

From

To
The Collector of

Sir,

I have the honour to inform you that the application for pension ~~gratuity~~ of Sagaram Hanumantha Row late Taluk Head Accountant: Adoni is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Chief Superintendent.

Attention is drawn to Nos. 7. 39 and 45 of the revised printed Memo. of Instructions from this office, No 39 with reference to the Sub pro tem appointments held by the applicant during the last 5 years of his service.

2. The periods during which the applicant obtained Sub pro tem and acting promotions during the last 5 years of his service should be shown separately in the History of Services detailed on the 2d page of the application and the acting allowances drawn in the latter appointment should be excluded from the calculation of average emoluments. The amount of pension entered on the 1st page of the application should be revised with reference to the above remarks.

3. The omission of date opposite to No. 18 on the 1st page of the application should be filled in

4. The date and reason of termination of

of the applicants service should be entered in the service book and attested by the Head of Office.

5. The establishment in which the applicant was employed should be entered more fully in the Column provided for the purpose on the 2d page of the application.

6 Explanation of the following discrepancies is requested:-

(a) In the annual Return for 1881 the post of the Sheristadar of Harpanahalli taluk is shewn to have been vacant, while in the 2d page of the application the applicant is shewn to have held that post in that year.

b. In the annual Return for 1891 the date of the applicants appointment is shewn as 8-11-90 while no such date appears on the 2d page of the application.

(c) In the audit Registers for 1874 and 1875 the age of the applicant is shewn as 24 and 25 years respectively meaning thereby that he was born in the year 1850 which does not agree with the year of birth given in the Service book and on the 1st page of the application

(d) In the annual Return for 1891 and in the Service book, the applicant is shewn to have been absent on furlough from 18.10.90 while in 2d page of the application his furlough is shewn to have commenced on 6.11.90 in continuation of privilege leave enjoyed by him from 18.10.90 to 5.11.90 attention is drawn to article 264 of the Civil Service Regulations and to No. 20 of the printed memo of Instructions from this Office regarding the irregular grant of leave.

SIR,

In returning herewith your letter No. A.D.K./344 dated 18th instant, to-gether with its enclosures, I have the honour to explain as follows the discrepancies therein pointed out.

1. A memorandum of calculation of the average emoluments is appended and the information required under rule 45 of the printed memo of instructions is supplied.

With reference to No. 39 of the memo, it will be seen that the

8
9
103

applicant held sub protem appointments on 2 occasions during the last 5 years and on both the occasions his appointment was involved in the arrangements caused by the deputation of an officer on temporary duty as Deputy Tahsildar Ramandrug, the service in which qualifies under Article 404 C.S.R. Consequently the sub protem appointments held by the applicant were fully vacant and none else counted service during those periods.

2. The application has been revised accordingly.

3 and 4. The omissions are supplied.

5. The names of establishment are more fully given in the column provided therefor in the application.

6. (a) From the vernacular pay ab
on record in this office, it is obser
that the applicant was confirm
as Taluq Sheristadar Hadagall
with retrospective effect from 2
September 1880.

(b) The entry "8.11.90" in the annua
return for 1891 appears to be a
mistake for "6.11.90" as from th
pay bills it is clear that he wa
confirmed as 2nd clerk Head Assist
collector's office on the 6.11.90.

(c) It will be observed that it wa
in 1878 that the heading of the colum
"Age" in the annual return wa
changed into "Date of birth" and from
that year up to 1897, the applicants
date of birth i[illegible] shown as 13th Januar
1849 which is the correct one.

Th

The figures 24 and 25 reported in 1874 and 1875 respectively appear to be only approximate and cannot now be explained.

(d) From the monthly pay bills it is noted that the applicant was on furlough from 18-10-90 continuously up to 21-7-91 and while on furlough he was reduced to Rs 45 on 6-11-90. The entry "Privilege leave" in the application is a mistake and it is now corrected.

I have the honour to be
Sir,
Your most obdt servant.
