South Canara District Board Office,

Despatched 4th do

From

A. J. Pinhey Esquire

President, District Board,
SOUTH CANARA

To

The Secretary to Government
Pension Department
Madras.

This the Accountant General to the
Government of Madras
Fort St. George.

Sir,

I have the honour to submit the
following case for the favourable orders of
Government.

2. P. Narasinga Rao, at present Local
Fund Provident Fund Clerk in my Office,
was first entertained as a Clerk in the
Uppinangadi and Kadaragod Taluk Board
Office on 10th August 1886 on Rs 10 per
mensem. His pay was raised to Rs 15 in
April 1887. As the Local Fund Service
had ceased to be pensionable since May
1881 and as the establishment of a
Local Fund Provident Fund was not
then contemplated, the clerk applied
for permission to contribute for pensioning

under Rule 11, Section 9(b) of the old Pension Code, and permission was accorded him in G.O. No. 167 Financial, dated 2nd February 1888 to contribute from the beginning of his Service, viz., from 5th August 1886. When, however, his salary was again raised from Rs 15 to Rs 16 in April 1889 and he paid a contribution increased proportionately, the Accountant General, in his Statement of Pensionary contributions in arrears in the district of South Canara dated the 12th January 1892 No. I.A.E.
S.C., objected to the increased contribution under the note Article 863 of the Civil Service Regulations and ordered that the excess amount should be refunded to the clerk or adjusted towards his subsequent payments. The excess ^{amount} was

Please see art. 816 (a) G.O.

accordingly adjusted towards his subsequent payment.

3. The clerk's pay was since raised to Rs 18 and now he draws Rs 20, but he is not permitted under the above quoted note to Article 863 to pay pensionary contribution on any sum exceeding Rs 15, the pay he was drawing till April 1889. The clerk considers the prohibition to increase the contribution as his salary increases to be a disadvantage to him and prays therefore that as the District Board has recently started a Provident Fund in the interest of Local Fund servants which he thinks to be more beneficial than paying

a contribution to secure a title for pension on a salary which he was receiving at the beginning of his service, he may be permitted to join the Provident Fund and also that the pensionary contribution paid by him may be refunded to him. Article 834 of the Civil Service Regulations does not seem to permit him to claim the refund of his contribution as of right; yet Government may on consideration of the above circumstances grant the clerk's prayer, if it seems fit, as a special concession especially as the privilege of permitting such contributions

contributions hereafter has been revoked by Government and a separate Provident Fund has been established now for the benefit of Local Fund Servants.

I have the honour to be,

Sir,

Your most obedient servant

For President
St. Board.

B.L.

No. 1 A E

Fort St. George,
Accountant General's Office,
14th February 1898.

Submitted to Government with the following remarks:-

From rule 3 of the Rules of the Provident Fund of the South Canara District embodied in Government Order No. 1265 L, Local and Municipal Department dated 13th July 1896, it will be seen that the Fund is intended for the benefit of only such of the Local Fund employes in the South Canara District, as have no claim to pension either on Government or on the Local

Local Fund Board. In the case of Karasinga Rao, Government have guaranteed his pensionary rights by permitting him to subscribe for pension from the Government Revenues under the rules in force in 1888, reproduced as a note under Article 863 of the Civil Service Regulations. He is therefore a Government Officer so far as his pensionary benefits are concerned and his case should be determined by the rules contained in the Civil Service Regulations. Karasinga Rao has no claim upon Government in respect of the pensionary contribution paid by him except on retirement to receive such pension as may become admissible to him in accordance with the rules. Vide Article 834 Civil Service Regulations. Should he, however, relinquish his claim upon Government to pension, there seems ^{to be} no objection to his being permitted to subscribe to the Provident Fund.

Accountant General.
