REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. – Fair
2. Explanation of any suspension or degradation. While holding the permanent appointment of classifier on Rs 24, Chavala Venkata Ran was temporarily appointed an extra Head Gumastah on Rs 25 to Supervise the measurement of subdivisions; and for inefficiency in this work he was degraded to Rs 23. He was however restored to Rupees 25 after 20 days.
3. Regarding any gratuity or pension already received by Applicant. (*See* Chapter XXI.) - - - - - nil.
4. Explanation under Article 469 so far as the Head of the Office can give it. - - - - - nil
5. Any other remarks. Chavala Venkata Ran has been absent in his native district for the past one year, and he has lately applied to be placed before the Doctor in view to his being invalided on the ground of disease and infirmity. I am therefore unable to submit my opinion in regard to his present State of health with reference to article 487(a) of the Civil Service Regulations.
6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not [*See* Article 991 (*b*)]. The Service claimed, however, is established and may be admitted.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

I certify that should Government be pleased to admit the period of service noted in the margin claimed in the affidavit of the applicant on the evidence of Contemporary employes (which is also verified from the records of this office) qualifying service in superior grades will be duly proved for 20 years 2 months and 27 days and an Invalid Pension not exceeding Rs 8-1-3 per measem equal to 20/46 average Emoluments will be admissible under articles 485 and 518 (1) of the Civil service Regulations 3 edn. The calculations have been duly verified.

2. The applicant was granted one years furlough with effect from the 8 July 1896 and while on furlough, produced a medical certificate of incapacity for further service, which is dated 20 April 1897. He however continued to draw his leave allowance up to the end of his leave viz 7 July 1897 inclusive under article 501 of the Civil Service Regulations. In reckoning his average Emoluments for pension, the period intervening between the date of the Medical certificate and that of his retirement, has been taken into account, agreeably to the ruling contained in the letter of the Government of India to the Accountant General of Bombay No 5179 P dated 10 December 1896, Finance and Commerce Department.

3. On the 1 page of the Application Rs 8-11-5 is entered opposite to No 11 as the amount of proposed pension instead of Rs 8-1-3 as certified to be admissible to the applicant in the 1 paragraph above. The difference is due to the erroneous method of calculation adopted in the office of the Dy. Commissioner of Revenue Settlement No II Party.

4. In accordance with Rule 3 under article 994 (1), the attention of Government is respectfully solicited to article 514 of the Regulations.

Arzi written by Classifier Cherala Venkata Rau.

In my arzi № 11 / 17.3.97, I stated that, having suffered from diabetes and carbuncle, I fell seriously ill, and on placing myself under the treatment of the apothecary at the Hospital in Trivallore I got somewhat better. Owing to those diseases I became too infirm to work in this Department any longer, and so I wrote the arzi quoted above for permission to retire.

The furlough granted to me expires on 7th July 1897 that is, about 3 months from this date. As I am too weak to work any longer in this department in consequence of the diseases from which I was lately suffering, I request that a letter to the Doctor may be given to me in view to my being retired from service

Affidavit filed by Classifier Cherala Venkata Rau.

With reference to what I find stated in the Supervisor's Yadast No. 33 of the 4th instant in regard to the non-drawal for me of my Pay for the month of March 1873 I beg to state from memory as follows:-

While in the month of February the 1873 I was employed in Pedda Agraharam village to the north of Erode in Perundurai Taluq of the Coimbatore District, I was attacked with ague; and as my illness increased beyond my endurance I wrote and forwarded a report to Supervisor Soondara Moodelliar who was at Perundurai Cutcha; and went away to Pedda Kuppam village in Tiruvalloor Taluq, Chingleput District. I there obtained a Sick Certificate from the apothecary of Tiruvallore Taluq and forwarded it. After getting cured of my illness I presented myself before the Supervisor in the month of April in the Perundurai Taluq. He allowed me half-pay. The officers who were then (employed) with me were Classifier

Karavadi

Karavadi Subba Row, R. Gopalayya of the South Arcot Party, Chengi Narayana Row, M. Venkatesa Iyengar, Ragaviah garoo, the Supervisor's office Gumastah Annaswami Pillai who is now in Madura, Assistant Director Cooke Esquire, Head classifier Ramaseshiah, and a few others, whose names I do not know. I do not know the reason for the pay not having been drawn in the Baraward (Pay Bill) for March.

Proceedings of the Board of Revenue

Dated 22nd May 1888

No. 1125 Mis.

Read the following letter No. 116/59 dated 5th March 1888 from the Deputy Commissioner of Revenue Settlement Party No. V.

I have the honor to request that the Service Registers of the marginally noted men forwarded with my letter No. 147/75 of the 4th April 1887 may be sent direct to the Parties concerned after their verifications in the Central office, as the Deputy Commissioners request their return as early as possible.

Resolution.

The Service Registers of Baddu Venkatasawmy Naidu, Ch. Narayanappah and Ch. Venkata Rao are herewith forwarded to the Deputy Commissioner, No. II Party, duly verified, with the following results.

Ch. Venkata Row

(1) The services of Ch. Venkata Row for the periods marginally noted cannot be verified as his name does not appear in the copies of pay bills in this office.

(2)

(2) The leave on half pay granted to Ch. Venkatā Row from 14th to 25th February 1873 has not been recorded in his Service Register. It should now be noted.

(3) A saving of Rs 15 is noted in the Savings Column of the Pay bill for March 1873 against the name of this individual. How this saving was effected cannot be traced here

(4) The date of termination (16th Feb. 1874) of the appointment of Ch. Venkatā Row as paid Volunteer of N° II Party recorded in the 4th Page of his Service Register should be altered into 18th January 1874 as, according to the Pay bills, he was promoted to a classifier's post on 19th January 1874.

(5) The entry of Rs 20 as the rate at which Venkatā Row was paid in the late Chinglepet Party for January 1874 is a mistake. It should be altered into Rs 19 which according to the Pay bills, was the pay attached to the post of Classifier held by him.

(6) Bills of the Permanent Establishment of the late Chinglepet & North Arcot Parties for the months of May 1878 and January 1881 respectively are not available and Venkatā Row's services for these periods cannot be verified.

(7) It is evident from the Pay bills that this man, while working in the North Arcot Party, was reduced from the post of classifier on Rs 20 to that of an Extra Gumastah in the Temporary Establishment of the same Party on Rs 15 with effect from 16th October 1880 and drew pay as Extra Gumastah for 4 days from 16th to 19th October 1880 and that he was granted leave without allowances from 20th October 1880 to 28th February 1881. But the Service Register shows that the above leave was granted to him from the 16th October 1880 which is exactly the date of his reduction from the classifier's post on Rs 20. This discrepancy should be explained and the necessary corrections made in the Service Register. It should also be stated if Venkatā Rao was reinstated, after the expiry of the above leave in his permanent appointment of classifier on Rs 20 as shown in the pay bills.

Sir,

With reference to Board's Proceedings No. 1125 Miscellaneous dated 22nd Ultimo, I have the honor to state that Mr. Clerk, on finding fault with classifier Cherala Venkata Rau, gave orders that his pay should be reduced from Rs 20 to Rs 15 from 16th October 1880. This order was passed under the old unauthorized system of giving a portion of the sanctioned pay of a post on the merits of the man appointed to it or otherwise

and,

and, in carrying out this order, the classifier's name was, by mistake, transferred to the pay bill of the temporary Establishment as an Extra Gumastah on Rs 15 as there was no appointment of Rs 15 in the classifier's grade.

The order itself being against the provisions of the Civil Account Code, Mr. Clerk, on further consideration, cancelled it in the following month or November 1880, and a fine of Rs 7 was inflicted on the classifier in lieu of reduction of pay.

The classifier being absent on leave without allowances from 20th october 1880 and not having joined the extra appointment, the 4 days' pay drawn for him from 16th to 19th october 1880 in the Extra Establishment Pay bill was refunded to the credit of Government

-ment in the Pay bill for December 1880 and the 4 days converted into leave without allowances. The entry in the Service Register is, therefore, correct.

Arzi (petition) from Classifier Cherla Venkata Rau.

With reference to paragraph A of your Proceedings No. 1909 3-8-97 which reached me on 9th August 1897, I beg to state that I have kept a note to show that my date of birth was 8th October 1847, and not 3rd October 1847. In the old Service Register, 3rd October 1847 was, I think, entered by clerical mistake for 8th October 1847, and afterwards corrected to 8th October 1847. I do not suppose that it was corrected for

COMMISSIONER 1897 17. 8 SETTLEMENT

for any other reason.

Paragraph B. Up to 23rd June 1872 I was an additional Classifier on Rupees 15 and was afterwards appointed a permanent Classifier on Rupees 15 and ordered to work in Perundurai Taluk of Coimbatore District under Mr. Cooke. In the month of September 1873, an order was received from the Board directing that some hands should be removed from Service by reduction of Establishment. I was, therefore, transferred to a post of Rupees 12 from 1st October 1873. Afterwards, on 19th January 1874 I was appointed to a permanent post of Classifier.

Paragraph C. My father's name and mine are usually written as follows:-

As per orders contained in paragraph 2 of the Proceedings under reply I have signed my name in the new Service Register, but as there is not enough space in column 7 I have written a few letters above the line. I have herewith returned the Service Book and request you to acknowledge its receipt.

I have the honor to submit herewith an application for an invalid pension in behalf of Cherala Venkata Rau, late classifier of this Party. Cherala Venkata Rau proceeded on one year's furlough from 8th July 1896. While on furlough in his native district (Chingleput) he applied to me for permission to retire from service with effect from the date of termination of his furlough leave on the plea

plea that he had become too diseased and infirm to continue in office. As he was far away from Mangalore it was not possible to send him to the district medical and Sanitary officer of this district for examination. I therefore requested the district medical and Sanitary Officer, Chingleput, in whose jurisdiction Cherala Venkata Rau then resided, to examine him and certify as to his state of health; and that officer has declared Cherala Venkata Rau to be completely and permanently incapacitated for further service of any kind, vide his certificate dated 20th April 1897, enclosed. No immediate action, however, was taken to retire Cherala Venkata Rau under the medical Certificate referred to, because under Article 501 of the Civil Service Regulations, the retirement of an officer, who is absent on leave other than Privilege leave and who applies for an Invalid pension supported by a medical Certificate before the termination of his leave, may have effect from the termination of that leave, and he may continue to draw leave allowance to the end of his leave. Cherala Venkata Rau's leave expired on the 7th instant and the furlough allowance due to him up to that date was accordingly drawn under Article 26(c) of the Civil Account Code, 5th Edition and remitted to him. The Last Pay Certificate is appended to the present application.

2. From the History of Cherala Venkata Rau's Service appended to this report it will be seen that he commenced his

his service on 1st June 1870, and continued in it up to 7th July 1897 with the exception of a break of 7 days from 9th to 15th November 1890, caused by his overstay of an authorised leave of absence. But as the office which Cherala Venkata Rau then held was not substantively filled up during the above mentioned break, it does not entail forfeiture of past service under Article 463 (b) of the Civil Service Regulations. Cherala Venkata Rau has therefore put in a total service of 27 years, one month and 17 days, out of which 20 years, 11 months and 14 days are in "Superior service", which entitle him to a pension of Rupees 8-1-4 per mensem for which an application in the prescribed form is herewith submitted for the favorable consideration of the Board and Government.

Resolution

The pension application of Cherala Venkata Rau late Classifier Revenue Settlement Party no: II received with the letter read above, will be returned to the Dy: Commissioner for revision with reference to the following remarks:-

I Date of birth. This is stated as 8th October 1847 in the pension application but as 3rd October 1847 both in the new and the old service Register the entry in the latter being illegibly corrected in red ink into 8th October and not initialled. Under no: 4 of the printed memo of instructio

of the Accountant-General communicated with Board's Proceedings No: 7 Press dated 5th January 1897 and under clause (b) of article 55 of the Civil Account Code, age as given in the Service book if subsequently amended, should be supported by a Government Order approving the alteration, unless it be a clerical error. If the Deputy Commissioner is of opinion that the entry of 3rd October is a clerical error, he must certify to that effect and correct the date under his initials: if not. the question of alteration will have to be submitted to Government for its orders with reference to the clause of Account Code quoted above.

II Omissions. Discrepancies

(1) In column 3 of the Old Service Register

Register the subsidiary appointments held by the applicant while acting in other appointments, are omitted. These should be entered. (2) In the Service Register the applicant is shown to have been additional Classifier on Rs 15 from 23rd June 1872, whereas in the Pension application he is shown to have drawn Rs 12 only, from 23rd June 1872 to 30th June 1892 and Rs 15 from 1st July 1872. Again, the entries relating to this same appointment (as additional Classifier on Rs 12) are repeated in another part of the Service Register and appear subsequent to those relating

relating to the appointment held by him on 31st August 1887. The discrepancy should be explained and the wrong entries must be scored out and initialled.

(3) The reason of termination of one of the appointments is stated, in the Service Register, to be "Reduction of Establishment" and the date thereof is entered as 31st September 1873. It is presumed that this is a clerical error for 30th September 1873. and if so it should be corrected accordingly and initialled.

(4) In the Service Register it is stated that the applicant was employed as classifier in the Chingleput Register Chingleput Party from 19th January 1874 to 5th March 1879 and that he was temporarily transferred to No. III Party from 6th March 1879. There is no entry in the Pension application corresponding to this transfer.

(5) In the Service Register the applicant is stated to have reverted to his permanent appointment in No. II Party from 8th July 1876; whereas in the pension application he is stated to have done so from the

the 7th July 1896. This must be explained.

(6) The Signature of the applicant in Column 7 of the new Service Register should be obtained.

III. Spelling The following variations in spelling are observed in the Service Registers and in the Pension application with regard to the name of the applicant and that of his father:-

I have the honor to resubmit the Pension application of Cherala Venkata Rao and its enclosures, returned with Board's Proceedings dated 27th July 1897, No: 5861 mis: with the following explanations in respect of the discrepancies as noticed by the Board:—

I Date of birth. As already remarked by me in the Pension application, "8th October 1897

16 9/97

Register

is the actual date of birth of Cherala Venkata Rao. The illegible correction of the date in the Service Register noticed by the Board is, as will be seen from the enclosed explanation* of Cherala Venkata Rao himself, a clerical error for "8th October 1847". The needful correction in respect of this has now been duly made under my initials.

* accompanied by a true translation of it into English.

II Omissions - discrepancies

(1) The substantive appointments held by the applicant while acting in other appointments have now been entered in Column 3 of the Old Service Register.

(2) With reference to the discrepancy observed by the Board in respect of the rate of salary drawn by Cherala VenkataRao from 23rd June to 30th June 1872, I beg to state that as the entry on page 3 of the Old Service Register appeared to have been made at a later date than the one on the next preceding page, the former entry was taken as the correct. But I find from Cherala Venkata Rao's present explanation that the rate of his pay as Permanent Classifier for the above-mentioned period - Viz. 23rd to 30th June 1872, was Rupees 15. As the application statement corresponds with the entries on the 2nd page of his old Service Register, the latter entries have to be taken as correct. The necessary alterations have accordingly been made under my initials both in the Service Register and the pension application. I beg to add, however, that as the applicants' service from 23rd June 1872 to 30th September 1873 appears to have been verified in

in the Board's* office, reference may once again be made to the records in that office to find out how far Cherala Venkata Rao's present explanation are borne out by the same.

*Vide B.T. R+L Agri dated 22nd May 1888 No: 1125 Mis:

(3) The entry of 31-9-73 is evidently a clerical error for 30-9-73. The needful correction has been made under my initials.

(4) The necessary entries have now been made in the Pension application.

(5) As regards the discrepancy observed by the Board in this clause, I beg to state that Cherala Venkata Rao remained in employ in Revenue Settlement Party No: I as acting Classifier upto 7th July 1896 inclusive, and reverted to this Party on the forenoon of 8th July 1896. From this latter date he was granted one years furlough. The entries of "7th July 1896"

in the pension application as the date of termination of Cherala Venkata Rao's acting appointment in Party No. I and 8th July 1896 as the date of reversion to his substantive post of Classifier on Rupees 24 in this Party are, therefore, correct.

(6) The signature of the applicant has now been obtained in the Column of the Service Register referred to.

III Spelling. In his explanation herewith submitted, Cherala Venkata Rao states that his own name and that of his father are generally spelt as "Cherala Venkata Rao" and "Cheral Thirumala Rao", respectively. These spellings have been adopted, as directed in all the records herewith accompanying.

*as th in the word "health".

IV

IV Identification marks. The identification mark referred to in this clause has now been entered.

2. The delay in the submission of this reply to the Board's Proceedings is due to the fact that the Service Register of the applicant has had to be sent to him twice for his signature at Trivellore (Chingleput district). Cherala Venkata Rau should have signed his name in his Service Register before he proceeded on his furlough from Bellary in July 1896, but he failed to do so.

Resolution

The pension application of Cherala Venkata Rau late Classifier of Revenue Settlement Party no: II will be submitted to Government through the Accountant-General.

2. In para II (2) of his letter read above, the Dy: Commissioner states that a reference may be made to the records in the Board's office to find out whether the applicant drew pay at Rs 15 per mensem from 23 to 30 June 1872. From the pay bills on record in this office, it appears that Venkata Rau drew pay at Rs 15 per mensem during the period referred to.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,

Sir,

Your most obedient Servant,

Chief Superintendent.

Attention is drawn to No. 39 of the revised printed Memo. of Instructions from this office,

with reference to the Sub protem and acting appointment held by the applicant during the last 5 years of his service.

2. The applicants average emoluments should be calculated with reference to instructions contained in Art: 530 to 535 of Civil Service Regulations. The memo should accordingly be revised

3. The circumstances under which the periods of the applicants service, as temporary additional classifier from 1.2.72 to 22.6.72 and as temporary Volunteer from 1.10.73 to 18.1.74 have been treated as service qualifying for pension should be explained.

4. A note to the effect that the applicants Service has been verified from 1-4-97 to date of retirement should be appended to the Service book.

5. The applicants affidavit and the contemporary evidence should be forwarded for the period of his service from 1st to 31st January 1881 which cannot be verified from office records. Vide para 6 of Board's Proceedings No 1125 dated 22.5.88.

6. The applicant's name is not traceable in the annual Return for 1883. The omission should be explained.

7. Explanation of the following discrepancies is requested:-

(a) In the annual Return for 1876 and in those for 1877 & 78 the age of the applicant is shown as 34 and 35 years respectively. According to these entries the year of the applicants birth should be 1842 and 1843. In the annual Return for '79 also the year of the applicants birth is shewn as 1843 which does not agree with that given in the Service book and on the 1st page of the application.

(b) In the audit Register for 1872 and '73 the date of the applicants appointment is shewn as 16.6.72 and 1.6.72 respectively. while these dates do not appear on the 2nd page of the application.

(c) In the audit Registers and annual Returns from 1874-6 & 78 the applicants name is given as I. Venkata Row instead of as Cherala. Venkata Row.

(d) In the 2nd page of the application and in the memo of calculation of average emoluments the applicants is shewn to have drawn pay at Rs 20 from 9.12.95 to 26.2.96 while in the service book this amount is shewn as the acting allowance drawn by him during that period.

As soon as his reply is received which I hope will be in a day or two, I shall resubmit Venkata Row's Pension papers with explanations on the Several points mentioned in the Accountant-General's letter to the Board dated 30th September 1897 No. $\frac{ADK}{251}$.

Point 1. The Sub-para-tem a

-ober 1897.-

I have the honor to return herewith the Pension papers of Chenala Venkata Rau, late Classifier of this Pandy, received with Board's Proceedings, No. 8258, Miscellaneous, dated 9th October 1897. The delay in re-submitting these papers is due to my having had to make references to the Deputy Commissioner of Revenue Settlement, Pandy No. I regarding the nature of the acting appointments held by Chenala Venkata Rao in

in that Pandy during the marginally noted periods; and

From 9. 12. 1895 to 26. 2. 1896.
From 27. 2. 1896 to 7. 7. 1896

to the Deputy Commissioner of No. III Pandy Revenue Settlement, Cocanada, as regards the discrepancies noticed in "point 7(a) of the Accountant. General's letter to the Board No. 4014/251, dated 30th September 1897, forwarded with Board's Proceedings under reference. I beg to reply the General points raised in the Accountant. General's letter read above quoted, serial as follows:-

Point 1. The Sub-pro-tem a

acting appointments held by the applicant during the last five years of his service are:—

(a) Subpro tem measurement Superintendent on Temporary Establishment on Rs 32 — from 1-7-1892 to 14-8-1892

(b) acting measurement Superintendent on Temporary Establishment on Rupees 30- — from 15-8-1892 to 25-12-1892

(c) Subpro tem Head Classifier on Rupees 30 — from 7-6-1894 to 22-8-1894

(d) acting Classifier on Rupees 20 ——— from 9-12-1895 to 26-2-1896

(e) acting Classifier on Rs 24 ——— from 27-2-1896 to 7-7-1896

(a) During this period the applicant acted Subpro tem as Measurement Superintendent on the Temporary Establishment of J. Boojanga Row who was on leave on loss of pay. Under Article 410 of the Civil Service Regulations, the applicant's Counts Service in this subpro tem appointment. But under article 534 of the said Regulations his substantive pay was taken in Calculating the average emoluments.

(b) During this period the applicant acted as Measurement Superintendent on the Temporary Establishment vice J. Boojanga Row who was at first

absent on leave on Medical
Certificate for 2 months from
15th August 1892, and was
afterwards given an extension
of three months' leave on
loss of pay. Under articles
410 and 534 of the Civil
Service Regulations, quoted
above, the applicant Counts
service during the whole of
this period, but the pay of
his substantive appointment
has been taken in Calculating
his average emoluments.

(c) During this period, Cherala
Lakshmana Rau acted Subpro tem
as Head Classifier on place
of T. Narayana Rau, who

in his turn, acted Subpro tem
as Head Classifier on Rs
40 in a full vacancy. The
applicant therefore Counted
Service in his subpro tem
appointment.

(d) and (e) During these periods,
the applicant acted as
Classifier in Revenue Settlement
Party No. I, and from a
telegram ~~telegram~~ ~~Copy enclosed~~ just received
from the Deputy Commissioner
of that party (Copy enclosed
I learn that the applicant
did not Count service in
his acting appointments. It
should therefore be held

have counted service in his
substantive appointment of
Classifier on Rs 24 in this Pandy
A Copy of the letter from the
Deputy Commissioner of Nos
II Pandy, referred to in his
telegram alone mentioned
and which is expected to
explain the nature of the
vacancies in which the
applicant acted during
the periods in question, will
be submitted as soon as
it is received.

Point 2 A revised state-
ment showing the average
voluments drawn by

Cherala

Chenala Venkata Rau during the
the last five years of his
service is herewith submitted.

Point 3 The inclusion of
these periods as service
qualifying for pension was
due to a wrong interpretation
of article 405 of the Civil
Service Regulations. They have
now been excluded and
shown under non-qualifying
service.

Point 4 The note has now
been appended to the Service
Book.

Point 5 The applicants' service
from 1st to 31st January 1881

is Capable of verification
with reference to the office
Copy of the Pay Bill of
the North Arcot Pandy for
that month; and a note of
such verification having
been actually made, was
duly entered in the applicants'
old Service Register at page
3 Column 8, under the initials
of the then Deputy Commissioner
Colonel C. J. Stuart - a
remark to that effect
has now been also entered
in the Column headed
"How verified" in the
Pension

A

Pension application.

Point 6 The Office Copy
of the Annual Return
1883 is not forthcoming
the records of this Office
But the Office Copy of the
Pay Bill for April 18
clearly shows that the
applicant held the post
of a permanent Classif.
on Rupees 20 on the first
of that month. If, therefore
the applicant's name as
not traceable in the
Annual return for 188

of Classifiers J. Venkata

must be held to have
is a clerical omission.

Point 7(a) As regards the
Case of the applicants birth,
I respectfully request attention
to point 1 under paragraph
of my letter to the Board
dated 30th August 1897, E.S.
No. 764. I have now only
to add that immediately on
receipt of the Board's Proceedings
under reference, I wired to
the Deputy Commissioner
of Revenue Settlement, Bantry
No. III, for information as
to how the applicant's
age came to be entered
as

Returns of the late Church of
Bantry for 1876, 1877 and I accom-
while the date of his birth to
was 8th October 1847 according
to applicant's Service Register
and affidavit. In reply,
that Officer informs me that
the records of the late
Chinglepat Bantry showing the
applicants age are not
available in his Office; but
adds that the Board may
be addressed on the subject.
I respectfully request, therefore
that the records of the late
Chinglepat Bantry, if in the
Board's office, may be

of Classifiers J. Venkata

the point under this reference.
I beg, however, to add that
the Office Copy of the Annual
Return for 1879 is so torn
and torn that the applicant's
name is not traceable in it.
But similar returns for
1880, 1881, 1882 &c clearly show
the date of his birth as
8th October 1847, and this agrees
with the date reported by
the applicant in his affidavit,
and entered in the Service Register
as well as his present—
application for Pension.

Point 7(6) As regards this
point
as
regards

the original for such a

point, I beg to observe that i
his Proceedings No. 1125 Mis-
cellaneous, dated the 22nd
May 1888, the Board had
already Certified that the
applicant's name could not
be traced in the Copies of
the pay bills of the late

appointment came to be
shown as 16. 6. 1872 and
1-6-1872 in the Accountant-
General's Audit Registers
for 1872 and 1873.

Point 7(c) This appears
to have been a clerical
mistake. The Tamil letter

I must explain with reference

from the Deputy Commissioner
of Nos I Taluq, Anantapur,
that from 9. 12. 1895 to 26. 2. 1896
and again from 27-2-1896 to

now entered a note to
that effect in the applicant's

said periods. I trust that
this procedure may be
approved.

of incapacity for further service while on leave other than

The Secretary to Government of India,
Department of Finance and Commerce.

Sir,

Under article 501 of the Civil Service Regulations the retirement of an officer who has submitted a medical certificate of incapacity for further service while on leave other than privilege leave may have effect from the termination of his leave, and the officer may continue to draw leave allowance to the end of his leave. I have the honour to enquire whether in such a case the period of leave up to the date of the medical certificate of incapacity for further service or up to the date of termination of leave when that is later should be taken into account for the purpose of calculating the average emoluments under article 531 of the Civil Service Regulations. The practice of this office has been to take it up to the date of the medical certificate only, but I am of opinion that this practice is incorrect and that the period up to the termination of leave should be taken into account. On a reference to other account offices, however, I find that their practices differ and as it would involve a change of established procedure to introduce the method of calculation which appears to me correct, I refer the matter for order of Government.

2. The case of one [illegible]

who was granted leave on medical certificate with allowances from 22nd June 1894 to 8th January 1896, and who, while on leave, submitted a medical certificate of his incapacity for further service on the 7th October 1895, has come to me for report and the amount of pension admissible depends upon the answer to the present enquiry.
