Sir,

With reference to your Proceedings No 1134 of 27-12-97, I have the honor to inform you that the Process Amin Narasingham is now 59 years old and he will be 60 by 1st July 1898. His retention in service was sanctioned by the District Court in its order dated 5-2-97 up to 31-12-97. Under rule 3 of the instructions communicated to this Court with District Courts Cir No 37 dated 18-11-97, I have to submit a draft application for Pension or gratuity as the case may be to the District Court and on the receipt of the Service Register from the District Court, I will have to address the Medical Officer as to the fitness or otherwise of the applicant. With this object I

submitted

2
8
C. No. 160

submitted the draft application. I make the corrections pointed out by the District Court and resubmit the same.

1. The date of birth "1838" was inserted in the Service Register by the Dy Nazir when the draft application was submitted. This is no alteration and so there is no Government order approving it. The Dy Nazir inserted this date from the Annual Detailed statements submitted to the Accountant General and this date appears in those statements since the year 1879

2. The verification certificates in the Service book for the most part ~~are~~ were written long before the stringent orders for the maintenance of service books were issued. The Head Clerk and Dy Nazir were ordered to pay particular attention to the maintenance of Service Registers and Statements. Fresh service Statements for the Process and Regular Establishments and new Service books for the Regular Establishment have been prepared and the Service books of the Process Establishment will be prepared in a short time.

3. The date of termination of appointment of 1st February 74 was already initialled at the bottom but to make it sure initials are now put at the top.

4. The mistakes pointed out about the leave on loss of pay is now corrected and shown in the Service Register.

5. The amount of pay drawn by the applicant from 25.8.94 to 12.9.94 is now shown in the Service Register and initialled.

6. The mistake in the Service Statement about the date of leave granted on loss of pay from 31.7.94 to 3.8.94 is now corrected and initialled.

7. The necessary certificate for the lands statement is now added. The date on which these entries were made is not possible to ascertain. It must have been in 1890 when Mr K. Ramalingasastri was the District Munsiff of the Court.

8. In the 2^d mark of identification the word which was taken by the Dy nazir to be "head" is not "head" but "bend". The word "at" was omitted in the original Certificate and it is now supplied and initialled. The word "marks" in the application has been corrected into "moles".

9. Copies of retention orders were not sent because the officer is not to be finally retired. They are now sent and the necessary entries are made under Head 5, page 3 of the application.

10. Mems showing how the average emoluments were calculated is herewith sent. It was not submitted for the same reason given in para 9.

11. Last pay Certificate is now sent and this was also not submitted for the same reason given in para 9.

12. The applicant entered into service on 1.2.74, viz subsequent to 20.1.71. His age on the date of entry into service was 35 years & 7 months, while under article 521 (a) C.S.R is taken to be 36 years. The applicant has put in a pensionable service of 23 years and so he is entitled to $\frac{23}{60}$ of the average emoluments for the 5 years preceding the date of application which comes to Rs 5-12-0. According to Calculation given in article 521(a) C.S.R and in the formulae given in note 2 of that article, the applicant is entitled to $5\frac{3}{4}\left(\frac{70-36}{40}\right)$ which is equal to Rs 4.14.2 which is the amount entered under head 11 of the 1st page of the application.

13. The applicant is not forced to retire or did he voluntarily apply for Pension. He will be sent to the medical officer as soon as the orders of the District Court are received under rule 3 of the Cir Proceedings No 37 dated 18.11.97

14. The leave granted from

8 from 1-2-90 to 28-2-90 on loss of pay seems to have been justified because the then Munsiff ~~spe~~ granted it.

15. The entry regarding "characterstc" shown against head 5 is now shown under head 6.

16. As this is the first application that was submitted under the new rules, these mistakes have crept in on account of some misapprehension[illegible] of rules. The District Court will be pleased to excuse it.

17. The marginally noted papers are herewith submitted.

1 Service Register
1 Pension application
1 Statement of service
1 Memo showing the average emoluments

Sir,

With reference to your Pro. No 84 dated 15.1.98, I have the honor to inform you that on the receipt of the above Proceedings, the amin was sent to the District Surgeon with my letter No 11 dated 20.1.98 to produce a medical certificate as to his fitness for further service. The attention of the District Surgeon was drawn to Article 523 C.S.R. 3rd Edition, when the amin was sent to him.

The

C. No. 160

The District Surgeon incapacitated the Amin on account of debility due to old age. The date of the Medical certificate is 28-1-98. This date is now taken as the date of ending of his service and the same entered in the history of service, Service Register, & statement of Service and also in the memo for the calculation of average emoluments and in the last pay certificate. The pay of the Amin for the whole of January 1898 was drawn as the Medical certificate was received here on 3-2-98. As he was incapacitated on the 28th January 1898, his pay for 3 days in January 98 is now recovered and remitted to the Sub Treasury.

The

The procedure laid down in para 2 of Proceedings No 37 dated 18-11-97, is, it is hoped, fully complied with.

The marginally noted papers are herewith sent.
