CERTIFICATE AND REPORT OF THE AUDIT OFFICER.

Certified that qualifying Service in inferior grades has been duly proved for 13 years 8 months and 12 days and that an Invalid Gratuity not exceeding Rs 48-0-0 equal to 4 months pay is admissible under article 485 and 524(a) of the Civil Service Regulations 3rd Edition.

The calculations have been duly verified.

2. From the medical certificate dt 10th July 1897 forwarded in support of the gratuity application it appears that the applicant states his age to be 58 years, and the medical officer estimated it at 59 years, shewing thereby that he was born in 1839 or 1838. The applicant's affidavit dated 17th July '95 filed with the Service book shews that his age in July '95 was 53 years from which it follows that he was born in 1842. The date of his birth given in the Service book is 30th June 1848 which nearly corresponds with that recorded in the Military Department where he draws a pension of Rs 4/- a month. If the applicant's age as given in the medical certificate and in his affidavit be taken as correct, his claim to a gratuity would be barred by article 392 of the Civil Service Regulations.

3. It is observed from the remark opposite to No 1 in the 3rd page of the application and from the papers attached to the service book relating to the applicant's suspensions and degradations that the character and past conduct of the applicant have not been satisfactory.

It rests therefore with Government to make such reductions in the amount of Gratuity that may be sanctioned to him as it may deem proper with reference to article 514(b) of the Regulations.

4. The delay in the submission of this application is explained by the Asstt Commissioner in para 6 of his letter No 5187 dt 30th September 1897 enclosed.
In para 3 of his letter No 215 dt 18-1-98.

The charges against the Petty Officer have

I have found him neglect his duties

Sir,

through The Accountant-General
Madras.

I have the honor to submit herewith an application for an invalid gratuity on behalf of Perumal Naidoo Late a Second grade Jemadar, Triangulbar Circle. His Service book is enclosed. His Service began on 29.8.1883 and ended on 15.7.97. He has thus put in a Service of 13 years 10 months and 17 days of which 3 months and 27 days does not count as Service qualifying for gratuity. He has been declared by the District Surgeon Tanjore, to be completely and permanently incapacitated for further Service, on account of Cataract, vide the medical certificate enclosed. He is under Article 524(a) of Civil Service Regulations, entitled

ADDRESS—

to a gratuity of Rs 48/- being 4 months pay, in view of the qualifying Service of 13 years, 6 months and 20 days put in by him.

2. The applicant has had irregular grants of leave on 2 occasions viz/ from 28th January 1884 to 7th February 1884 and from 3rd May 1884 to 7th May 84, Cut off Rs 2.10.9 being the leave allowances irregularly drawn by him, a sum of Rs 2.10.2 only has been recovered from him and credited into the Tranquebar Salt Treasury accounts as item No 99 dated 11th September 97. The Inspector is being directed to recover from him the balance of pies 7 Still due by him, Credit it into the accounts and report the fact to this office. The result will be intimated in due course.

3. The date of birth of the Petty officer is Shewn in the Service book as 1848, but his affidavit filed therewith shows that he was born in 1842; but neither of these agrees with the medical certificate granted by the District Surgeon, Tanjore, according to which he must have been born in 1888 ~~87~~. If this is to be adopted as the Correct date of birth, as I presume it should be, it turns out that he was above 40 years of age on 29.8.83 when he entered the Department.

Reduction to 2nd grade Jemadar } 23.7.85
Reduction to 2nd grade Jemadar } 1.9.89

Reduction to 1st grade Duffadar } 6.7.90
Suspension from 23.8.95 to 8.9.95

His claims are therefore governed by Article 372 of the C.S.R. He is a military pensioner and draws a pension of Rs 4 per mensem, vide copy of letter from the Deputy Collector in charge of pensioners, Tanjore.

4. The applicant has had reductions and Suspensions during the marginally noted periods of his Service. Copies of orders inflicting those punishments are attached to the Service book.

5. The medical certificate though dated 10th July 97, is said to have been received by the Inspector some time after and the applicant was discharged soon after it was received (ie) on 15th July 97. The period from 11th July 97 to 15th July 97 has therefore been left out of account.

6. The delay in the Submission of this is due to the application received from the Inspector in the first instance, having had to be returned for want of certain information.

From

To

Madras

Sir,

With reference to your letter no 9. A. E. 476. of the 14th Instant, I have the honour to resubmit herewith the Pension application etc submitted on behalf of Ramanal Seidu la. 2d. grade jemadar in the Salt, Abkari and customs Department Tranquebar circle, returned with your letter cited 4 Dr 276 dated 9th October 1897 and reply below Explanation to the several items of objection:—

2. Item No 1. The marks of identification given in the application are the only ones ascertained in the Latest Attestation which was done in 1895.

Item No 2. For 4 March 1884, the applicant drew pay as 2d grade Duffadar

Duffadar at Rs 9/- and hence 9 Rs is shown in the annual return submitted for the year ending 31-3-1884. But subsequently he was promoted as 2d. grade Jemadar on Rs 12, with effect from 1-4-84: Hence he is shown in the pension application as having been in receipt of Rs 12 from 1-4-84.

Item No 3. The Inspecter Vattanam circle where the applicant was serving during 1885, reports that he was on privilege leave from 7-11-85 to 5-12-86.

Item No 4. Instructions contained in this item have been carried out. The applicants absence from 28-1-84 to 7-2-84 was treated as leave without allowances, as he was not entitled to the leave on private affairs granted to and enjoyed by him, and shown in the column "Period not reckoned as Service" with reference to the provisions of article 457 of the Civil Service regulations. The above remarks apply equally to the applicants absence from 15-5-96 to 7-696 on leave without allowances, which was also treated as "Period not reckned as Service".

Item No 5 An affidavit obtained from the applicant is herewith submitted, from which it will be seen that he was

he was discharged from service on a medical certificate declaring him unfit for further service.

Item No 6: The Inspecter Vattanam circle reports as follows "the applicant was 'furnished with loss of 8 days pay for 'absenting himself without leave for '4 days in April 89. Four days pay 'should have been treated as fine 'and 4 days" as leave on loss of pay 'in the pay bill of April 1889. or of 'the subsequent months, if it was too 'late to show on the former. On a 'perusal of the pay bills of this circle 'from April to August 1889, it is 'seen that the applicant has drawn 'full pay of Rs 15 and no stoppage 'of pay has been made according to 'the punishment inflicted on him up 'to the date of his transfer from this 'circle viz 1st September 89. It is therefore 'presumed that no entry regarding these '4 days, was made in the Service book 'at the pension application was prepared 'with the aid of the Service book in a 'circle different from that in which 'the applicant was serving during the 'period in question, no entry can be

made

made in the 2d page of the application about his absence for the 4 days. I beg to state that this omission cannot be supplied in the absence of the required entry in the paybill. When the applicant has not lost his pay for the 4 days of absence as ordered by Mr C. E. Stuart the then Inspector of this circle, I need hardly say that the period can or cannot be commuted into "Leave without allowance by Government."

Item No 7 (a) The Inspector Vattanam reports that in the office copy of the annual return for 1887, the date of the applicant's attainment is shown as 1st February 1886 and is of opinion that the entry 1st February 87 in the fair copy submitted to your office, must be a clerical error for 1st February 1886.

(b) The applicant who was made a first grade peon on Rs 15 with effect from 1st February 86, was reduced to a 2d grade peon on Rs 12 with effect from 1-9-89 and relieved from duties in the Vattanam circle, on transfer to Mutukolam, on 4-10-89. The Inspector Mutukolam circle where he was employed from 7-10-89 to 5-4-90 reports that he has drawn pay at the rate of Rs 12 from 1-9-89 and that he is unable to account for the entry

for the entry 12-9-89 in the annual return for 1890. I am of opinion that the entry in the annual return must be a clerical error

Item No 8 Corrections made.

Item No 9. The Inspector Vattanam reports that from the paybills, it is observed that the applicant was granted leave on half pay from 3rd to 7th May 1886 and that there are no records forthcoming in this office to throw light on the kind of the leave granted. It is probable that it may have been leave on medical certificate.

(b) The recovery was ordered by this office and I regret that the orders on the subject were lost sight of.

Item No 10. I have applied to the Treasury Deputy Collector Tanjore for the necessary information which will be intimated to you as soon as received.

3. The delay in furnishing the information was unavoidable as it had to be gathered from several offices, at a great distance from one another
