To
The Accountant General,

Sir,

In reply to your letter No. 585, dated 28 February last, I have the honor to state that the Service book of the Apphi. Censor having been lost, a fresh book was prepared and the entries in the same have been verified from time to time by my Treasury Deputy Collector with reference to my abstracts maintained in this office. It is not therefore possible to have the signature of any of the former officers obtained in Cols 8 & 12 of the Service book. Under the above circumstances, I request that the verification Certificate signed by my Treasury Deputy Collector may be accepted as sufficient in cases where the signature of the Head of the office has not been obtained. Vide Board's Proceedings (Land Revenue), 1898, dated 12th June 1898.

I have the honor to be
Yours obediently
