Certified that I have carefully examined Thimmanah

son of Hoonudappah

a 1st class Constable Railway orderly Gutter Penukonda Taluq.

in the Railway Police

His age is by his own statement 46 years and by appearance about 55 years.

I consider Thimmanah to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of Lenticular Cataract of both eyes.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

STATEMENT OF CASE.

1. Rank. 1st class constable No. 242
2. Name. Thimmanah
3. Department or Office. Police (Railway orderly Gooty)
4. Marks of identification. Face pitted with smallpox. A large scar on the upper and outer part of right thigh
5. Age. 46 years
6. Service. 24 years
7. Sick leave granted during the service. nil
8. Disease or cause of disability. Lenticular Cataract (?) as both eyes
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This constable was admitted on the 1st instant for impairment of vision and pain and weakness in large joints. States that his right eye sight became slightly dim about a year ago and after a few months the other eye also was affected. He managed his work as a railway orderly up to middle of october last. He can not see objects clearly at a few yards distance and complains of a sort of haze over objects. There is commencement of cataract in both eyes. As he is prematurely old and worn out I consider him unfit for further service in the police force.
Disease contracted in general service and not the result of his own imprudence.
