Reduced from Rs 40 to Rs 18 in June '93 for unsatisfactory work & general incompetence
Suspended for 1 yr, 3 m & 18 days in July 96 for submn. of false returns & for neglect of duty

Please see the Acct. Genl's report. On the 5th. May 1896, the applicant, late 1st. Class Vaccinator

A. Tinnevelly Dist., was dismissed from the Local Fund Service for submitting false returns of Vaccination and for neglect of duty . On appeal, however, the Dist. Board restored him to his appointment treating the period of nonemployment as suspension-vide Pros.

B. of the Dist. Board. flagged B. On the restoration of the Vaccinator, the Dist. Medical & Sanitary officer made a reference to the Sanitary Commissioner, who reported to Government deprecating the action

C. of the Dist. Board. The Govt. was then informed of the circumstances under which the Dt. Board passed its decision, and until the final orders of Govt. were received, the reinstatement of the man was kept in abeyance. The Govt. recorded

recorded the Presidents letter with the remark that the restoration of the man was in its opinion illadvised.-G.O.No. 1618 L, dated 25-8-97. This G.O. was placed before the Board on the 18th Octr. 1897 and the man was restored to his appointment. On the 6th Novr. following, he produced a medical certificate of unfitness for further service and retired from the service; and on 28-12-97 his pension papers were submitted to the Acct-Genl. On a reference from the Acct-Genl, the District Board declared in its Proceedings No. 18 d/ 22-2-98, that the man's service prior to his dismissal in 1896 should count for pension.

The Acct-Genl. says that if the Govt accepts the last resolution of the District Board No.18 d/ 22-2-98, which was passed ~~at~~ three months after the man's retirement, his qualifying superior service will amount to 22 years, 11 months and 1day rendering him eligible for an invalid pension of Rs.10-3-10, per mensem. ~~It is submitted that in the circumstances of the case the resolution referred to may be accepted.~~

P.T.O.

After the man's retirement was not the Bd. functus officio as to his service?

Yes, but they may remedy an omission wh. occurred before they were functus officio

Secy

There can I submit be no doubt that the man was properly dismissed by the President of the Dist Board. The Dist Boards action in insisting on retaining him after Govt had remarked that his retention wd be ill advised is contumacious. Govt has no power to quash the Dist Board resolution; but, I submit, that pension should be disallowed. Appeal to the District Board from the President's decision is allowed not by the Act but by Rule 76 of the Rules made by Govt under the Act. It seems a serious defect in these rules that they do not provide for a revision of the Dist. Bd's decision (if favorable to the appellant) by Govt.

I wd. give him little more than a subsistence pension say R5 pm.

Yes, R5 is ample

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

submitted to Government. Under Proceedings of the President District Board of Tinnevelly, dated 5-5-'96, the applicant was dismissed from the service for submitting false returns of Vaccination work and for neglect of duty. On appeal, however, the District Board resolved that he be restored to his appointment the period of non employment being treated as suspension vide Proceedings No. 8 dated 3rd February 1897. Effect was not given to this resolution as the matter was reported to Govt., who in their order No. 1618 L. Mis: dated 25-8-'97, copy enclosed, remarked that the restoration was ill advised. In the meanwhile the applicant produced a medical certificate of incapacity for further service, and retired from the service with effect from the date of that certificate viz. 6th November 1897. It will thus be seen that he was out of employ for a period of 1 year 3 months and 18 days (18th July '96 to 5th November '97). On reference, the District Board in its Proceedings 18 dated 22nd February 1898 resolved that the applicants' service prior to the date of dismissal shall count for pension.

Should Govt. be pleased to accept the above resolution which was passed about 3 months after the applicants' retirement and to admit the period of service claimed in his affidavit (1-2-73 to 31-3-81) on the evidence of his contemporary employes (a portion of which is also verified from the records of this office) his whole qualifying service in superior grades will amount to 22 years 11 months and 1 day, and will render him eligible for an Invalid pension not exceeding Rs 10-3-10 equal to 22/60ths of his average emoluments under Article 485 & 518 (b) of the Civil Service Regulations. The pension admissible is subject to such reduction as Govt. may see fit to make under Article 514 (b) of the Regulation, on account of the applicants' character and past conduct, which are reported to have been "very indifferent".

The delay in the submission of this application is explained by the President in paragraph 3 of his letter No. 879 dated 28th December 1897 enclosed.

GOVERNMENT OF MADRAS
PENSION DEPARTMENT

Dis: No. 271 of 1896.

Proceedings of the President, District Board of Tinnevelly, dated 5th May 1896.

Read Correspondence relating to the charges brought against the Vaccinators of the Satur batch.

Read also the papers Connected with the enquiry held into the matter by the Vice President of the District Board.

Orders.

The four Vaccinators of the batch (1) Kristna Pillai (2) Sundram Pillai (3) Narayana-Sami Naidu and (4) Muthusami Pillai were Jointly reported for Submitting a false progress report for the month of January 1895 showing 238 Cases as having been Vaccinated on the 19th in the Villages of Mam aiyampati, Sevalarpatti and Arunachelapuram when no Case was Vaccinated on that date, and it was also alleged that they went to those Villages in the month of April and Vaccinated Cases to make up the number falsely entered in the return for January. On enquiry the facts appear to be as above stated. It is Certain that all four Vaccinators Signed the false progress report for January, but it is not equally clear which of the Vaccinators went and did the Vaccinations in April. They are also implicated in the irregular act of making Certain Corrections in the nominal Register

relating

relating to cases vaccinated in Virudupati and Kottapati after the cases were verified by the District Medical and Sanitary officer, whose orders were also disobeyed in not sending the nominal register as required by him. Besides the above charges each vaccinator has also been reported individually for grave neglect of duty. Each vaccinator's case will therefore be dealt with separately. This order relates to the case of Vaccinator Kristna Pillai who was in charge of the batch

2. After the occurrence of the irregularities in the Satur batch, Kristna Pillai was transferred to the North Srivaikuntam batch, where also he did not behave himself properly.

3. The following are the more important matters which have been proved against Kristna Pillai:

(1) He signed the monthly progress report for January 1895 which is believed to be false.

(2) He made delay in forwarding the nominal register containing the entries for Virudupati to the District Medical and Sanitary officer.

(3) In North Srivaikuntam batch to which he was transferred on 12th July 1895, the nominal register was not written for the first 12 days of July and whole of August and September 1895 and till 10th October. The nominal register and lists and returns did not agree with each other.

(4) Absence from duty for greater part of August and September 1895, and

(5) Sending no weekly returns for several weeks.

Referring to charges (3) and (5) he was, as head of the North Srivaikuntam batch responsible for the complete writing of registers and agreement of all the documents, as well as the punctual submission of periodical returns. As regards charge (4) he pleads the orders of the Munsif's Court for giving evidence in a suit in which he was not a party and his inability to find the batch. There is reason to suppose that the latter excuse at all events is not valid, and that, as to the former, if he had been anxious to work, he could have arranged so as not to be absent from duty for such lengthy periods.

4. Further papers show that the vaccinator is now at loggerheads with the Vaccine Deputy Inspector of the Tinnevelly range and also that he furnished no return of cases vaccinated by himself and probationer Lady Saheb from December 1895.

5. Kristna Pillai is obviously untrustworthy and is shown in several instances to have

Grossly

grossly neglected his duty, as head of the batch, in regard to the preparation and submission of returns. There is also reason to believe that he has been a party to the submission of a false return. He has evidently no idea of subordination or of the importance of speaking and acting the truth. He will be removed from service.

Under Proceedings of the President District Board of Tinnevelly, dated 5-5-'96, the applicant was dismissed from the service for submitting false returns of Vaccination work and for neglect of duty. On appeal, however, the district Board resolved that he be restored to his appointment the period of non employment being treated as suspension vide Proceedings No. 8 dated 3rd February 1897. Effect was not given to this resolution as the matter was reported to Govt., who in their order No. 1618 L. Mis: dated 25-8-'97, copy enclosed, remarked that the restoration was ill advised. In the meanwhile the applicant produced a medical certificate of incapacity for further service, and retired from the service with effect from the date of that certificate viz. 6th November 1897. It will thus be seen that he was out of employ for a period of 1 year 3 months and 18 days (18th July '96 to 5th November '97) On reference, the District Board in its Proceedings 18 dated 22nd February 1898 resolved that the applicant's service prior to the date of dismissal shall count for pension.

Should Govt. be pleased to accept the above resolution which was passed about 3 months after the applicant's retirement and to admit the period of service claimed in his affidavit (1-2-73 to 31-3-81) on the evidence of his contemporary employes (a portion of which is also verified from the records of this office) his whole qualifying service in superior grades will amount to 22 years 11 months and 1 day, and will render him eligible for an Invalid pension not exceeding Rs 10-3-10 equal to 22/60ths of his average emoluments under Article 485 & 578 (b) of the Civil Service Regulations. The pension admissible is subject to such reduction as Govt. may see fit to make under Article 574 (b) of the Regulation, on account of the applicant's character and past conduct, which are reported to have been "very indifferent."

The delay in the submission of this application is explained by the President in paragraph 3 of his letter No. 879 dated 28th December 1897 enclosed.
