Attention ~~is drawn~~ to No. of the printed Memo. of Instructions from this office.

From the Government Order of 1881 published at page 607 Part I of the Fort St George Gazette dated the 25th of October 1881, it appears that Mr Hamilton was discharged from the Army on a pension. Information is required as to whether the pension was granted owing to the completion of his term of service or ill-~~walls~~ health. This information is wanted to enable this office to decide whether the amount of Pension admissible to him for his subsequent service in the Civil Department should be subject to reduction under Article 521(a) of the Civil Service Regulation or not.

2. In para 2 of his letter No. 516 dated the 24th of January 1898, enclosed,

SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of Mr J. the Director of Public Instruction states that although the applicant entered Service in the Civil Department on the 1st of August 1875, his service for pension has been taken into account only from 7th October 1881, as the Service prior to that date was included in the period of Service admitted for pension in the Military Department. Information is requested as to whether this is correct and if so, the authority under which the Civil Department Service was included should be quoted.

3. It is requested that the reply may be sent through the Director of Public Instruction who will be requested to explain the following discrepancies:-

(a): In the records of this office the substantive pay of the applicant on the 1st of April 1896 and 1897 is given as Rs 185 and 190 respectively, instead of Rs 190 and 195 as shewn on the 2nd page of application.

(b) The nature of the vacancy which gave rise to the applicant's acting appointment from the 25th February to 25th April 1897 should be stated.

Mr. J. Hamilton was discharged to pension from the Army on completing 21 Years' service with effect from the 7th October 1881, up to which date he was a Military man and borne as such on the Unattached List.

2. Although employed in the Civil Engineering College, the whole of his service was reckoned as Military up to the above named date, consequently his Civil Service towards pension should apparently commence from the 8th October 1881 and not 1st August 1875, the latter being the date on which he joined the Civil Engineering College for duty as a Military Man.
