Office of the Inspectress of Girls' Schools,

Madras, 26th March 1898.

No. 1896 of 1898.

From

THE INSPECTRESS OF GIRLS' SCHOOLS,

NORTH CIRCLE,

To

THE DIRECTOR OF PUBLIC INSTRUCTION,

MADRAS.

SIR,

I have the honor to submit an application for invalid gratuity on behalf of Mouham-mad Ally Baig, Tailor, Government Mouham-madan Girls' School, Kasseinkota and to state that he is not entitled to it under article 392 of the Civil Service Regulations.

2. The difference between the date of the tailor's retirement and the date of his medical certificate is explained by the Head Master as follows to the Sub- Assistant Inspector:—

" I beg to submit that the tailor retired from service from 1st April 1897, since he was directed to do so in your memo No 400 in as much as he is found to be more than ²³⁻⁹⁻⁹⁶ 55 years old. But he put in an application for gratuity on the 15th March 1897 which was submitted to your office on the 1st April 1897. You were then pleased to direct me in memo No 1825 to submit invalid certificate on his behalf and the same was received by me here on the 12th June 97. On the 14th June 97 he was therefore sent to Municipal Hospital Anakapalle for the required certificate. But as the certificate given by the Hospital Assistant was not approved of by you a fresh certificate in proper form from the District Surgeon was submitted on the 28th January 1898 as directed

by you in memo no 171
13-1-98. Thus from the above you will be pleased to observe that the delay is chiefly due to transmission of papers from office to another."

The Sub. Assistant Inspector explains that his order was based on your Proceedings no 7240
10-7-96 (which limited to one year only the continuance of certain teachers (including this tailor) in their appointments after the age of 55 years). This order was communicated in this office no 3347
20-7-96 (copy enclosed) under the impression that persons even in inferior service can retire after the age of 55 years without producing medical certificates. As there was some doubt about this procedure the Sub. Assistant Inspector was informed in this office memo no 1910
10-4-97 that teachers referred to in the Proceedings quoted above should not be retired sending a reference to the Accountant General, and, even if they had been retired, they should be reinstated. The Accountant General's order no 9.A.E.
3 of 10-4-97 stating that persons in inferior service cannot retire before 60 years without medical certificates was also communicated to the Sub. Assistant Inspector in this office endorsement no 2016
14-4-97. The Sub. Assistant Inspector does not explain why he has not carried out this last order and his explanation will be obtained and submitted.

3. The tailor has not been confirmed in his appointment as he was not recommended by the Sub. Assistant Inspector, for confirmation. He is now confirmed and the entry should be noted in the service book.

4. The tailor gave his age as fifty. five before the District Surgeon; hence the difference between the certificate and service book.

5. The Sub. Assistant Inspector reports that the entries in the service book have been verified up to date.

6. The delay in the submission of the application is due to the following circumstances. The Sub. Assistant Inspector first submitted the application in letter no 2352
17-8-97 with various omissions (the most important of which was the want of a medical certificate in the proper form and from the District Surgeon). The application reached this office (on tour) on August 30th and was returned to the Sub. Assistant Inspector in this office memo no 4448
30-8-97. It was resubmitted in his letter no 949
8-3-98 which reached this office on the 11th March. The application was again returned for the same information in no 1349
14-3-98 and it was resubmitted yesterday. The Sub. Assistant Inspector's explanation for the delay is as follows:-

"The service books with your memos 4448
30-8-97 and 4382
24-8-97 were forwarded to the Head Master to supply the defects and information called for therein. I regret I had hardly time to scrutinize them before they reached this office as they were already delayed owing to circumstances over which I had no control namely the illness of my clerk and the high pressure under which they are worked. I have now been working every day till both mind and body are exhausted and giddiness comes on me. This is all the explanation that I can offer for the omission and I beg to be excused for the same."

I have the honor to be
Sir,

Your most obedient servant.
