STATEMENT OF CASE.

1. Rank. 1st class Police Constable
2. Name. Shiek Ameer Sahib
3. Department or Office. Police Department.
4. Marks of identification. A mole on left nape, a mole on left breast, 2 moles on left of back & a big scar between the right knuckle & knee
5. Age. 38 years
6. Service. 12 years, 11 months & 10 days up to 14th Febr'y 98
7. Sick leave granted during the service. 2 months & 7 days.
8. Disease or cause of Disability. Mania (acute alcoholic)
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This man was brought to the Hospl at 8 a.m. of 6th Oct 97 by his relatives who had kept him at home the past three days under native treatment. It appears by their statements that four days previously he stayed away from his work on the ground that his immediate superior had a grudge against him & that he had the idea he would be ruined in consequence. This idea grew stronger & he became very excited and violent; this excitement increased to such a degree that his relatives became alarmed & brought him to Hospital. When seen by me on morning of 6th Oct 97 I found him lying on a mattress with his hands & feet bound with soft towel; this restraint had to be resorted to as he tried to knock down every one within reach. He was then exhibiting all the symptoms of acute mania. Skin warm & perspiring. Temp. 99° would not take food, noisy, violent, abusive & restless.

It is stated that before the fit came on he complained of impediment in his speech & weakness of legs. He had also a causeless dread & fear creeping over him whenever he entered the town, coupled with palpitation of heart. Under treatment the acute symptoms subsided & he left Hospl on 2nd Nov 97.

He went to his ordinary work after a rest of 16 days. On 30th Decr he was again brought to Hospl by his friends. The history given in this instance was that a few days previously while serving out Court notices, he did not return home but was reported to have strayed away to Karun guzhi, 14 miles away from Chingleput, where his brother resides. He was seen loitering on the outskirts of the town without any food & was taken to his brother's house & brought to Chingleput Hospital.

During his stay in hospital his mental condition has much improved & he has been very quiet, eating & sleeping well. His general health & physique has also improved. There is a history of indulgence in intoxicating liquors.

With the previous history as above detailed I cannot guarantee a non-recurrence of the fit of mental aberration & therefore consider him unfit for the post of police Constable.
