(Certificate for retirement on invalid pension or gratuity.)

CERTIFIED that I have carefully examined C. N. Lakshmana Row

son of C. Narasinga Row
a Forest Ranger
in the Forest Department

His age is by his own statement $49\frac{1}{2}$ years and by appearance about 55 years.

I consider C. N. Lakshmana Row

to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of (a) 177. Lenticular (cataract (Both eyes)) (b) 477. Piles, Internal.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

STATION Suddalore Name. W. M. M. M.
Date 11-10-1897 Rank. Surgeon-Major
Designation. District Medical Officer

NOTE.— the incapacity is obviously the result of intemperance, substitute for the words in italics "In my opinion his incapacity is the result of irregular or intemperate habits."

STATEMENT OF CASE.

1. Rank. *Forest Ranger*
2. Name. *C. N. Lakshmana Row*
3. Department or Office. *Forest.*
4. Marks of identification. *a scar on the right side of the right knee.
a raised mole on the left arm below the arm pit
a scar just above the left knee*
5. Age. *49 ¹¹/₁₂*
6. Service. *27 years.*
7. Sick leave granted during the service. *Nil*
8. Disease or cause of disability. *(a) 177 Lenticular cataract (both eyes)
(b) 477 Piles, Internal.*
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

Has been out of health for some months back and has become much debilitated from bleeding piles, (internal) which also prevent him from riding + discharging his active, out door duties satisfactorily. His vision also has been failing for some time and he is found to be suffering from lenticular cataract of both eyes. He cannot count test dots beyond 4 feet 10 inches with the left eye, nor beyond 3 feet 6 inches with the right eye. He has not been under regular medical treatment, but has been treated from time to time for piles, rheumatism and debility, without permanent benefit. He looks prematurely old + broken down and is quite unfit for his duties, which are of an active nature. He is therefore recommended to be invalided.

Disease not due to irregular or intemperate habits.

Statement showing the calculation of "Quarance Emoluments" during the last 5 years of the Officer's Service.

Period of Service	Extent of Monthly		Total	Remarks.
	Service	Rate	Emoluments	
<i>4. 11. 92 - 31. 12. 96</i>	<i>4. 2. 18</i>	<i>Rs. 80</i>	<i>4048</i>	<i>This includes a period of Sick leave with allowances, but retrospective of this the average emoluments have been calculated at the full monthly rate under note 1 Article 531 of the Civil Service Regulations.</i>
<i>1. 1. 97 - 12. 10. 97</i>	<i>0. 9. 12</i>	<i>Rs. 100</i>	<i>940</i>	
<i>Total Service</i>	<i>5. 0. 0</i>	<i>"</i>	<i>4988</i>	

Average monthly $\frac{4988}{60} = 83.2.2$
Pension due $\frac{30}{60} \times 83.2.2 = 41.9.1$

Remarks by Head of Office

5. Any other Remarks. The Applicant having complained of defective sight, general debility &c, he was sent up before the District Medical Officer for examination as to his fitness for further active Forest Service, and was invalided on the 11. 10. 97 by that Officer. Having stated in his application for medical examination that he was unable to work, the Applicant was relieved of his duties on the afternoon of 12. 10. 97. Hence his retirement before the date on which the District Medical Officer's Certificate was accepted and countersigned by the Surgeon General with the Government of Madras.

6. Specific Opinion of Head of Office whether the Service claimed is established, and should be admitted or not [see Article 99 (b)]

The Services of the Applicant as Forest Ranger 2nd grade in the Salem District terminated on 27. 9. 86 on account of promotion, and as Sub Assistant Conservator

2nd grade, in Malabar,
commenced on 1st October '86.
The interval which is 6 days
has not been accounted
for in the Service Book.
It is evidently the joining
time availed of by the
Applicant, and it is treated
as such in the calculation
of period reckoned as
service.

According to the dates
given in the Certificates
of verification of service
recorded in the Service
Book, there would appear
to be no such Certificate
to cover the period from
1st June '94 to 31st May '95
but in reality there is no
portion of service left
without verification, the
entry "from 1.4.94 to 31.5.94"
in one of the Certificates
being a clerical error
for "from 1.4.94 to 31.5.95".

Subject to the foregoing
remarks, the service claimed
is established and should
be ~~admitted~~ admitted.

I have the honour to return herewith
your letter No 1434 Dated 16.2.98 with the
372
Enclosures thereto, and to offer the following
explanation Serials in regard to the items
of information called for and discrepancies
pointed out.

1 The District Forest Officer, North Malabar,
to whom a reference was made on the
Subject says that Ranger C. D. Lakshumana
Row was paid in full for the period from
28th September 1886 to 3rd October 1886. The
period doubtless represented joining
time, but the District Forest Officer
does not state how it was treated in

8

6

272

in his District though his attention was invited to the point

2(a) The District Forest Officer Simeonally states that the annual returns for 1874 and 1875 show Lakshumana Row's age as 25 and 26 years respectively and that the returns for 1876 and 1878 are not forthcoming in his office.

Probably the individual's age was roughly calculated at the time and not with reference to the exact date

of birth. However the date of birth entered in the Service book, namely,

5th November 1847 appears to be the correct one as it has been repeated

by Lakshumana Row himself ^{during} the re-attestation of entries in the Service Book, which took place on 5th July 1894

(b) The fixed conveyance allowance drawn by Lakshumana Row has not been shown on the 2^d page of the Pension application, because

Such allowance ^{is} not pensionable and hence omitted. Further, the Columns provided under the "History of the Service" of the applicant do not seem to contemplate inclusion therein of fixed conveyance allowances.

(c) The District Forest Officer Selam states that Rs 100 + 25 entered in the annual return for 1886, against the name of the applicant (Lakshumana Row) represents his pay as 3^d grade Ranger, Rs 80; acting allowance as 2^d grade Ranger, Rs 20; and fixed conveyance as acting 2^d grade Ranger Rs 25. The details with regard to pay and acting allowance correspond with the entries in the Service Book which the District Forest Officer reports are correct. It is therefore clear that the "acting allowance" of Rs 25 shown in the annual return for 1886 as drawn by the applicant is a mistake for fixed conveyance allowance.

3 Because the designation of the appli-
cant has been ^{entered} altered in the Service Book
as Forest Duffador or Sub Aurseur, the
Service from 1-4-70 to 30-6-70 was
reckoned here as "Superior". However
on receipt of your letter under reply,
a reference was made to the District
Forest Officer Simmaully, who says
that he understood from the Enquiry
he made that Forest Duffador did
in those days the identical kind of work
now done by Jowesters, and that
therefore the Services of a Duffador
on Rs 15 should have been Superior.
He, however, suggests, in the absence
of records in his office, that authentic
information on the Subject may be
available in the Madura District Forest
Office, as Madura and Simmaully
were under the charge of the one and
the same Deputy Conservator of Forests
till 1871-72 with Head Quarters at
Madura. I am making a reference

to the District Forest Officer Madura
so as to ascertain the information re-
quired and will communicate the
result
