This Police Constable presented himself before me on the 4th Instant, with letter from the Superintendent of Police No 1579 dated 20.9.97 for examination as to his physical fitness for further service. He has been since placed under observation at the Police Hospital and found to be weak and debilitated, tongue pale and flabby; subject to Rheumatic pain of large joints, which prevent him from performing his out-door work. Complains that his vision is defective and cannot see at night even with the aid of glasses. I consider him unfit for further service in the Police force.

Disease contracted on general service and not the result of his own imprudence.
