Under articles 485 and 518 (6) of the Civil Service Regulations (2nd Edition), His Excellency the Governor in Council is pleased to grant to T. K. been thoroughly satisfactory.

14/1/98

The omission ~~[illegible]~~ when reinstating the appt in '79 to declare that his past service was to count seems to have not been intentional. The break may therefore it is submitted be condoned.

Appt has been in trouble pretty regularly all through his service. The reduction from Rs 30 to Rs 15 in 1896 has however affected the maximum amount of pension admissible to him & in the circumstances Rs 4-8-0 is suggested.

CERTIFICATE AND REPORT OF THE AUDIT OFFICER.

Submitted. The applicant commenced Service as an Accountant in the Local Fund Department of the Boards Office on a salary of Rs 25/ per mensem on 12th September ~~1897~~ 1877 and was then transferred to the Salt Department. He served in the latter Department till 4th August 1879 when he was dismissed for misconduct. The applicant was out of employ in consequence for a period of 2 years 2 months and 12 days from 5 August 1879 to 16 October 1881. On appeal, however, the Board of Revenue reinstated him in his appointment, but did not make the declaration, required under article 461 of the Civil Service Regulation, that the past service of the reinstated officer shall count. On a reference being made by this Office on the subject, the Board in its Proceedings No. 3473 dated 14th August 1897 now recommends that the interruption in the applicant's service caused by his dismissal be condoned under Article 465(ii) of the Civil Service Regulation. Should Government be pleased to accede to the Boards recommendation, the applicants qualifying service in Superior grades will amount in all to 12 years 5 months and 8 days and will render him eligible for an Invalid pension not exceeding Rs 4.14.10 per mensem equal to $\frac{12}{60}$ the average emoluments under Articles 485 and 518 b, of the Civil Service Regulation ~~3d~~ 2d Edition.

7 Flag B

The calculation have been duly verified.

It is observed, from the remarks opposite to Nos 1, and 2 in the 3d page of the application and from the papers furnished in explanation of the frequent suspensions and degradations, that the character and past conduct of the applicant have not been thoroughly satisfactory. It rests therefore with Government to make such reductions in the amount of pension that may be sanctioned to him as it may deem proper with reference to article 514(b) of the Regulations.

The delay of 6 months in the submission of this application is explained by the Assistant Commissioner in para 8 of his letter No: 2658 dated 9 June 1897 accompanying.

Proceedings of the Deputy Commissioner of Salt Revenue, Southern Division
dated July 27, 1884

Read letter from the Asst. Commr. of Salt Revenue, Negapatam Division No: 1774 dated 24th instant enclosing for perusal and orders certain papers regarding the punishment roll of Sub Inspector Sankaranarayana Iyer.

—

In his diary for the week ending 3rd May 1884 Sub Inspector T. K. Sankaranarayana Iyer states that on 27th April he inspected the saline tracts in 1 Ettatur 2 [illegible] 3 Agaram and found no scrapings.

2. On looking over this diary on 9th May the Inspector put the query "where is there a salt tract in Ettatur", to which the Sub Inspector replied on the 16th May "on enquiry the Sub Inspector learns the tract to belong to Agaram or [illegible]"; to which on 27th May the Sub Inspector replied "there is a small patch of salt tract — about half an acre close to a well on the byepath from Ettatur to the

7
22
1046

the trunk road ~~from~~ in Agaram and Kedungur. The tract is only an insignificant thing compared to those near Maunawathur or Anapadi.

3. The Inspector then wrote to the Sub Inspector to explain how it was that he reported having inspected salt tracts at Ettatur, Kedungur and Agaram in his diary of 27' April when there are no salt tracts in existence in those villages. To this the Sub Inspector replied he had put Kedungur by mistake for Kaikkolam and that there are saline tracts in Ettatur, Kaikkolam and Agaram. On which the Inspector pertinently remarks that "the Sub Inspector is shifting "his ground here". A reference to the enclosed "diary will show that he in reply to "my remark admitted that there "were no salt tracts in Ettatur, but "that those inspected by him belonged "to Kedungur and Agaram. He now says "that it was not Kedungur he meant, but "Kaikkolam.."

The Sub Inspector then goes on to say that the tract in Ettatur was close to the boundary of Kambikunichi in which, I believe, the saline tracts have been registered.

The Inspector disposes of this with a remark that "the Kambikunichi "tract has been examined and registered "by me.." It is not more than 50 yards "from the habitation and would "not possibly have been thought by the "Sub Inspector to belong to Ettatur which "is fully 2 miles distant."

4. Sufficient has been said to show that the Sub Inspector has been at any rate culpably negligent in preparing his diary with reference to villages he entered as having examined and I am strongly of opinion that his diary for the 27' April is altogether wilfully false. I should give him the benefit of the doubt as to the latter point.

5. Sub Inspector T.K. Sankaranarayana Iyer is awarded one black mark for gross carelessness in preparing his diary for 27' April 1884 with a remark that it is probable that his diary for that day was wilfully false.

Proceedings of the Deputy Commissioner of Salt and Abkari Revenue Southern Division:
Dated 22nd Nov. 1894.

Read:- Letter from the Assistant Commissioner Tinnevelly sub Division dated 22nd September 94 No 4049.

Read:- also a letter from the same officer dated 11th october 1894 No. 4216.

In the letters read above, the Assistant Commissioner Tinnevelly (Sub Division) brings to notice certain serious irregularities in the supervision of scrapings and estimation in the Kayalpatnam factory by Sub Inspector T. K. Sankaranarayaniar.

2. On the 1st and 3rd September spontaneous salt was scraped from the beds of licensee No. 62, permission to manufacture in those beds only having been given on 28th August. On the 1st the beds are shown as having been brine tested, on 3rd they were not tested. The amount estimated was shown as 382 maunds which realized on storage 613 maunds.

3. The Sub Inspector admits the estimation and scrapings and in explanation says that he was

worried in his mind as he wished to place his grievances as regards promotion, before the Commissioner. This Explanation will not however hold good, as the Commissioner left Kayalpatnam on 1st long before estimation and of course it does not affect the transactions of the 3rd at all. The Sub Inspector admits "that I failed to exercise a sufficient degree of care and attention and hence I deserve to be dealth with in the manner that the Assistant Commissioner and my other superior officers deem fit."

4. With this admission before the undersigned, the only thing left for decision is, whether the Sub Inspector connived at this scrapings or whether he was fooled by the coolies?

As the Assistant Commissioner points out, there is one point that tells greatly against the Sub Inspector and that it is the very grave under Estimation of the quantity scraped which looks as if it had been done so that the scrapings from these pans might not attract notice. On the other hand, as the Sub Inspector remarks, this illicit scraping was brought to the notice of the Assistant Commissioner by the Company's servants, who, as is only too well known, are as a rule only too anxious to evade all rules so long as they can get as much salt as possible. The

undersigned

undersigned cannot however believe that an old and Experienced hand like this Sub Inspector could have been hoodwinked to the Extent suggested; but if he was so hoodwinked, it must have been in consequence of such culpable neglect of duty as to place the offence committed in a category very little removed from actual connivance.

5. In this connection it is necessary to consider the 2nd letter from the Assistant Commissioner read above. In this it is brought to notice that the Estimation in the Kayalpatnam factory was conducted in the following manner totally opposed to the rules of the department. In the centre of the pans is a shed, in this the Sub Inspector deposited himself with his E4, and to him came the coolies of the several licensees who informed him of the amounts they had scraped under each survey number, which amounts the Sub Inspector then proceeded to enter up in his E4. He never went near the salt on the ridges. The Sub Inspector calmly admits that this is a correct account of his procedure and Excuses himself by asserting that this was the usual procedure of the factory and known to the Inspector. This the Inspector denies.

6. It remains now to decide, what punishment should be inflicted. The sub Inspector is not a raw hand, but on the contrary a man of long but very chequered service who must be supposed to have fully weighed the consequences of his actions. His record in the department has been a most unsatisfactory one, and the undersigned would have ordered his dismissal had there not been just the shadow of a doubt as to the guilty knowledge on the part of the Sub Inspector. Sub Inspector T. K. Sankararamiar will accordingly be reduced to the rank of a second clerk on Rs 15 from the date of this order.

PROCEEDINGS of the Deputy ~~Asst.~~ Commissioner of Salt and Abkari, Revenue, Southern Division ~~Calicut Sub-Division.~~

Dated August 4, 1885.

~~READ letter from the Inspector of Salt and Abkari Revenue,~~

No. dated ~~189~~. Circle,

The following is a brief history of Charges brought against T. K. Sankara Rama Iyer, late Sub Inspector Trichinopoly Circle and at present 2nd Clerk Calicut Assistant Commissioner's office under suspension.

Vide Exhibit A. C.'s letter 1802 / 6-5-85

2 On 29th April 1885, Mr Raczarosky, Inspector of Salt Revenue Trichinopoly Circle, reported to the Assistant Commissioner, Nagapatam Division that Sub Inspector Sankara Rama Iyer made an irregular search on 4th March 1885, at Periammapallium in the presence of a third Class Constable and a Child of about 10 years of age, and unnecessarily seized a brass vessel as liable to Confiscation. From the statement taken by the Inspector from the Sub Inspector and others concerned, it was already proved that the brass vessel in question did not contain at the time of the search even a particle of Salt in it but was only lying close by a drain in which there was what the Sub Inspector pretended to think was earth salt mixed up in mud, but which the Inspector found to be simply dirty mud taken from the drain which was sickening to look at. The Inspector therefore reported the matter and begged that the Sub Inspector might be transferred to a Factory Circle and added that he had once before recommended the same transfer. He also forwarded statements in support of his recommendation and above report.

3 On 6th May last, the Assistant Commissioner Nagapatam to whom the above report was made, submitted the same in original with his recommendation that the Sub Inspector in question should be awarded two black marks and should be transferred to Vedraniam Circle. He also reported that on a former occasion the Sub Inspector was reported by the Inspector for having ~~stated that the Contents of the~~ arrested a wrong person and for having stated that the Contents of the bag he seized Contained more Salt than was actually found

2
28
026

4 Again on 6th May 1885, the Assistant Commissioner reported that the Sub Inspector in question had utterly

disobeyed the orders of the Inspector who directed to make Perambalore, a bad place for salt Cases, as his head quarters and to live there. But the Sub Inspector shifted himself to a village close by Trichinopoly and 33 miles from Perambalore For this disobedience of orders the Assistant Commissioner suspended him for two days and in Reporting about the same enclosed also the usual form A 13

Vide exhibit B. A.C's 1817/6-5-85

5 On 13th May last, the Assistant Commissioner Nagapatam, was informed that he is Competent both to award black marks and to transfer Sub Inspectors within his Division and as there are two distinct offences in the present instance, he can, if he sees fit, award a black mark for each offence. Further he was also informed that as the Sub Inspector in question was as 2nd Clerk Calicut Assistant Commissioner's office before the receipt of the Assistant Commissioner's above Reports the Deputy Commissioner would not Cancel his orders but would place on record a remark that Sankara Ram Iyer has proved himself useless and unreliable as a Sub Inspector and if he failed to satisfy the Calicut Assistant Commissioner during his probation as 2nd Clerk he will be reduced to the place of a Circle Clerk on less pay. A Copy of the ~~At~~ above Proceedings was also Communicated to the Assistant Commissioner, Nagapatam Central Division to be handed over to the Assistant Commissioner Calicut Division when he is appointed

Vide Ex: C. D.C's Pro. 1477/13-5-85

6 On the 22nd May last, the Assistant Commissioner Nagapatam requested to return him the original letter of Inspector Trichinopoly submitted with his foot note (vide Exhibit A)

Vide Ex: D. A.C's letter 2073/22-5-85

7 Meanwhile a Copy of Proceedings was received from the Commissioner (No 5122 dated 28th May 1885) directing the Assistant Commissioner Negapatam Division to obtain and forward the explanation of Sub Inspector Sankara Rama Iyer for his procedure in Calendar Case No 212 of 1885 on the file of the 2nd Class magistrate of Lalgudi Trichinopoly district on the judgement passed in the Case above mentioned.

Vide Ex E. C's Pro. 5122/28-5-85

8 On 31st May 1885 the enclosures asked for by the Assistant Commissioner Nagapatam Division ~~reported that the Sub Inspector in question has already two black marks outstanding and~~ were returned to him

Vide Ex. F D.C's Pro. 1689/31-5-85

9 On 11th June 1885, the Assistant Commissioner Nagapatam Division reported that the Sub Inspector in question has already two black marks outstanding and uncancelled, one given for disobedience of orders in not appearing before at Manapparai to give evidence in salt Cases, though specially ordered and warned that he should not fail and the other owing to his suspension for two days as related in para 4 supra. The Assistant Commissioner added that as there are two distinct Cases of offences pending against the Sub Inspector he considers two black marks should be awarded as recommended by the Inspector and that as the award of one of them will entail his reduction, which he is not competent to order he has submitted the whole case for the Deputy Commissioner's orders. The Inspector's letter in original and other records Connected with the cases under reference were also forwarded with the above letter

Vide Ex G. A.C's letter 2359/11-6-85

10 Under date the 30th June 1885, it was remarked that the Deputy Commissioner is unable to pass orders on the charges related above, until the receipt of the information called for in Ext: E. It was further ordered that T.K. Sankara Rama Iyer should be suspended from the date of the receipt of that order, pending the settlement of charges against him they numerous and serious that it is out of question to allow him to continue in office. The Assistant Commissioner Central Division under whom the man then was also ordered to nominate a Clerk to fill up Sankara Rama Iyer's place sub protem and to furnish this office with Sankara Rama Iyer's Service book and a Complete and complete extract of a default sheet

Vide Ex H. D.C's Pro. 2069/30-6-85

Vide Ex I. A.C's 2865/12-7-85

12 On 22nd July 1885 the Assistant Commissioner Central Division was called upon to expedite submission of the Service book and extract from the default sheet of T. K Sankara Rama Iyer as called for Exhibit ~~H~~ as without them the Deputy Commissioner be unable to pass orders

Vide Ex. J. D.C's Pro. 2369/22-7-85

13 Under date the 29th July last the Assistant Central Division submitted the Service book and from the defaulter sheet as above called for

14 The Sub Inspector stands Convicted of an irregular searc illegal Seizure and false Report in Connection therewith on 4 March 1885. He has also been found guilty by the Asst Commissioner of gross irregularities in another case reported by the Inspector in his No 214 dated 21st April 1885. (papers not put up) The Assistant Commissioner does not punish in the above two Cases because the Sub Inspector has already two black marks against and further punishment will entail reduction which is beyond the assistant Commissioner's powers. I consider the Sub Inspector has more or satisfactorily explained the case referred to in Commissioner's Pro $\frac{5122}{28.5.85}$

15 On referring to the Defaulter sheet of this Sub Inspector I find him to bear thoroughly bad characte If I did my duty I believe I ought to dismiss him and so rid the Service of a most untrustworthy servan I shall give him another chance

~~Sir~~, Through
The Accountant General
Madras

Sir,

I have the honour to submit herewith an application for an invalid pension of Rupees four annas seven and pies two (Rs 4-7-2) on behalf of T. K. Sankararamier late clerk of the Kayalpatnam Circle and to report as follows:—

2 The applicant was permanently incapacitated for further service of any kind on 23 January 97 by the Resident Surgeon,

General Hospital Madras: on account of Asthma and Bronchitis. His services from the beginning to the end, i.e. from 12 September 77 (the date of commencement of service) to 22 January 97 (the date of termination) have been completely verified with the exception of the period from 2nd March 78 to 31st March 78, for which the Registrar of the High Court appellate side reports in his letter No 1914 dated 27 July 88 copy enclosed, that the applicant held no substantive appointment in his office to admit of the necessary verification being recorded in the Service Register.

3. The verification certificates are recorded in certain instances on loose sheets of papers as the Service Book could not be forwarded avoiding delay to all the officers for verification simultaneously.

4. The total service of the applicant comes to 19 years 4 months

and 13 days of which 6 years 11 months and 2 days are non-qualifying. The balance admissible for pension amounts to 12 years 5 months and 11 days. Under Article 518 (b) of the Civil Service Regulations, the applicant is entitled to a pension of Rs 4-7-2 as per calculation on the average of the last 5 years of actual service as explained in the enclosed memorandum.

5. The Medical Certificate was granted when the applicant was on sick leave and not therefore in active service

6 The interruptions in the official career of the applicant are detailed in the margin. They all seem to have been adjudged as specific penalties. Copies of the orders showing the nature of the various offences are attached to the new

Suspension from	22-11-78 to 17-2-79
Dismissal commuted into Suspension as per Chingleput Dist Commr's letter No 893 / 24 2 88	5-8-79 to 16-10-81

Do Do	1-8-84
Suspension from	17-3-85 to 18-3-85
Do Do	6-7-85 to 8-9-85

new Service Book except in the Case of some for which the necessary history has been recorded in the book itself

Reduction for 3 months in conse of the expiry of 6 months' leave from 6-4-87
Reduction to Rs15 from 10-12-94.

7. The following defects and omissions still exist in the Service Book which have to be rectified and most of them are simply scoring out and filling in of certain entries and the consequent initialling of the same by the several heads of offices The entry of 1-3-78 in Column 6 is evidently a mistake for 2-3-78 So also entries of 23-11-86, 13-12-82, and 20-5-90 in Column 6 for ~~29-11-96~~ 29.11.86 19-12-~~86~~ 82 and 21-5-90 respectively. No entries recorded in the Service Book for periods commencing from 5-8-79 to 16-10-81 and 6-7-85 to 8-9-85. For the transit period commencing from 1-1-89 shown in Column 6 there is no corresponding entry in Column 10

17/6/97

Column 10 terminating the said period and also an entry in Column 6 for date of appointment in the Madura Circle. Column 9 against sick leave commencing from 4-10-96 not signed by the Inspector

8. The delay in the submission of this application is due to the several officers of other Circles in which the applicant was employed having neglected to verify the services in their Circles and record the result in the Registers before they forwarded them to the next Circle to which the applicant went on transfer. The result was, the Inspector Nagalpatnam Circle was driven to the necessity of addressing the various officers on the subject to have the services fully verified

Mis No. 3473

Dated 14th August 1897.

Read the following letter from the Assistant Commissioner, Tinnevelly Sub-Division No 3476 dated 25th July 1897:-

"I have the honor to request that I may be furnished with the following particulars in connection with the Services of clerk T. K. Sankararamier in the Board's office prior to his dismissal in August 1879 as the Same are urgently required by the Accountant-General in connection with his pension application.

(1) Are the Services of the applicant prior to his dismissal in August 1879 to be treated as qualifying or not as under Article 461 of

the Civil Service Regulations the past services of the reinstated officer will not count, if the reinstating authority did not at the time declare that it should count.

2. The reasons for failure to shew the Establishment of the Local Fund Department of the Board's Office in the annual return for 1878.

3. Any explanation for the discrepancy observed by the Accountant-General between the annual return for 1879 and the Service book of the applicant as regards his date of birth. In the former it is given as 1849, and in the latter as 1848."

Resolution

With reference to the letter read above the Accountant-General will be informed that in reinstating T.K. Saukara rama Iyer, the Board did not pass any orders as to how the period during which he was out of employ should be treated. As the omission was probably due to oversight the interruption in his service may be condoned by Government under clause (ii) of article 465 of the Civil Service Regulations.

2. T.K. Saukararama Iyer was employed in the Local Fund Department of the Board's Office in 1878 but the establishment of that Department does not appear to have been shown in the annual return for that year. The Secretary to the Commissioners of Land Revenue will be requested to be so good as to inform the Accountant-General direct of the circumstances under which the omission occurred.

Vide B.P. L.F. 2460 / 19.8.79

3. The Annual return of 1879 is not forthcoming in this office. In its absence the discrepancy cannot be explained

Resolution

T.K.Sankararama Aiyar referred to in the Proceedings read again above, was entertained on probation as 9th Accountant in the Local Fund Department on the 12th September 1877. While on probation, he obtained leave without allowances for a month in March 1878 in view to take up an acting appointment in the High Court. After his return from leave, he was confirmed in the above appointment on the 10th May 1878 and was subsequently transferred to the Salt Commissioner's office in June following. The exact date, on which he was so transferred, is not known, as the pay bill for that month is not forthcoming in the records of this office.

Proceedings of the Deputy Commissioner of Salt Revenu
Southern Division
Dated August 4, 1885.

The following is a brief history of the Charges brought against T. K. Sankaranarayana Iyer, late Sub Inspector Trichinopoly Circle and at present 2nd Clerk Calicut Assistant Commissioner's Office under Suspension.

vide Exhibit A
A.C.'s letter 1802
6-5-85

2. On 29th April 1885 Mr. ~~[illegible]~~ Seenyokeys, Inspector of Salt Revenue Trichinopoly Circle reported to the Assistant Commissioner, Negapatam Division that Sub Inspector Sankaranarayana Iyer made an irregular Search on 4th March 1885, at Perummapalam in the presence of a Third Class Constable and a Child of about 10 years of age, and unnecessarily seized a brass vessel as liable to Confiscation. From the Statements taken by the Inspector, from the Sub Inspector and others Concerned, it was clearly proved that the brass vessel in question did not Contain at the time of the Search even a particle of Salt in it, but was only lying close by a ~~drain~~ drain in which there was what the Sub Inspector pretended to think was earth Salt mixed up in mud.

but which the Inspector found to be simply dirty mud taken from the drain which was sickening to look at. The Inspector, therefore reported the matter and begged that the Sub Inspector might be transferred to a Factory Circle and added that he had once before recommended the same transfer. He also forwarded Statements in support of his recommendation and above report.

3. On 6th May last, the Assistant Commissioner Negapatam to whom the above report was made, submitted the same in original with his recommendation that the Sub Inspector in question should be awarded ~~a~~ two black marks and should be transferred to Vedaraniem Circle. He also reported that on a former occasion, the Sub Inspector was reported by the Inspector for having arrested a wrong person and for having stated that the contents of the bag he seized contained more salt than was actually found.

4. Again on 6th May 1885, the Assistant Commissioner reported that the Sub Inspector in question had utterly disobeyed the orders of the Inspector who directed him to make Perambalore, a bad place for Salt Cases, as his head quarters and to live there. But the Sub Inspector shifted himself to a

vide Exhibit B. in $\frac{1817}{6-5-85}$

Village

village close by Trichinopoly and 33 mile from Perambalore. For this disobedience of orders the Assistant Commissioner suspended him for two days and in reporting about the same, enclosed also the usual form A 13.

5. On 13th May last, the Assistant Commissioner, Negapatam was informed that he is competent both to award black marks and to transfer Sub Inspectors within his Division and as there are two distinct offences in the present instance, he can, if he sees fit, award a black mark for each offence. Further he was also informed that as the Sub Inspector in question was transferred as 2nd Clerk Calicut Assistant Commissioner's Office before the receipt of the Assistant Commissioner's above report, the Deputy Commissioner would not cancel his order, but would place on record a remark that Sankaranarayanan has proved himself useless and unreliable as a Sub Inspector and if he failed to satisfy the Calicut Assistant Commissioner during his probation as 2nd Clerk he will be reduced to the place of a Circle Clerk on less pay. A copy of the

vide Ex: C. in Pro: $\frac{1477}{13-5-85}$

above Proceedings was also communicated to the Assistant Commissioner, Central Division to be handed over to the Assistant Commissioner, Calicut Division when he is appointed.

6. On the 22nd May last, the Assistant Commissioner Negapatam requested to return him the original letter of Inspector Trichinopoly submitted with his footnote (vide Exhibit A)

Vide Ex D
his letter 2073/22.5.85

7. Meanwhile a copy of Proceedings was received from the Commissioner (No 5122 dated 28th May 1885) directing the Assistant Commissioner Negapatam Division to obtain and forward the explanation of Sub Inspector Sankaranarama Iyer for his procedure in Calendar Case No 212 of 1885, on the file of the 2nd Class Magistrate of Turaiyur Trichinopoly District. The above Proceedings was issued on the representation made by the Head Assistant Magistrate of Trichinopoly District on the judgment passed in the case above mentioned.

8. On 31st May 1885, the Enclosures asked for by the Assistant Commissioner Negapatam Division were returned to him.

vide Ex: F
his No. 1689/31.5.85

9. On 11th June 1885, the Assistant Commissioner, Negapatam Division reported

that

that the Sub Inspector in question has already two black marks outstanding and uncancelled, one given for disobedience of orders in not appearing before his Inspector at Mannarpuram to give evidence in Salt Cases, though especially ordered and warned that he should not fail and the other owing to his suspension for 2 days as related in para 4 supra. The Assistant Commissioner added that, as there are two distinct cases of offence pending against the Sub Inspector, he considers two black marks should be awarded as recommended by the Inspector and that, as the award of one of them will entail his reduction, which he is not competent to order, he has submitted the whole case for the Deputy Commissioner's orders. The Inspector's letter in original and other records connected with the cases under reference, were also forwarded with the above letter.

10. Under date, the 30th June 1885, it was remarked that the Dy Commissioner is unable to pass orders on the charges related above, until the receipt of the

information Called for [illegible] also communicated [illegible] was further ordered that T. U. Saukararama Iyer should be suspended from the date of the receipt of that order, pending the Settlement of Charges against him, as they are so numerous and serious that it is out of question to allow him to Continue in office. The assistant Commissioner, Central Division, under whom the man then was, was also ordered to nominate a clerk to fill up Saukararama Iyer's place sub pro tem and to furnish this office with Saukararama Iyer's Service book and a Complete extract of his defaulter Sheet.

11. Under date the 12th July last, the Assistant Commissioner Negapatam Division Submitted in original the explanation of T. U. Saukararama Iyer with the Inspectors' remarks thereon as Called for in Exhibit E. The other papers Connected with the Case were also forwarded.

vide Ex I
No $\frac{2865}{12.7.85}$

12. On 22nd July 1885, the Assistant Commissioner Central Division was Called upon to expedite the Submission of the

Service

Service book and extract from the defaulter Sheet of T. U. Saukararama Iyer as Called for in Exhibit H, as without ~~then~~ the Deputy Commissioner will be unable to pass orders.

13. Under date the 29th July last the Assistant Commissioner Central Division Submitted the Service book and extract from the defaulter Sheet as above Called for.

vide Ex K
No $\frac{2803}{29.7.85}$

14. The Sub Inspector Stands Convicted of an irregular Search, illegal seizure and false report in Connection therewith on 4th March 1885. He has also been found guilty by the assistant Commissioner of gross irregularities in another Case reported by the Inspector in his No 214 dated 21st April, 1885 (papers not put up) — the assistant Commissioner does not punish in the above two cases because the Sub Inspector has already two black marks against him and further punishment will entail reduction which is beyond the assistant Commissioner's powers. I Consider the Sub Inspector has more or less Satisfactorily

explained the Case referred to in Commissioner's Proceedings $\frac{5122}{28.5.85}$.

15. On referring to the defaulter Sheet of this Sub Inspector I find him to bear a thoroughly bad Character. If I did my duty I believe I ought to dismiss him and so rid the Service of a most untrustworthy Servant. I shall give him another Chance.

16. Sub Inspector T. K. Sankaranarayana Iyer is reduced from 2nd to 4th Clerk in the Office of the Assistant Commissioner, Calicut Division with effect from the date of receipt of this order.

To
The Accountant General
Madras.

SIR,

With reference to your audit No. $\frac{\text{A.D.K.}}{130}$ dated 3rd July 1897, on the pension application of clerk T. K. Sankararamier herewith returned, I have the honor to reply as follows in seriatim.

1. A verification certificate furnished by the Registrar of the High Court and the affidavit furnished by the applicant in the presence of the Inspector, Madras depot Circle are herewith enclosed.

2. The copies of correspondence relating to the applicants' dismissal in August 1879 are reported to be not forthcoming vide

Madras Depot Circle Inspector's letter No 850 dated 6th August 1897 herein enclosed, and those relating to his suspensions from 6th July 1885 to 8th September 1885 are herewith sent. As regards the reduction of his pay from Rs 30 to 20 in October 1891, I beg to state that since the applicant was then acting as Sub Inspector, his permanent pay has been shown as 20 Rs in Column 3 and acting allowance Rs 10 in Column 4. He seems to have been only transferred from a Sub-protem to an acting arrangement without affecting the amount of salary. Hence it was no reduction. The correspondence relating to the applicant's suspension from 12th April 1892 and its subsequent cancelment by the Deputy Commissioner are not forthcoming in my office and I will forward the same to you on receipt from Inspector Vattanam whom I have addressed.

3. This has been replied to by the Board in its Proceedings No 3473 Mis dated 14th August 1897.

4. The medical certificate is herewith submitted duly countersigned by the Surgeon General, Madras.

5 A revised memo of Calculation of average emoluments is submitted herewith for each period of 5 years service taken ~~int to~~ into account, and it is found that the one already sent up is incorrect.

6. This has been replied to by the Board in its Proceedings quoted above

7(a) It will be observed that from 9th February 1893 to 6th February 1894, the applicant was on furlough and no pay is shown against the entry either in the Service book or in the 2nd page of the application. Before he proceeded on furlough, he was a Sub-protem Sub-Inspector and drew then Rs 20/- as Head Clerk Vattanam and Rs 10 as acting allowance, but this entry has been wrongly copied in the pension application. Necessary corrections have now been made.

(b) (1) The discrepancy cannot be explained vide Madras Depot Circle Inspector's letter No 896 dated 16th August 1897 herein enclosed.

(3) The date shown in the annual return for 1889 viz 5th January 1889 is reported to be correct by the Inspector, Madura Circle and necessary corrections have now been made on the 2nd page of the application

2, 5 and 4 Will be replied to on receipt of complete replies from the Inspectors Vattanam

Vattacaam and Tuticorin circles who have again been addressed.

(c.) The Inspector Tuticorin circle who was called on to explain the discrepancy as regards the year of the applicant's birth between the annual return for 1890 and the Service book reports that the date given in the latter viz 1848 is the correct date and that given in the former viz 1850 is a clerical error. As regards the discrepancy between the entry in the annual return for 1879 and the Service book, the Board in its proceedings No 3473 "mis dated 14" August 1897 has already reported that the annual return for 1879 is not forthcoming in the Board's office, informing at the same time that the date of birth given in the Service book should be accepted as correct.

The delay in submitting this reply is regretted but it is due to number of officers who had to be addressed and the age of the records to be referred to.

Proceedings of the Deputy Commissioner of Salt & Abkari Revenue, Southern Dn,
Dated 30th March 1892

Read letter from the Assistant Commissioner of Salt and Abkari Revenue, Tinnevelly Sub Division No C 70 dated 24th December 1891. Read also letter from the same officer No 605 dated 18th February 1892

In the first of the papers read above, the Assistant Commissioner Tinnevelly Sub Division reported that on the 16th December last, 2 bags of Government Salt supplied to the Kassipatnam fish curing yard were found by the Inspector and Assistant Inspector, Vattanam buried under ground in the curing shed and that there were strong reasons to suspect Sub Inspector Sankaramiah who was in charge of the yard from 4th November last.

2. With the 2nd of the papers read above the records of the further enquiry into the case are forwarded ~~to~~ and the Inspector recommends the prosecution of the Sub Inspector Sankaramiah and Govindasamy Peon No 460 and has submitted a draft complaint to the Magistrate for approval; but the Assistant Commissioner is of opinion

2

that departmental dismissal rather
than a criminal prosecution will be
the proper punishment.

3. The facts which led to the discovery
of the fraud are briefly as follows:-

On the evening of the 16th December
peon No 588 Kalimuthu on his way
from the Sassipatnam ~~yard~~ bazaar
to the Theethandathanam factory
met Govindan the peon at the
yard accompanied him to his hut
to see his concubine who he was
told was sick; it so happened
that he found in it 2 bags concealed
under a mat. Having heard of clandestine
removals of salt from the yard on
previous occasions his suspicion
was roused. He accordingly hid himself
under the prickly pear hedge outside
the yard whence he observed the 2
bags being removed by the sub Inspector
and the yard peon Govindasami
from the hut to the curing shed.

4. He ran off to the Assistant
Inspector at the Theethandathanam

factory and reported what he had seen
at the yard. Two peons Periakaruppan
and Pachamiah were sent to the yard
at once and these were followed by the
Assistant Inspector, some petty officers
and peons; soon after the assistant
Inspector arrived he was shewn
the bags. The Assistant Inspector
reported the matter to the Inspector
who appeared at the yard at 8.30
PM the same night. The bags were
taken out and found to measure
43 3/8 measures. The Inspector sent
for the Sub Inspector Sankararamiah
had the store room opened, examined
the stock and HC 4 which were found
to tally. He took down the statements
of the Assistant Inspector, Kalimuthu
the informant, the yard peon Govinda-
samy and his concubine Karuppayee
and the sub Inspector. The first two
deposed to what they had seen and heard
peon Govindasami admitted the sub
Inspector's attendance at the yard
in the afternoon and Kalimuthu's
arrival at the yard but denied all
knowledge as to how the bags came to be

buried in the curing shed. Three days after, on the 19th idem, he confessed everything before the Assistant Inspector admitting, among others, the fact of removing the bags from the store shed and burying them in the curing shed under the orders of the Sub Inspector and repeated the same before the Inspector on the 22nd. When called upon to explain why he did not confess the whole truth in the first instance he pleaded that he did not do so as the Inspector's enquiry was made publicly. Karuppayee the concubine of the yard peon deposed before the Inspector on the 30th to the fact of her having helped the Sub Inspector in removing the bag from the store room to the shed and to the Sub Inspector having on previous occasions sold salt from the yard to private merchants.

5. The statements of 3 more peons i.e. Bachamiah, Chellan Pillai, Peria Karuppan were taken down. Their evidence is not however altogether relevant

6. Sub Inspector Sankararamiah when called upon to explain how the bags came to be buried in the shed, and what he had to say regarding Kalimuthu's statement, pleaded that the accusation was false and that it must have been made through the instigation of others. The Inspector attempted to substantiate by circumstantial evidence the charge of the Sub Inspector having on previous occasions issued salt from the yard clandestinely. In this attempt he has not been successful. He tried to verify the entries in Reg 3 with the accounts kept by curers; as no regular accounts were maintained by the latter this was found impossible. Again the Sub Inspector Arumugam Pillai was specially deputed to collect information from villages where the salt was supposed to have been taken and sold secretly. The 7 men whom he named as being aware of the fact however feigned ignorance before the Inspector as they would implicate themselves by making an admission

7 The evidence recorded clearly proves
(1) that Government Salt was removed
from the store shed and found buried in
the cured shed during the time the sub
Inspector was in charge of the yard.
and that this could not have been
done except with the knowledge,
connivance and privity of the sub
Inspector and that the yard peon
Govindasamy is also guilty as an
abettor. The fact of the Ex 3 having
been found to agree with the stock indi-
-cates that the sub Inspector must
have made false entries therein
He will be charged for this offence
also. The sub Inspector was present
throughout the enquiry and he was
allowed to cross examine all
the witnesses against him and the
substance of his written explana-
-tion for the charges made out
against him is that he did not
know whence the salt found had
come who buried it there when and
how and that the accusation against
him of the informant Kalimuthu
is entirely false and concocted

8 On a careful perusal of the records
the acting Deputy Commissioner is of
opinion that the evidence is amply
sufficient to deal with the sub Ins-
pector departmentally; as similar cases
of fraud in other yards are reported to
be not uncommon it is desirable to
make an example of this Sub Inspector
and the acting Deputy Commissioner
therefore directs the prosecution of the
Sub Inspector before a criminal
Court; this will at the same time
give the accused an opportunity
of proving his defence before a
judicial tribunal. Pending the result
of the Magistrate's trial the Sub Inspector
will be suspended.

9 The Inspector will be directed to conduct
the prosecution himself and report the result
in due course

Koman Nair was confirmed as an Assistant Inspector from 1-10-90 vide Notification in Fort Saint George Gazette page 1516 dated 18.11.90 Part II. Sankara Rama Iyer has continued in place of Koman Nair as Sub Pro tem Sub Inspector up to 9-2-93. When he proceeded on furlough, on his return he was made permanent from 7-2-94 as per Deputy Commissioner's No 5692 dated 20-12-93. As Sankara Rama Iyer was on leave the order of confirmation took effect [illegible] on from 7-2-94. The vacancy in which Sankararama Iyer was made Sub Pro tem was permanently vacant from 1-10-90. The entry in the Service Book as acting Sub Inspector from 8.10.91 to 11-4-92 is a mistake. It should be simply Sub Pro tem as this is clear from the printed list of Establishment kept in the Salt department. Necessary alterations have been made both in the Service Book and the pension application.

Address:— Tuticorin.

SIR,

With reference to your No. $\frac{A.D.K}{270}$ dated 15th October 1897 and its reminder No. $\frac{T.A.E}{375}$ dated 15th November 1897 calling for certain information in connection with the pension application of T. K. Sankaranarayana Iyer, I have the honor to report as follows:—

2. A revised memo of calculation showing the average emoluments earned by the applicant

and explaining the arrangements in which he was acting is herein enclosed from which it will be seen that the proposed pension comes to Rs 4-14-9.

2. The specific opinion of the Head of the Department has been recorded opposite to No 6 on the 3rd page of the application.

3. The Correspondence relating to the applicant's suspension from 12° April 1892 and its subsequent cancelment by the Deputy Commissioner referred to in para 2 of my letter No 4497 dated 23rd September 1897 is herein enclosed.

4. With reference to report promised in para 7 of my letter No 4497 dated 23rd September 1897 I beg to state that 4° November 1887 entered in the annual return is a mistake for 6° January 1888. An order transferring the applicant to Vattanam Circle was passed in this office No 3849 dated 4° November 1897. But this order actually took effect only from 6° January 1888 when he returned from suspension. He was granted leave on loss of pay for 6 months from 6° April 1887 and before he returned from leave, this office order No ~~1609~~ 1610 dated ~~29° April 1887~~ 3rd May 1887 was passed suspending the applicant for 3 months for accumulation of Black marks with effect from the date of return from leave, and so the applicant actually returned to duty only on 6° January 1888. Thus it is clear that the entry in the Service Book is Correct and that in the annual return wrong.

5. The date 5° October 1888

is wrong apparently a mistake in the annual return for 4th October 1888 which is the date on which the applicant actually reported himself for duty at Tuticorin.

6. 8th May 1889 is a mistake for 12th May 1889 vide this office No. 1515 dated 8th May 1889 and 1674 dated 11th May 1889. The date of the order has been taken instead of the actual date from which the order took effect. In this connection I beg to state that some how or other the fact of the applicant's promotion to Head Clerk Pattanam Circle on Rs 20 from 12 May 1889 was omitted to be shown in the Service Book and the omission has now been made good both in the Service register and the pension application.

7. With reference to para. 5 I beg to enclose herein Board's Proceedings No. 3327 Routine dated 13th November 1897 Land Revenue
