To Collector

With reference to Board's Proceedings No. 39 dated 14th February 1898 communicating rules for the record of the finger prints of Government servants. I request that Government may be asked to supply this office with the necessary apparatus. A list of officers to whom the apparatus is to be supplied is given in appendix B to Government order No. 918 Pension dated 4th December 1897 but no mention is made of any Forest officers.

I have to verify the service Registers of Forest subordinates and there will be endless confusion and delay if I have to send to Mangeri to borrow the Tahsildar's apparatus everytime I want to take an impression.
